**Robert Hogg**

## **The English Apple:**

*The English Apple* Rosanne Sanders, Harry Baker, 1988 An illustrated reference book which aims to reveal the wide range of English apples and their distinct shape colour and taste Included is a brief history of the apple in England and an essay on apple growing techniques

*Apple* Marcia Reiss, 2014-11-15 Gala and Honeycrisp Pink Lady and Pacific Rose King Luscious and Winesap The names of apples are as juicy as the fruit itself One of the most widely distributed fruits on the planet apples have always meant something beyond food and drink their seeds have been planted deep within the myths religion and art of nearly every culture They are symbols of beauty desire and sin signs of hidden poisons and healthy eating emblems of computers phones and music Exploring the symbolism art and literature of the apple as well as its botanical background Marcia Reiss follows this iconic fruit from its origins to its now ubiquitous presence in our world Journeying back to the apple s germination in the mountains of Central Asia Reiss travels along the Silk Road to Europe and the New World She reveals that from Charlemagne to Johnny Appleseed to the colonization of South Africa where settlers were required to plant apple orchards that led to the development of new towns apples have become a global commodity In addition to delving into the latest debates about chemical sprays Reiss looks at the rise of heirloom orchards and the hopes and fears of genetic developments She also tells the parallel tale of apple cider its decline during the Temperance Movement and its return as an artisanal alternative to wine Beautifully illustrated with historic and contemporary images and containing a directory of popular and heirloom varieties *Apple* is a book ripe for devouring

**Apples and Orchards since the Eighteenth Century** Joanna Crosby, 2023-11-16 Showing how the history of the apple goes far beyond the orchard and into the social cultural and technological developments of Britain and the USA this book takes an interdisciplinary approach to reveal the importance of the apple as a symbol of both tradition and innovation From the 18th century in Britain technology innovation in fruit production and orchard management resulted in new varieties of apples being cultivated and consumed while the orchard became a representation of stability In America orchards were contested spaces as planting seedling apple trees allowed settlers to lay a claim to land In this book Joanna Crosby explores how apples and orchards have reflected the social economic and cultural landscape of their times From the association between English apples and English virtues of plain speaking hard work and resultant high quality produce to practices of wassailing highlighting the effects of urbanisation and the decline of country ways and customs *Apples and Orchards from the Eighteenth Century* shows how this everyday fruit provides rich insights into a time of significant social change

**The New Book of Apples** Joan Morgan, 2013-06-06 This extraordinary book contains in one unique volume the most wide ranging history of apples ever written and a detailed survey of over 2 000 of the world s apple varieties Beautifully illustrated with 32 exquisite colour paintings the last edition of this book received many accolades and was quickly recognised as a classic Complete with a fully revised directory covering all the varieties of apple to be found in the world s largest apple collection *The New Book of Apples* includes full historical

geographical and botanical details as well as tasting notes on each type of apple Exploring the role of apples in cooking cider making gardening myth and medicine this is an indispensable reference guide **The Market Reporter** United States.

Bureau of Markets and Crop Estimates,1921 *Parliamentary Papers* Great Britain. Parliament. House of Commons,1839

*Reports from Committees* Great Britain. Parliament. House of Commons,1839 **Real England** Paul

Kingsnorth,2011-08-04 We see the signs around us every day the chain cabs and mobile phone outlets that dominate our high streets the disappearance of knobbly carrots from our supermarket shelves and the headlines about yet another traditional industry going to the wall For the first time here is a book that makes the connection between these isolated incremental local changes and the bigger picture of a nation whose identity is being eroded As he travels around the country meeting farmers fishermen and the inhabitants of Chinatown Paul Kingsnorth reports on the kind of conversations that are taking place in country pubs and corner shops across the land while reminding us that these quintessentially English institutions may soon cease to exist **Foreign Crops and Markets** ,1925 **Annual Report** Ontario. Department of

Agriculture,1882 **Report of the Fruit Growers' Association of Ontario** Fruit Growers' Association of Ontario,1882

