The Ending:

Get to the End Michael Hickey, 2016-03-07 *Get to the End* is written about the end times i.e. the end of the world and history as we know it. But it is written from a Catholic perspective. There are many books on the market that speak to the end times; however, they are all written from a Protestant perspective and for the most part they are written by Christians from conservative churches who are generally Fundamentalist Christians. There are virtually no books written about the end times from a Catholic perspective. The few that have been written with a Catholic perspective of the end times have been written for the most part by Catholic priests and they are generally weighed down heavily in doctrine and dogma. This will be one of the first on the subject written by a Catholic layman who has a broader perspective than Catholic Doctrine and Dogma and who views himself as uniquely in the world but not of the world. *The End of Tsarist Russia* Dominic Lieven, 2016-08-16 An Economist Best Book of the Year A Financial Times Best Book of the Year Winner of the the Pushkin House Russian Book Prize Finalist for the Lionel Gelber Prize An Amazon Best Book of the Month History One of the world's leading scholars offers a fresh interpretation of the linked origins of World War I and the Russian Revolution. Lieven has a double gift: first for harvesting details to convey the essence of an era and second for finding new startling and clarifying elements in familiar stories. This is history with a heartbeat and it could not be more engrossing. Foreign Affairs World War I and the Russian Revolution together shaped the twentieth century in profound ways. In *The End of Tsarist Russia* acclaimed scholar Dominic Lieven connects for the first time the two events providing both a history of the First World War's origins from a Russian perspective and an international history of why the revolution happened. Based on exhaustive work in seven Russian archives as well as many non-Russian sources, Dominic Lieven's work is about far more than just Russia. By placing the crisis of empire at its core, Lieven links World War I to the sweep of twentieth century global history. He shows how contemporary hot issues such as the struggle for Ukraine were already crucial elements in the run up to 1914. By incorporating into his book new approaches and comparisons, Lieven tells the story of war and revolution in a way that is truly original and thought provoking.

History at the End of the World Mark Levene, Rob Johnson, Penny Roberts, 2010 The authors of this collection of essays propose that climate change means serious peril. The approaches begin from archaeology, literature, religion, psychology, sociology, philosophy of science, engineering and sustainable development as well as straight history. Our argument, however, is not about the science per se. It is about us, our deep and more recent history and how we arrived at this calamitous impasse. With contributions from academic activists and independent researchers, *History at the End of the World* challenges advocates of business as usual to think again. But in its wide-ranging assessment of how we transcend the current crisis, it also proposes that the human past could be our most powerful resource in the struggle for survival. **Jonathan Edwards' Concerning The End for Which God Created the World** Walter J. Schultz, 2020-01-20 This book is an exposition of Jonathan Edwards' argumentation in his dissertation *Concerning the End for Which God Created the World*. In addition to

stating Edwards theses regarding God's end and motivation in creation this book identifies and discusses the assumptions of his argumentation analyses and explains its crucial components and explores its philosophical implications These implications include a version of exemplarism i.e. the nature of God's ideas for creation dispositionalism i.e. the characteristics of God which explain God's motivation and emanationism i.e. what God shares of himself with persons who have a living faith in Christ These entail a view of idealism i.e. a view of the ultimate ontological ground of the universe God's temporal nature continuous creationism i.e. how God sustains creation a version of panentheism i.e. how God who is infinite is related to creation from which God is absolutely distinct and occasionalism i.e. the nature of causation of physical events or states of creation These concepts and what they entail constitute a complete metaphysical system providing a thoroughgoing divine action understanding of the foundation of reality For Jonathan Edwards God's acting according to his plans for his purposes in Christ is fundamental to all things Were we to have an understanding of how the fundamental concepts of science mathematics and ordinary experience are related in reality to the God who acts for his original ultimate end in creation sustaining the universe while providentially guiding its affairs and working redemption we would have the opportunity to develop these as he had hoped he pointed the way for others to follow

[The End of the Story](#) Lydia Davis, 2014-04-08 The End of the Story is an energetic candid and funny novel about an enduring obsession and a woman's attempt to control it by the telling of the story of it With ruthless honesty artful analysis and crystalline depictions of human and natural landscapes Lydia Davis's novel offers a compelling illumination of the dilemmas of loss and the process of remembering

The Perils and Promise of Moroccan Cinema Kevin Dwyer, 2025-03-13 Based on extended field research and meetings with members of Morocco's film world this book traces the development of Moroccan cinema over the past three decades Drawing from his extensive work on Moroccan cinema Kevin Dwyer discusses important aspects of Moroccan film culture such as freedom of expression the role of women cultural diversity the promotion of culture the role of humor the shifting emphasis on the urban autobiographical aspects of films and the development of documentary films Dwyer closely analyzes a significant number of Moroccan films providing crucial details about filmmakers historical context and comparisons with the cinemas of Tunisia Algeria and Egypt

