Danger Close! Phil Gioia, 2022-06-15 Phil Gioia grew up an army brat during the decades after World War II Drawn to the military he attended the Virginia Military Institute then was commissioned in the U S Army where he completed Jump School and Ranger School Not even a year after college graduation he landed in Vietnam in early 1968 in the first weeks of the Tet offensive which marked a major escalation of the war Leading a platoon in the 82nd Airborne Division Gioia took his paratroopers into the lifting of the siege of Hu where death was always just around the corner and the grisly discovery of mass graves of those executed by the Vietcong during their occupation of the city Wounded he was sent home in April Released from hospital he commanded a paratroop company in the 82nd Airborne in 1968 returning to Vietnam with the hard hitting First Air Cavalry Division a year later this time leading a rucksack company of light infantry Inserted into far flung landing zones Gioia and his men patrolled the jungles and rubber plantations along the Cambodian border looking for a

furtive enemy who preferred ambushes to set piece battles and nighttime raids to daylight attacks Danger Close recounts the Vietnam War from the unique boots on the ground perspective of a young officer who served two tours in two different divisions He tells his story thoughtfully straightforwardly and always vividly from the raw emotions of unearthing massacred human beings to the terrors of fighting in the dark with red and green tracers slicing the air Hard to put down and hard to forget Danger Close will remind readers of the best Vietnam memoirs like *Guns Up and Baptism* **Scientific American** ,1883 **American Book Publishing Record** ,2002 **American Railroad Journal** ,1965 **Dow's Dictionary of Railway Quotations** Andrew Dow,2006-04-10 Dow s Dictionary of Railway Quotations is an authoritative compendium of quotations about railways from 1608 to the present day More than 3 400 entries are drawn from over 1 300 writers and speakers and a wide range of original sources both British and American Acts of Parliament poetry songs journals advertisements obituaries novels histories plays films office memoranda speeches newspapers television and radio broadcasts and private documents and conversations Here Andrew Dow records remarkable memorable words from the well known to the abstruse from the commonplace to the vital The selected quotations are arranged by subject matter and searchable by speaker subject and keyword Dow s Dictionary will inform and captivate railway enthusiasts along with readers interested in railway architecture engineering geography and history Railfan & Railroad ,2003 *The Stories of My Life* Victor Wilfred Rogers,2018-07-13 Inspired by a writing class and many people who told him Oh you have led such an interesting life with so many stories to tell he decided to write down some of those stories beginning with a brief synopsis on how his mother and father got to the point in their lives where his began While he was born in the United States he spent much of his childhood and young adult life in Canada and England He considered himself very fortunate to have traveled to so many places around the world This book is a collection of random stories from his life and an expression of how he marveled at the many technological changes that happened during his lifetime Breathes There a Soldier Lawrence H. Heatley,2001-10-28 World War II the most desperate struggle ever endured by mankind changed the world forever and those who fought in its battles Sergeant Robert Heatley a U S Army infantryman put pen to paper recording history as it was made *Breathes There A Soldier* the compilation of his journals brings to life the experiences both humorous and horrific of an American soldier in the Pacific Theater From the grind of combat training to the agony of the battlefield Sergeant Heatley s first person account of the 81st Infantry Division in World War II is a welcome addition to the genre of the U S Army s contribution to American history **The American Egypt** Channing Arnold,Frederick J. Tabor Frost,1909 *Yardarm and Cockpit* David D. Allyn,2014-04-01 David D Allyn has led a life that others can only dream about Adventurer traveler sailor aviator explorer and big hearted bon vivant Dave came of age while sailing around the world on the last voyage of the tall Brigantine Yankee with all the accompanying tales of drudgery and heat punctuated by terrifying gales tension amongst the crew members and a too close encounter with a one thousand pound bull shark Then there was the time he survived

emergency surgery on the ship's kitchen table An adrenaline junky Dave also flew planes back in the days when you needed a helmet and goggles to do it Aviators and historians will delight in his vivid accounts of flying vintage aircraft 139 different types in all as well as his stories of collecting a large fleet of famous old aircraft and establishing a fixed base operation it's still there Dolphin Aviation in Sarasota Florida and a museum These stories aren't just about boats and aircraft however they're also about people and pristine landscapes You'll visit Tahiti Bimini and the Galapagos before tourists got there You'll meet cowboys mechanics skydivers artists deep sea divers with a death wish crazy drunks and a host of other characters who knew how to live life large A life affirming swaggering book *Yardarm and Cockpit* is one wild ride without a seat belt *First* Lester Nuby Jr.,2012-07 Author Lester Nuby Jr began life in a dilapidated house in Bell Springs Mountain Alabama but now he is a successful businessman who doesn't have to worry about money It wasn't easy for Nuby to scrounge his way out of poverty a task made more difficult by the fact that his father was murdered just five months before he was born Nuby understood early on the difference between the haves and the have nots He made it his mission to break free of the bondage of poverty By the age of seven he had already started taking notes that would become the ingredients for a personalized formula for success By following this formula Nuby went from being a low level employee at a company with hundreds of workers to its front office in eight years When he became president CEO and chairman of the board the company had annual sales of 70 million he was just thirty four years old Join Nuby as he recalls how he broke the chains of poverty to lead companies throughout the world and take a new view of economic disparity and how to seek justice in *First Breaking Generational Poverty* **Nautical Research Journal** ,2002 *American Artist* Ernest William Watson,Arthur Leighton Guptill,1976 *Trains & Travel* ,1953
