The Encourager Discipleship In The 90s:

The Encourager David Guinn, 1995-05-01 An excellent discipleship training tool for anyone who wants to grow in Christ It covers the basics of prayer quiet time Scripture memory evangelism witnessing obedience commitment A non athletic version of David Guinn s *The Race* Contact, 1999 **Discipleship in the 90's** John J. Vincent, 1991 *Discipleship that Fits* Bobby Harrington, Alex Absalom, 2016-02-09 For far too long the church has tried to make disciples using a one size fits all approach Some churches advocate 1 on 1 discipling others try getting everyone into a small group while still others training through mission trips or service projects Yet others focus all their efforts on attracting people to a large group gathering to hear biblical teaching and preaching But does one size really fit everyone Based on careful biblical study and years of experience making disciples in the local church Bobby Harrington and Alex Absalom have identified five key relationships where discipleship happens in our lives In each relational context we need to understand how discipleship occurs and we need to set appropriate expectations for each context *Discipleship That Fits* shows you the five key ways discipleship occurs It looks at how Jesus made disciples and how disciples were formed in the early church Each of the contexts is necessary at different times and in different ways as a person grows toward maturity in Christ Public Relationships The church gathering corporately for worship Social Relationships Networks of smaller relationships where we engage in mission and live out our faith in community Personal Relationships Small groups of six to sixteen people where we challenge and encourage one another on a regular basis Transparent Relationships Close relationships of three to four where we share intimate details of our lives for accountability The Divine Relationship Our relationship with Jesus Christ where we grow through the empowering presence of the Holy Spirit Filled with examples and stories Alex and Bobby show you how to develop discipleship practices in each relational context by sharing how Jesus did it how the early church practiced it and how churches are discipling people today Disciplemaking Judy Streeter, 2012-01-05 For a person of faith life can be a smorgasbord of choices often described as exciting opportunities Conferences seminars classes book studies CD s retreats videos workshops and need specific Bible studies abound all designed to encourage spiritual growth But are Christians truly grounded in the bedrock of doctrine that supports and enriches their faith Can they explain what they believe Are they equipped so they can teach others Do they have any cultural impact at all In these post Christian times Judy Streeter encourages a return to the example of Jesus Christ while He was on earth His primary plan was to disciple a few men It was where He invested most of His time knowing that the continuation of His teachings rested on their shoulders The combination of good instruction plus accountability within a small group makes for a fertile environment where solid growth can occur Convinced that the church needs this kind of dynamic to nurture its own and to withstand the influences of a secular culture Judy makes a strong case for the importance and effectiveness of obeying Christ s command to go and make disciples Beginning with the convicting principles of Scripture and moving into a clear definition of discipleship this book is

doctrinally solid yet practical and obviously written by someone who has spent years doing what is recommended

The Disciple-Making Pastor Bill Hull, 2007-10-01 Christ commanded the church to make disciples to produce people who love and obey God bear fruit and live with joy The crisis at the heart of the church is that we often pay lip service to making disciples but we seldom put much effort behind doing it For the pastor who is ready to put words into action *The Disciple Making Pastor* offers the inspiration and practical know how to do so Bill Hull shows pastors the obstacles they will face what disciples really look like the pastor's role in producing them and the practices that lead to positive change He also offers a six step coaching process to help new disciples grow in commitment and obedience and practical ideas to integrate disciple making into the fabric of the church

It strengthens our confidence so that we can pass along our faith. Make a Disciple: Four questions: How Do We Create the Right Atmosphere? Who Do We Help? What Do We Share? Jesus calls, equips, and empowers you to be His daily disciple in ways greater than you can imagine. **Disciples on Campus** Marty Fuqua, Gregg Marutzky, 2008-09 *Disciples on Campus* offers help and encouragement for today's college students who are seeking to follow Jesus in a godless and self-centred environment. It is a must-have for those about to go off to college and those who have been there a while. It is great for college ministries to study together to build faith and unity. It is also an excellent gift for graduating seniors. *Rediscovering Discipleship* Robby Gallaty, 2015-10-20 Discipleship is the buzzword today. Many believers are contemplating in a fresh way what it means to take the Great Commission seriously. *Rediscovering Discipleship* takes the guesswork out of Christian maturity. Based on insights gained from a decade of personally making disciples, author and pastor Robby Gallaty tackles the two hindrances that keep believers from getting involved in making disciples: ignorance and uncertainty. Since many believers have never been personally discipled, they have no model to guide them in discipling others. Their ignorance of the process fuels their uncertainty, which leaves them crippled from the start. With simple principles that are easy to apply, *Rediscovering Discipleship* provides readers with the tools to follow the Great Commission to go and actually make disciples who multiply and make disciples. Gallaty begins with a brief historical overview of the discipleship ministries of influential theologians, preachers, and pastors from years past and then identifies roadblocks that hinder believers from becoming disciples before offering a step-by-step process for readers to immediately get started on the path to effective disciple making. *How to Save the World* Alice Matagora, 2022-08 God wants to use you right where you are. Jesus' command to go and make disciples can feel complicated and overwhelming. Do you wonder where to start, what it looks like, and how to fit this making disciples thing into your busy schedule? You're not alone. Drawing on cutting-edge research from The Navigators and Barna Group, Alice Matagora invites you to enter Jesus' plan to save the world wherever you are. She understands your anxieties because she's experienced them and helps you to break down barriers, pointing you

to the joy of engaged discipleship knowing Christ making him known and helping others do the same Her book includes plenty of support to equip you right where you are today Scripture woven throughout to encourage you fascinating data based on Barna's discipling research questions for deeper reflection at the end of each chapter seven relatable case studies of everyday disciplers No matter who you are what you do or where you are in your discipling journey How to Save the World will help you find joy and confidence as you discover practical ways to share your faith as you join God in saving the world right where you live *Discipleship in the Postmodern Age* Daniel L. Kohn, 2020-09-04 There is a missing link in most churches today There is a significant gap between membership and active involvement in ministry What is missing is what Jesus modeled in His earthly ministry disciple making In the absence of this model from Christ churches struggle to maintain membership and ministry Underequipped members lack the enthusiasm and insight to truly be a part of active ministry The reverse is also true when members are trained as active disciples the ministry potential of the church can follow that of the early Christian church outlined in the book of Acts Yes the model works as the Holy Spirit works in the transformed lives of today's disciples as He has throughout the history of the church This book will give you practical insights for developing a discipleship process in your church Discipleship Billie Hanks, William A. Shell, 1993 **Guidebook to Discipleship** Doug Hartman, Doug Sutherland, 1976 **Discipleship on Fire** Scott Thom, 2015-07-22 When the New Testament Church started it grew rapidly but there were no churches Disciples met in homes yet Christianity exploded all around the world How did the apostles do it They built people not buildings They poured themselves into others who in turn mentored even more It was a strong solid church that withstood persecution and hardships This book is a step by step Biblical system to disciple anyone If you are a parent teacher coach or especially a leader in the church you will find this book a continual reference You can recapture the essence of how Jesus trained for success The apostle Paul said Follow me as I follow Christ It is a simple principle but if followed it will set your world on fire **Dynamic Discipleship** Paul W. Powell, 1984