Kuki Book One - The End Lumix De Luminous, 2009-09-19 Book one is a tale set in the altered world following the war of the gods Life cycled on for ages burying the ancient tales beneath mounds of time Dependence and submission to the gods had become a religion of sort and the end was far from their thoughts Kutri's gods had been passively idle for ages but now she was fully ripe for the fulfillment of prophecies As time weaved its way through the paths of destiny Kutri struggled to resist her fate This time it was too late the gods were out to play Soon an epic battle emerged kingdom marching out against kingdom This is the story of how they fell

The End of the Russian Imperial Army, Volume II Allan K. Wildman, 2019-10-08 Allan Wildman presents the first detailed study of the Army's collapse under the strains of war and of the front soldiers efforts to participate in the Revolution Originally published in 1987 The Princeton Legacy Library

uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905

Prophets of Old and the Day of the End Eibert J. C. Tigchelaar, 1996 This book presents many new insights in the biblical Book of Zechariah and the Book of Watchers 1 Enoch 1 36 Moreover it highlights some aspects of early Jewish apocalyptic which were previously less acknowledged

On the End of Privacy Richard E. Miller, 2019-03-28 In preparation for this book and to better understand our screen based digital world Miller only accessed information online for seven years On the End of Privacy explores how literacy is transformed by online technology that lets us instantly publish anything that we can see or hear Miller examines the 2010 suicide of Tyler Clementi a young college student who jumped off the George Washington Bridge after he discovered that his roommate spied on him via webcam With access to the text messages tweets and chatroom posts of those directly involved in this tragedy Miller asks why did no one intervene to stop the spying Searching for an answer to that question leads Miller to online porn sites the invention of Facebook the court martial of Chelsea Manning the contents of Hillary Clinton's email server Anthony Weiner's sexted images Chatroulette and more as he maps out the changing norms governing privacy in the digital age

The Gospel according to Mark Camille Focant, 2012-07-06 The world to which the Gospel of Mark introduces its reader is a world of conflicts and suspense enigmas and secrets questions and overturning of evidence irony and surprise Its principal actor Jesus is perplexing in the extreme He is evidently so for the religious authorities who oppose him but also for his disciples who shift from incomprehension to opposition and flight Questions of meaning life and death good and evil are continually broached This narrative is a subtle invitation to enter into a new world that of the coming Reign of God in which the first are last and whoever wants to save his life must lose it This commentary on the Gospel of Mark has been enthusiastically reviewed in the French edition as one of the best current commentaries on Mark As a narrative critical commentary it favors an interpretation of the Gospel that tries to grasp the dynamic of the text taken as a whole Even if the technical vocabulary of narrative analysis is not used and the main results of the historical critical criticism particularly those of redaction criticism are not neglected as the notes will reveal it is narrative criticism that guides the proceedings

Does Mark 16:9-20 Belong in the New Testament? David W. Hester, 2015-03-19 For almost fifty years much has been written concerning Mark 16 9 20 During the same time period evidence once counted against Mark 16 9 20 was shown to be otherwise In this study David W Hester surveys modern scholarship 1965 2011 surrounding the passage He examines the passage itself the external evidence with particular attention paid to the manuscripts and the patristics especially those of the second and third centuries and the internal evidence featuring details that are problematic as well as those that favor Markan authorship Finally a proposal concerning

the origin of the passage is presented The first edition of Mark's Gospel ended at 16:8 resulting in the manuscript tradition that omits the passage but this was not his intended ending Later his associates attached Mark's notes and published a second edition of the Gospel with the last twelve verses This led to its inclusion Given that the passage is cited by second and third century witnesses and attributed to Mark along with the biblical prohibition against adding to or taking from Scripture it is doubtful that an anonymous second century author could have been successful in adding his own composition and it being widely accepted by the early church

Glory and the End Times David Herzog, 2025-08-05 THE END TIMES ARE HERE ARE YOU MOVING IN GOD'S GLORY The world is shaking Nations are in turmoil Unprecedented events are unfolding before our eyes But in the midst of chaos God is releasing His tangible glory a supernatural realm where miracles signs and wonders accelerate like never before Bestselling author stadium evangelist and prophetic minister David Herzog reveals the divine blueprint for navigating the last days with power boldness and an open heaven Drawing from Scripture firsthand encounters and supernatural testimonies he unveils how the glory of God is manifesting now and why those who step into it will walk in greater miracles than ever before In this prophetic guide you will discover how to Recognize the signs of the end times and align yourself with heaven's agenda Step into the glory realm where healings creative miracles and divine acceleration take place Partner with angelic hosts to break strongholds and shift spiritual atmospheres Activate the power of the blood of Jesus for supernatural protection and breakthrough Move in faith that overrides natural limitations walking in the miraculous daily As darkness increases so does the tangible presence of God bringing supernatural provision divine protection and miraculous encounters to those who press into Him Now is the time to step out of fear and step into the glory that will sustain you in this final hour Signs and wonders will follow those who move in the Glory this is not just for revival but for supernatural survival in the end times David Herzog Key Revelations Include How God's glory releases supernatural healing provision and deliverance Why miracles increase during times of shaking and uncertainty The connection between Israel global events and the final outpouring of glory How to discern demonic opposition and operate in victory through the authority of Jesus Why some believers will be unkillable in the last days moving in divine protection Perfect for Believers hungry to encounter God's tangible glory Those seeking a supernatural lifestyle of signs wonders and miracles Prophetic and Spirit filled Christians who want to understand the end time move of God Anyone desiring to experience heavenly realities now and not just in eternity The enemy is waging war but God's power is intensifying The question is are you ready to step into the glory and see the miraculous

