The Real History of the End of the World Sharan

Newman, 2010-04-06 From the author of *The Real History Behind the Templars* the origins and stories behind end of the world predictions throughout history from Revelations to 2012 In entertaining and sharp prose historian Sharan Newman explores theories of world destruction from ancient times up to the present day theories which reveal as much about human nature as they do about the predominant historical scientific and religious beliefs of the time Readers will find answers to the following end of times questions Did the Mayans really say the world will end in December 2012 How have the signs in the New Testament Book of Revelations been interpreted over the years How did ancient Egyptians Norse and Chinese think the world would end When did Nostradamus predict that the last days would come Does the I Ching reference 2012 Why didn't the world end in Y2K Are meteors global warming super volcanoes and the threat of nuclear war signs that the end is near

The End of the World Marcia Sa Cavalcante Schuback, Susanna Lindberg, 2017-03-29 The end of the world opens up philosophical questions concerning the very notion of the world which is a fundamental element of all existential phenomenological and hermeneutical philosophy Is the end of the world for us somebody's death the end of being in the world or the extinction of many or of all the end of the world itself Is the erosion of the world a phenomenon that does not in fact affect the notion of the world as a fundamental feature of all existential ontological inquiry This volume examines the present state of these concerns in philosophy film and literature It presents a philosophical hermeneutics of the present state of the world and explores the principal questions of the philosophical accounts of the end of the world such as finality and finitude It also shows how literature and cinema have ventured to express the end of the world while asking if a consequent expression of the end of the world is also an end of its expression

History at the End of the World? History Climate Change and the Possibility of Closure Mark Levene, Robert Johnson, Penny Roberts, 2010-01-01 This collection of essays

proposes that climate change means serious peril Our argument however is not about the science per se It is about us our deep and more recent history and how we arrived at this calamitous impasse With contributions from academic activists and independent researchers *History at the End of the World* challenges advocates of business as usual to think again But in its wide ranging assessment of how we transcend the current crisis it also proposes that the human past could be our most powerful resource in the struggle for survival Our approaches begin from archaeology literature religion psychology sociology philosophy of science engineering and sustainable development as well as straight history

*A Brief History of the End of the F*cking World* Tom Phillips, 2025-02-27 Superb entertaining Phillips traverses this sprawling terrain with energy and charm Telegraph Exceptionally funny from cover to cover it is not only an entertaining read but also deeply researched and thoughtful Irish Independent Fans of Phillips's earlier books *Humans* and *Truth* will be pleased that the ex BuzzFeed editor is on form not letting the grimness of his subject spoil his gagsmithery Guardian A great read Phillips fills his timeline

of unfilled apocalypses with wry humour New Scientist Do you feel like we're living in the end times Does it seem like everything is on fire That one disaster follows another Here's some comforting news you're not the first to feel that way If there's one thing that people throughout history have agreed on it's that the end of the world has always been very f*cking nigh This book is about the apocalypse and the many ways we've incorrectly predicted that the world would end From ancient times to the modern day it's a tale of weird cults failed prophets and bored suburbanites waiting for aliens to rescue them plus one very unfortunate chicken But why are we obsessed with a prediction that hasn't ever come true Yet And after 3 000 years of getting it wrong how can we learn to live in a world which feels like it could all burn down tomorrow Praise for the Brief History series Uproarious Abundant good humour The Times Witty entertaining and slightly distressing You should probably read it Sarah Knight author of The Life Changing Magic of Not Giving a F*ck Brilliant Utterly utterly brilliant Jeremy Clarkson Very funny Mark Watson Both readable and entertaining Telegraph

The Apocalypse and the End of History Suzanne Schneider, 2021-09-07 How the political violence of modern jihad echoes the crises of western liberalism In this authoritative accessible study historian Suzanne Schneider examines the politics and ideology of the Islamic State better known as ISIS Schneider argues that today's jihad is not the residue from a less enlightened time nor does it have much in common with its classical or medieval form but it does bear a striking resemblance to the reactionary political formations and acts of spectacular violence that are upending life in Western democracies From authoritarian populism to mass shootings xenophobic nationalism and the allure of conspiratorial thinking Schneider argues that modern jihad is not the antithesis to western neoliberalism but rather a dark reflection of its inner logic Written with the sensibility of a political theorist and based on extensive research into a wide range of sources from Islamic jurisprudence to popular recruitment videos contemporary apocalyptic literature and the Islamic State's Arabic language publications the book explores modern jihad as an image of a potential dark future already heralded by neoliberal modes of life Surveying ideas of the state violence identity and political community Schneider argues that modern jihad and neoliberalism are two versions of a politics of failure the inability to imagine a better life here on earth