The Apples of New York S. Ambrose Beach, *Edible Memory* Jennifer A. Jordan,2015-04-14 Each week during the growing season farmers markets offer up such delicious treasures as brandywine tomatoes cosmic purple carrots pink pearl apples and chioggia beets varieties of fruits and vegetables that are prized by home chefs and carefully stewarded by farmers from year to year These are the heirlooms and the antiques of the food world endowed with their own rich histories While cooking techniques and flavor fads have changed from generation to generation a Ribston Pippin apple today can taste just as flavorful as it did in the eighteenth century But how does an apple become an antique and a tomato an heirloom In *Edible Memory* Jennifer A Jordan examines the ways that people around the world have sought to identify and preserve old fashioned varieties of produce In doing so Jordan shows that these fruits and vegetables offer a powerful emotional and physical connection to a shared genetic cultural and culinary past Jordan begins with the heirloom tomato inquiring into its botanical origins in South America and its culinary beginnings in Aztec cooking to show how the homely and homegrown tomato has since grown to be an object of wealth and taste as well as a popular symbol of the farm to table and heritage foods movements She shows how a shift in the 1940s away from open pollination resulted in a narrow range of hybrid tomato crops But memory and the pursuit of flavor led to intense seed saving efforts increasing in the 1970s as local produce and seeds began to be recognized as living windows to the past In the chapters that follow Jordan combines lush description and thorough research as she investigates the long history of antique apples changing tastes in turnips and related foods like kale and parsnips the movement of vegetables and fruits around the globe in the wake of Columbus and the poignant perishable world of stone fruits and tropical fruit in order to reveal the connections the edible memories these heirlooms offer for farmers gardeners chefs diners and home cooks This deep culinary connection to the past influences not only the foods we

grow and consume but the ways we shape and imagine our farms gardens and local landscapes From the farmers market to the seed bank to the neighborhood bistro these foods offer essential keys not only to our past but also to the future of agriculture the environment and taste By cultivating these edible memories Jordan reveals we can stay connected to a delicious heritage of historic flavors and to the pleasures and possibilities for generations of feasts to come

Apples of Uncommon Character Rowan Jacobsen, 2014-09-02 In his classic *A Geography of Oysters* Rowan Jacobsen forever changed the way America talks about its best bivalve Now he does the same for our favorite fruit showing us that there is indeed life beyond Red Delicious and even Honeycrisp While supermarkets limit their offerings to a few waxy options apple trees with lives spanning human generations are producing characterful varieties and now they are in the midst of a rediscovery From heirlooms to new designer breeds a delicious diversity of apples is out there for the eating Apples have strong personalities ranging from crabby to wholesome The Black Oxford apple is actually purple and looks like a plum The Knobby Russet looks like the love child of a toad and a potato But don't be fooled by its looks The D'Arcy Spice leaves a hint of allspice on the tongue Cut Hidden Rose open and its inner secret is revealed With more than 150 art quality color photographs *Apples of Uncommon Character* shows us the fruit in all its glory Jacobsen collected specimens both common and rare from all over North America selecting 120 to feature including the best varieties for eating baking and hard cider making Each is accompanied by a photograph history lore and a list of characteristics The book also includes 20 recipes savory and sweet resources for buying and growing and a guide to the best apple festivals It's a must have for every foodie

Growing Apples Robert Atkinson, 2011-03-23 This antiquarian book contains a comprehensive guide to growing apples for commercial purposes with information on the industry setting up an orchard equipment and tools needed and much more This detailed and accessible guide will be of considerable utility to anyone with an interest in producing apples and is not to be missed by the discerning collector of such literature Although old much of the information contained herein is timeless and will be of considerable service to modern readers The chapters of this book include The Industry The Trees Designing an Apple Plantation Planting and Equipping an Orchard Orchard Management The Apple Harvest Fruit Quality and Marketing A Few Old Trees A Year's Work etcetera This book is being republished now in an affordable modern edition complete with a new introduction to fruit growing

**Old Southern Apples** Creighton Lee Calhoun, 2010 Illustrated with more than 120 rarely seen watercolors of antique apples from the National Agricultural Library *Old Southern Apples* is a fascinating and beautiful reference and gift book In addition to a discussion of over 2 000 antique apple varieties both extant and extinct Calhoun provides the history of apples in the South and their cultivation and uses by southerners

