The End Of The War In Asia

Albert Lau

The End Of The War In Asia:

The End of the War in Asia Louis Allen, 1976 The Economics of World War II in Southeast Asia Gregg Huff, 2020-10-22 The first comprehensive account of the impact of Japanese occupation on Southeast Asian economies and societies during World War II *The Asia Pacific War* Yasuko Claremont, 2023-07-31 This book examines key aspects of the Asia Pacific War 1931-1945 that was initially waged between Japan and China before Japan's attack on Pearl Harbor drew in the U.S. led allied forces from 1941 to 1945 Part I of the book examines three interlocking components: the origins of the war, its impact on combatants and civilians, and its short-term legacy including the huge changes that took place in the postwar governance of Japan Part II explores the ongoing impact and legacy of the war for those in postwar Japan and later generations, particularly through the examination of the ambiguity of state-led reconciliation with Japan's neighbors, the growth of dynamic civil reconciliation efforts, and the prominent role of the arts in peace movements Through a people-centered approach, it filters historical events through the lens of the war's impact on individuals who found themselves players within a larger frame of the social history of Japan and caught up in the international power dynamics of the nuclear age Featuring studies of contemporary peace activism, this will be a valuable resource to students and scholars of Modern Asian and U.S. History as well as those interested in postwar memory and reconciliation **Impact of the War in Southeast Asia on the U.S. Economy** United States. Congress. Senate. Committee on Foreign Relations, 1970 **Impact of the War in Southeast Asia on the U.S. Economy, Hearings...** United States. Congress. Senate. Foreign Relations, 1970 **The Cold War in Asia** J. Bruce Amstutz, 1996-12 Southeast Asia and the Cold War Albert Lau, 2012-07-26 The origins and the key defining moments of the Cold War in Southeast Asia have been widely debated This book focuses on an area that has received less attention: the impact and legacy of the Cold War on the various countries in the region as well as on the region itself The book contributes to the historiography of the Cold War in Southeast Asia by examining not only how the conflict shaped the milieu in which national and regional change unfolded but also how the context influenced the course and tenor of the Cold War in the region It goes on to look at the usefulness or limitations of using the Cold War as an interpretative framework for understanding change in Southeast Asia Chapters discuss how the Cold War had a varied but notable impact on the countries in Southeast Asia, not only on the mainland countries belonging to what the British Foreign Office called the upper arc but also on those situated on its maritime lower arc The book is an important contribution to the fields of Asian Studies and International Relations **The Ethics of War in Asian Civilizations** Torkel Brekke, 2006-03-13 This book explores how issues of ethics in war and warfare have been treated by major ethical traditions of Asia It opens a discussion about whether there are universal standards in the ideologies of warfare between the major religious traditions of the world While the chapters are written by specialists in Asian cultures, some of the conceptual apparatus is drawn from the scholarly discourse on just war developed in the study of the ethical tradition of

Christianity Taking a comparative approach the book looks at six different Asian religious philosophical and political traditions Islam Judaism Hinduism Buddhism China and Japan and is organized according to geography This innovative approach opens a new field of research on war and ideology and extends the debate on modern warfare universalism and human rights

Legacies of the Asia-Pacific War Roman Rosenbaum, Yasuko Claremont, 2012-09-10 When we look in detail at the various peripheral groups of disenfranchised people emerging from the aftermath of the Asia Pacific War the list is startling Koreans in Japan migrants or forced labourers Burakumin Hibakusha Okinawans Asian minorities comfort women and many others Many of these groups have been discussed in a large corpus of what we may call disenfranchised literature and the research presented in this book intends to add an additional and particularly controversial example to the long list of the voice and powerless The presence of members of what is known as the yakeato sedai or the generation of people who experienced the fire bombings of the Asia Pacific War is conspicuous in all areas of contemporary Japan From literature to the visual arts from music to theatre from architecture to politics their influence and in many cases guiding principles is evident everywhere and in many cases forms the keystone of modern Japanese society and culture The contributors to this book explore the impact of the yakeato generation and their literary creative and cultural and works on the postwar period by drawing out the importance of the legacy of those people who truly survived the darkest hour of the twentieth century and re evaluate the ramifications of their experiences in contemporary Japanese society and culture As such this book will be of huge interest to those studying Japanese history literature poetry and cultural studies

The Rise of East Asia Mark Berger, Douglas Borer, 2002-09-11 There is great interest in the Pacific Century and what its implications for the future will be The rapid economic growth of East Asia was already setting the region apart from the rest of the world by the 1970s By the 1980s the trend was seen to have spread southward to Thailand Malaysia and Indonesia while China s provinces had also become integral to the regional economic boom In this exciting new study many of the ideas and expectations associated with the Pacific Century are placed under critical scrutiny The book includes studies of particular countries such as China Japan South Korea Vietnam Indonesia and Malaysia There is analysis of economic and political trends in the region the reasons behind its rise and its importance on a global scale The rise of East Asia represents an historic turning point with immense significance world wide This book will be of interest to anyone concerned about the new approaches to and the debate about the rise of east Asia and the coming of the Pacific Century