The End of Days: Fundamentalism and the Struggle for the Temple Mount Gershom Gorenberg, 2002-03-15 In this provocative work seasoned journalist Gershom Gorenberg portrays a deadly mix of religious extremism violence and Mideast politics as expressed in the struggle for the sacred center of Jerusalem Known to Jews and Christians as the Temple Mount and to Muslims as the Noble Sanctuary this thirty five acre enclosure at the

southeast corner of Jerusalem's Old City is the most contested piece of real estate on earth. Here nationalism combines with fundamentalist faith in a volatile brew. Members of the world's three major monotheistic faiths—Judaism, Christianity, and Islam—hold this spot to be the key to salvation as they await the end of the world and struggle to fulfill conflicting religious prophecies with dangerous political consequences. Adroitly portraying American radio evangelists of the End, radical Palestinian sheikhs, and Israeli ex-terrorists, Gorenberg explains why believers hope for the End and why prominent American fundamentalists provide hard-line support for Israel while looking forward to the apocalypse. He makes sense of the messianic fervor that has driven some Israeli settlers to oppose peace. And he describes the Islamic apocalyptic visions that cast Israel's actions in Jerusalem as diabolic plots. *The End of Days* shows how conflict over Jerusalem and the fiery belief in apocalypse continue to have a potent impact on world politics and why a lasting peace in the Middle East continues to prove elusive.

The End Of Reform Alan Brinkley, 2011-09-21 At a time when liberalism is in disarray, this vastly illuminating book locates the origins of its crisis. Those origins, says Alan Brinkley, are paradoxically situated during the second term of Franklin Delano Roosevelt, whose New Deal had made liberalism a fixture of American politics and society. *The End of Reform* shows how the liberalism of the early New Deal, which set out to repair and, if necessary, restructure America's economy, gave way to its contemporary counterpart, which is less hostile to corporate capitalism and more solicitous of individual rights. Clearly and dramatically, Brinkley identifies the personalities and events responsible for this transformation while pointing to the broader trends in American society that made the politics of reform increasingly popular. It is both a major reinterpretation of the New Deal and a crucial map of the road to today's political landscape.

The Particle at the End of the Universe Sean Carroll, 2013-08-27 The Higgs boson is the key to understanding why mass exists and how atoms are possible. After billions of dollars and decades of effort by more than six thousand researchers at the Large Hadron Collider in Switzerland, a doorway is opening into the mind-boggling world of dark matter and beyond. Caltech physicist and acclaimed writer Sean Carroll explains both the importance of the Higgs boson and the ultimately human story behind the greatest scientific achievement of our time.

The Lost Message of the End Times Ian Miller, 2021-08-05 The second coming is perhaps the most confusing, controversial, and contentious of biblical doctrines. In *The Lost Message of the End Times*, Ian Miller guides the reader through the many Old and New Testament prophecies that speak of Jesus's return. As he does so, he brings their powerful, hope-filled faith-inspiring and life-changing message to life. With clear and easily understood explanations, this book will show you how the Scriptures reveal a world of promise, not fear; a kingdom present, not to come; and the powerful bride as she is, not one that needs to be raptured away.

Allegories of the End of Capitalism Milo Sweedler, 2020-01-31 In *Allegories of the End of Capitalism*, Milo Sweedler deconstructs the events of films *Melancholia*, *Cosmopolis*, *Suffragette*, *Django Unchained*, *Elysium*, and *Snowpiercer*, the socio-political contexts they arise from and enter into, and their impact on contemporary culture and life. He examines how filmmakers from six different countries across four continents give narrative

and audio visual form to the frustration and anger that burst into public view in 2011 the ongoing class war between the super rich and the rest of the world s population and the insurrection that it yet to come **Values at the End of Life** Roi Livne,2019-06-10 Once defiant of death or even in denial many American families and health care professionals are embracing the notion that a life consumed by suffering may not be worth living Sociologist Roi Livne documents the rise and effectiveness of hospice and palliative care and the growing acceptance that less treatment may be better near the end of life
