The End Times Made Simple How Could Everybody Be So Wrong About Biblical Prophecy:

The End Times Made Simple Samuel E. Waldron, 2007-08 Rapture Pre Trib Post Trib Millenium Confused You should be In today s Evangelical Christian world eschatology or the study of the last things has been turned into a sort of pseudo science with a plethora of authors claiming to know exactly the scenario of events that are to take place just prior to the Lord Jesus Christ s return Samuel Waldron s thesis is that there is This Age and The Age to Come we will be or are in either one or the other Any End Times system that forms a hybrid of these two or contradicts this simple formula is unbiblical and should be rejected Biblical Eschatology, Second Edition Jonathan Menn, 2018-03-07 Biblical Eschatology provides what is not found in any other single volume on eschatology it analyzes all the major eschatological passages including the Olivet Discourse and the book of Revelation issues including the second coming of Christ the millennium the rapture and Antichrist and positions including all the major views of the millennium in a clear but not superficial way The book concludes with a chapter showing how eschatology is relevant for our lives Biblical Eschatology makes understanding eschatology easier by including chapters on how to interpret prophecy and apocalyptic literature by showing the history of eschatological thought and by placing eschatology in the context of the Bible s overall story line and structure Clarity and understanding are enhanced by the use of comparative tables and appendices Subject and Scripture indexes are included The book interacts with the best of Evangelical and Reformed scholarship and the extensive bibliography which includes the web addresses of many online resources provides an excellent source for the reader s further study This is a perfect resource for intelligent Christians including pastors students and teachers who desire to understand eschatology and to see how it fits together with the rest of the Bible **More of the End Times Made Simple** Samuel E. Waldron, 2009-12 This book is the second installment in Dr Waldron s groundbreaking work The End Times Made Simple in which he deftly dismantled the interpretive view that dispensationalists have of prophecy in general This book goes a step further arguing that there are consequences to our eschatological i e End Times views The reader will find powerful and cogent arguments for a strictly biblical hermeneutic free from forced interpretations and presuppositions that have little to do with the actual Word of God Some of the topics covered are how we approach biblical interpretation in general and prophetic interpretation in particular and whether there is a distinction between Israel and the church or is the church the Israel of God This book will change the way the reader approaches the great prophecies of the Bible and will give the reader a renewed appreciation for the Lord Jesus Christ and His plan for His church **Weekly World News** , 1996-06-18 Rooted in the creative success of over 30 years of supermarket tabloid publishing the Weekly World News has been the world s only reliable news source since 1979 The online hub www.weeklyworldnews.com is a leading entertainment news site Biblical Eschatology: Dr. Justin G. Prock, 2021-06-20 In recent history men from a variety of backgrounds have come to the same conclusion that the Bible is about Israel only For example In 1861 John Mason Neale translated an ancient twelfth century Latin hymn and its title was O

Come O Come Emmanuel Ever since 1861 Christians have sung that hymn at Christmas time especially at Advent Do you know what the words really mean that you are singing In 1878 Edward Hine wrote an article titled Seven Eighths of the Bible Misunderstood wherein he explains that seven eighths of the Bible is about national salvation i e the national salvation of True Israel whereas only one eighth of the Bible is about personal salvation Did you know that In the 1960 s Pastor Sheldon Emry wrote an article title An Open Letter to Any Minister Who Teaches the Jews Are Israel wherein he is of the opinion that the Israel that exists today since 1948 is not the True Israel of the Bible In 1998 Arnold E Kennedy wrote a book titled The Exclusiveness of Israel wherein he legally proves using the King James Version of the Bible that the Bible in general is only about True Israel So here we are in the Twenty First Century and the Gospel that is preached today is totally convoluted from that which was preached in the First Century A D by Yahshuah and His disciples i e the Gospel of the Kingdom So where did the so called churches and pastors go wrong By the way is there really a hierarchy in the Bible In order to find out what the truth really is we have to look at the original languages in which the Bible was written and then translated For example the Old Testament was written in Hebrew and Aramaic then translated into Greek The New Testament was written in Hebrew and Greek Both Testaments were put together and translated into Latin then German and finally into English from which the entire world received their own translation of the Bible So what was the original meaning of the words used in the original languages i e the etymology of the words Once that is determined then we can go onto the next phase and discuss types in the Bible From there what is the Law of First Mention How should Bible prophecy be Interpreted Who are the keys to Bible prophecy Where are we in the Bible prophecy timeline During these discussions we will find out who Yahweh chose of all the families of the earth to make His own The churches teach universalism The question then becomes Who was Yahweh s Law given to What are the Laws of Yahweh And then the even bigger question becomes Who was Yahshuah sent to All of these questions and more will be answered as you read this book

Unraptured Zack Hunt,2019-03-19 Are you rapture ready As a teenager in the buckle of the Bible Belt Zack Hunt was convinced the rapture would happen at any moment Being ready meant never missing church never sinning and always listening to Christian radio But when the rapture didn t happen Hunt s tightly wound faith began to fray If he had been wrong about the rapture what else about his faith might not hold water Part memoir part tour of the apocalypse and part call to action Unraptured traces how the church s focus on escaping to heaven has it mired in decay Teetering on the brink of irrelevancy in a world rocked by refugee crises climate change war and rumors of war the church cannot afford to focus on the end times instead of following Jesus in the here and now Unraptured uses these signs of the times to help readers reorient their understanding of the gospel around loving and caring for the least of these

Howe,2011-10-27 If The West Falls If the West Falls is the result of four years of research that began when the author learned that she was a target of US Government sponsored Organized Vigilante Stalking Her investigation into the crime that had been committed against her led her to an understanding of the crime that is being committed by the United States government against the people of this nation and the rest of the world The authors investigation reveals The presence of a fascist underground

controlling the life of this nation and the lives of American people The plans of secret societies such as the Bilderbergers the Trilateral Commission and the Council of Foreign relations to dissolve the national sovereignty of the United States of America The influence of the occult in public institutions and the American Christian Church Crimes being committed by US governing officials being covered up by the National Security Act including the exploitation of children Exploitation of American citizens and people around the world under the Patriot Act and the Military Commissions Act The Monthly paper of Sunday teaching ,1863 God and the Spiritual Tsunami Kjell Axel Johanson,2018-06-22 God is clearly at work today There is a cultural political and religious metaphorical tsunami gathering power under the surface of ordinary world events and when it is fully released it will turn the world as we now know it upside down Thousands upon thousands of Muslims Buddhists Hindus and nominal Christians become followers of Jesus Christ every day and the effects are enormous The premises of this book are There is a God and the belief in God is a moral and not an intellectual question God created mankind out of his goodness as his representatives on Earth Since God is by nature good and generous the essence of sin is to doubt this goodness and walk away from him God nonetheless continues to seek man in order to bless him and he has an encompassing plan to accomplish that purpose He began this purpose through his covenant with Abraham and is fulfilling it through Jesus Christ Contemporary evidence of this purpose can be seen clearly in what he is doing right before us We see it in the nation of Israel through the growth of the church and the persecution of the church Battle Cry Compendium: Vol: 5, No 1-52 Dr. D.