Knowledge Production in Cold War Asia Yuka Tsuchiya Moriguchi, Shin Kawashima, Somei Kobayashi, 2025-04 From the end of the Second World War to the early 1970s new paradigms began to form in academic scientific and professional knowledge in various disciplines and fields not only in the United States but also in East Asia Drawing on a wealth of archival documents from East Asia Knowledge Production in Cold War Asia focuses on the building and rebuilding of these different forms of knowledge in or about East Asia during the first half of the Cold War It explores how this newly constructed knowledge came to assume certain norms professionals and bureaucrats of these countries tried to comply with and sometimes wrestled with The essays within this collection explore a wide variety of this knowledge production state centered promotions of construction and normalization of knowledge the ways in which non state actors were involved in the construction and normalization of knowledge and how individuals and groups who resisted or protested the hegemonic knowledge were constructed by state or non state actors A distinctive look at the Cold War through the research and perspectives of scholars from East Asia Knowledge Production in Cold War Asia insightfully highlights the role of knowledge production normalization and resistance in the Cold War era contributing to a fuller understanding of international relations

The Cold War and Asian Cinemas Poshek Fu, Man-Fung Yip, 2019-11-28 This book offers an interdisciplinary historically grounded study of Asian cinemas complex responses to the Cold War conflict It situates the global ideological rivalry within regional and local political social and cultural processes while offering a transnational and cross regional focus This volume makes a major contribution to constructing a cultural and popular cinema history of the global Cold War Its geographical focus is set on East Asia Southeast Asia and South Asia In adopting such an inclusive approach it draws attention to the different manifestations and meanings of the connections between the Cold War and cinema across Asian borders Many essays in the volume have a transnational and cross regional focus one that sheds light on Cold War influenced networks such as the circulation of socialist films across communist countries and on the efforts of American agencies such as the United States Information Service and the Asia Foundation to establish a transregional infrastructure of free cinema to contain the communist influences in Asia With its interdisciplinary orientation and broad geographical focus the book will appeal to scholars and students from a wide variety of fields including film studies history especially the burgeoning field of cultural Cold War studies Asian studies and US Asian cultural relations

[The Battle for Asia](#) Mark T. Berger, 2004-03 This book is a history of the Asian region from 1945 to the present day which delineates the various ideological battles over Asia s

development *Public Health and National Reconstruction in Post-War Asia* Liping Bu, Ka-che Yip, 2014-08-13 This book based on extensive original research considers the transformation of public health systems in major East South and Southeast Asian countries in the period following the Second World War It examines how public health concepts policies institutions and practices were improved shows how international health standards were implemented sometimes through the direct intervention of transnational organisations and explores how indigenous traditions and local social and cultural concerns affected developments with in some cases the construction of public health systems forming an important part of nation building in post war and post independence countries Throughout the book relates developments in public health systems to people s health demographic changes and economic and social reconstruction projects *Japan and Reconciliation in Post-war Asia* K. Togo, 2012-10-30 Taking a comparative approach and bringing together perspectives from Japan China Korea and Taiwan this volume considers former Japanese prime minister Tomiichi Murayama s 1995 apology statement the height of Japan s post war apology and examines its implications for memory international relations and reconciliation in Asia *Remapping the Cold War in Asian Cinemas* Sangjoon Lee, Darlene Espena, 2025-10-01 This book is about cinema and the cultural Cold War in Asia set against the larger history of the cultural political and institutional linkages between the US Europe and Asia at the height of the Cold War From the popularity of CIA sponsored espionage films in Hong Kong and South Korea to the enduring Cold War rhetoric of brotherly relations in contemporary Sino Indian co production cinema has always been a focal point of the cultural Cold War in Asia Historically both the United States and the Soviet Union viewed cinema as a powerful weapon in the battle to win hearts and minds not just in Europe but also in Asia The Cold War in Asia was properly speaking a hot war with proxy military confrontations between the United States on one side and the Soviet Union and China on the other Amid this political and military turbulence cataclysmic shifts occurred in the culture and history of Asian cinemas as well as in the latitude of US cultural diplomacy in Asia The collection of essays in this volume sheds light on the often forgotten history of the cultural Cold War in Asia Taken together the volume s fifteen chapters examine film cultures and industries in Asia to showcase the magnitude and depth of the Cold War s impact on Asian cinemas societies and politics By shifting the lens to Asia the contributors to this volume re examine the dominant narratives about the global Cold War and highlight the complex and unique ways in which Asian societies negotiated contested and adapted to the politics and cultural manifestations of the Cold War *The Cold War* Spencer C. Tucker, 2020-10-27 This sweeping reference work covers every aspect of the Cold War from its ignition in the ashes of World War II through the Berlin Wall and the Cuban Missile Crisis to the collapse of the Soviet Union in 1991 The Cold War superpower face off between the Soviet Union and the United States dominated international affairs in the second half of the 20th century and still reverberates around the world today This comprehensive and insightful multivolume set provides authoritative entries on all aspects of this world changing event including wars new military technologies diplomatic

initiatives espionage activities important individuals and organizations economic developments societal and cultural events and more This expansive coverage provides readers with the necessary context to understand the many facets of this complex conflict The work begins with a preface and introduction and then offers illuminating introductory essays on the origins and course of the Cold War which are followed by some 1 500 entries on key individuals wars battles weapons systems diplomacy politics economics and art and culture Each entry has cross references and a list of books for further reading The text includes more than 100 key primary source documents a detailed chronology a glossary and a selective bibliography Numerous illustrations and maps are inset throughout to provide additional context to the material
