China Mysteries Jeffrey C. Kinkley,2023-12-31 With the 1989 Beijing massacre fading from popular memory in the West China from the mid 1990s to a few years ago felt more open than ever to global trade communication travel and cultural and educational exchanges There was even talk in the mainstream press that China was heading toward a more democratic future It was during this second Sino Western honeymoon that authors in the US Canada France the UK and elsewhere began writing mystery fiction set in contemporary China in their regional languages These China mysteries crime detective and mystery thriller novels that take place in China but were not written or published there formed a new genre of popular fiction that highlighted the world s hopes and fears after Tiananmen The multinational and multicultural writers of China mysteries among them ex PRC nationals like Qiu Xiaolong Zhang Xinxin and Diane Wei Liang converged on the China Mainland to negotiate political and cultural complexities through crime fiction plotlines Their books emerged from Western lineages of the modern novel and popular genre fiction with Chinese contributions and depended on Western commercial publishing models shaped by cultural national political and economic factors This work examines more than a hundred China mysteries many describing and analyzing social and economic changes at the center of modern life in China to provide a brief history of the genre and analyze the formulaic and original elements of the mysteries including their attention to matters of location social content characterization history and biography It also highlights the role of information acquisition as a motivation for readers and authors of popular fiction which has become a topic of discussion in Chinese literature studies With its timely commentary on Sino Western relations as presented through crime fiction China Mysteries will appeal to students and scholars of contemporary Chinese literature and culture as well as fans of crime novels and others who are curious about the global

dimensions of the genre and how it complicates our understanding of world literature *The Way the Money Goes* Christopher Hood, Maia King, Iain McLean, Barbara Maria Piotrowska, 2023-09-28 *The Way the Money Goes* traces out what happened to the UK's fiscal constitution the framework for planning and controlling public spending under three different governments Conservative Labour Conservative Liberal Democrat from the early 1990s to the mid 2010s The book tells the story of what happened under each government and combines narrative with vignettes that range from the funding of a new Treasury building to efforts to crowdsource ideas for spending cuts It also includes chapters devoted to different domains of spending control namely capital spending spending by subnational governments running cost expenditure fiscal forecasting and the development of new accounting metrics This book is based on over 120 in depth interviews of civil servants and ministers who were involved in public spending over the period as well as documents from the same timeframe It explores how and why despite much talk of change and reform in everything from parliamentary procedure to bureaucratic processes many of the underlying features of the UK's fiscal constitution persisted including arrangements for formula funding of the different countries within the union designed as a temporary stopgap in the transition to devolution To put UK developments into perspective the book includes a discussion of how the UK system was rated in reports from international bodies over the period which suggests that in such exercises the more political parts of the fiscal constitution were rated differently from the more technocratic parts Given several volcanic type political eruptions in the UK over recent years the book concludes by exploring some different possible scenarios for the future of its fiscal constitution in the light of those and other possible eruptions to come *Representing the Nation* Jessica Evans, David Boswell, 1999 *Representing the Nation* gathers key writings from leading cultural thinkers to ask what role cultural institutions play in creating and shaping our sense of ourselves as a nation **Lincoln's Spymaster** David Hepburn Milton, 2017-09-15 Details the overseas diplomatic and intelligence contest between Union and Confederate governments Documents the historically neglected Thomas Haines Dudley and his European network of agents Explores the actions that forced neutrality between England and the Union The American Civil War conjures images of bloody battlefields in the eastern United States Few are aware of the equally important diplomatic and intelligence contest between the North and South in Europe While the Confederacy eagerly sought the approval of Great Britain as a strategic ally the Union utilized diplomacy and espionage to avert both the construction of a Confederate navy and the threat of war with England **British and Colonial Printer and Stationer**, 1912 **Publishers' Circular and Booksellers' Record of British and Foreign Literature**, 1908 **Canadian Moving Picture Digest**, 1918 *Video Source Book*, 2008 **Chase's Calendar of Events 2019** Editors of Chase's, 2018-09-30 Find out what's going on any day of the year anywhere across the globe The world's date book Chase's is the definitive day by day resource of what America and the world are celebrating and commemorating From national days to celebrity birthdays from historical anniversaries to astronomical phenomena from award ceremonies and sporting events to religious

festivals and carnivals Chase s is the must have reference used by experts and professionals a one stop shop with 12 500 entries for everything that is happening now or is worth remembering from the past Completely updated for 2019 Chase s also features extensive appendices as well as a companion website that puts the power of Chase s at the user s fingertips 2019 is packed with special events and observances including The International Year of the Periodic Table of Chemical Elements The Transit of Mercury National days and public holidays of every nation on Earth Celebrations and observances of Leonardo da Vinci s 500th death anniversary The 100th anniversary of the 1919 World Series Scandal The 50th anniversary of the Apollo 11 moon landing The 200th birthdays of Queen Victoria and Walt Whitman The 150th birth anniversary of Mohandas Gandhi and the 100th birth anniversary of Jackie Robinson Scores of new holidays and national days Birthdays of new world leaders office holders and breakout stars And much more All from the reference book that NPR s Planet Money calls the Oxford English Dictionary of holidays

Underwater and Maritime Archaeology in Latin America and the Caribbean Margaret E Leshikar-Denton, Pilar Luna Erreguerena, 2016-06-03 The waters of Latin America and the Caribbean are rich with archaeological sites including coastal settlements defensive forts freshwater sources fishing related activities navigational aids anchorages harbours ports shipbuilding sites shipwrecks and survivor camps Tragically treasure hunting has had a deep impact on these maritime cultural resources especially on shipwrecks In the last 20 years archaeologists have been fighting the battle against these treasure hunters in an attempt to preserve these resources as a source of cultural heritage rather than allow them to be viewed solely as a means for financial reward Case studies written primarily by Latin American and Caribbean archaeologists demonstrate exciting and cutting edge research conservation site preservation and interpretation As a result this groundbreaking book documents the emerging research interests of maritime archaeologists in Latin America and the Caribbean

British Film Noir Guide Michael F. Keaney, 2011-01-05 This work presents 369 British films produced between 1937 and 1964 that embody many of the same filmic qualities as those black films made in the United States during the classic film noir era This reference work makes a case for the inclusion of the British films in the film noir canon which is still considered by some to be an exclusively American inventory In the book s main section the following information is presented for each film a quote from the film the title and release date a rating based on the five star system the production company director cinematographer screenwriter and main performers and a plot synopsis with author commentary Appendices categorize films by rating release date director and cinematographer and also provide a noir and non noir breakdown of the 47 films presented on the Edgar Wallace Mystery Theatre a 1960s British television series that was also shown in the United States

Serials and Series Buck Rainey, 2010-04-06 While many fans remember The Lone Ranger Ace Drummond and others fewer focus on the facts that serials had their roots in silent film and that many foreign studios also produced serials though few made it to the United States The 471 serials and 100 series continuing productions without the cliffhanger endings from the United States and 136 serials and 37 series from other countries are included in this

comprehensive reference work Each entry includes title country of origin year studio number of episodes running time or number of reels episode titles cast production credits and a plot synopsis