*The Lost Orchard* Raymond Blanc, 2019-11-14 Now with added material about the gardens at Le Manoir Blanc set about the most thorough apple tasting and cooking project I have heard of *The Lost Orchard* condenses the highlights his love letters to the forgotten apple breeds The Times I began to dream about an orchard filled with thousands of fruit trees Today we have an orchard with over 150

ancient varieties of apple Each one has its heritage in a village or a county that used to thrive on that particular variety They tell the story not only of what we have lost in Britain but also what we could regain Over the past eleven years Raymond Blanc has planted an orchard of 2 500 trees in the grounds of his hotel restaurant in Oxfordshire Yielding about 30 tonnes of fruit for his kitchen each year it is full of ancient and forgotten varieties of British apples and pears along with walnut trees quince medlars apricots nectarines peaches plums damsons and cherries A further 600 heritage fruit trees have been added from Raymond s home region of Franche Comt in France The Lost Orchard is a love letter to each of these varieties complete with beautiful black and white drawings photographs of Belmond Le Manoir and fascinating information and anecdotes about each fruit along with recipes and stories

**What to Eat?** Hattie Ellis,2012-05-03 Deciding what to eat is no longer a simple matter of instinct and appetite Every choice we make about the food we put on our plates is complicated Is meat good or bad for me Is buying local always best Is organic worth it WHAT TO EAT asks all these questions and more some are specific going back to the nature of particular foods such as milk meat and fish Some are more general and challenging examining the green and the good at a time when money is short and choices matter The book also offers answers This is a refreshingly practical guide to the stuff of everyday living from the ingredients up Hattie Ellis exposes the myths and unveils the truth about how food is produced what gives us most value for money what it does to us and what we have done to it *British Pomology* Robert Hogg,2014-12-22 Example in this ebook It is much to be regretted that of late years so little attention has been given in this country to the study of pomology and that so few efforts have been made to encourage a taste for this most important most instructive and intellectual branch of horticultural science Towards the end of the last and beginning of the present century when the late Mr Knight was in the full vigor of his scientific pursuits this was the subject which engaged so much of his powerful intellect and from which he succeeded in producing such great and beneficial results With Mr Knight as president and Mr Sabine as secretary the Horticultural Society of London did much for the advancement of this subject and in extending a knowledge not only of the fruits of this country but of the most valuable varieties of the continent of Europe and America Through the exertions of these gentlemen and in conjunction with the illustrious pomologists Dr Diel and Professor Van Mons and other eminent continental correspondents was obtained that vast collection of fruits which once existed in the Society s garden and by means of which that great undertaking of determining and arranging the nomenclature was accomplished During this period the Society s Transactions teemed with rich and interesting pomological papers and several works of a high character were ushered into existence Of these the most important were the Pomonas of Brookshaw and Hooker the Pomological Magazine and Ronalds s Pyrus Malus Brentfordiensis but these are all of such a class as from their great cost to be regarded more as works of art than of general utility The only one which was at all calculated to be of general benefit was Lindley s Guide to the Orchard a work which furnished descriptions of and embraced a greater number of varieties than had hitherto been attempted This then may be regarded as the most complete work for general

reference with which pomologists in this country had ever been furnished Upwards of twenty years have now elapsed since the Guide to the Orchard issued from the press and during that period Knight Sabine and many great patrons of pomology have entered into their rest leaving none behind them to prosecute with the same vigour that study which they so much loved and adorned But although there has been no corporate effort to promote and stimulate this study private enterprize has not altogether been awanting to keep pace with the rapid progression of the Continent and America but for this we might yet have been in total ignorance of many of the most desirable fruits of modern times and particularly of those valuable varieties the result of the later labors of Van Mons Esperen and others together with several of considerable merit furnished by the fertile pomology of the New World Since the publication of Lindley s Guide therefore there has not only been such additions to our varieties of fruits but such a complete reformation and arrangement of pomological nomenclature as to have rendered that book as a work of reference of considerably less value and it was on account of the necessity for a new work adapted to the wants of the present day and embracing the most recent information on the subject that I entered upon the present undertaking The facilities I have possessed for carrying it out are perhaps greater than fall to the lot of most men To be

continue in this ebook      *Avocado Anxiety* Louise Gray, 2023-02-16 WINNER OF THE GUILD OF FOOD WRITERS INVESTIGATIVE FOOD WORK AWARD 2024 JAMES BEARD FOUNDATION BOOK AWARDS NOMINEE 2024 SHORTLISTED FOR SCOTLAND S NATIONAL BOOK AWARDS 2023 A TIMES ENVIRONMENT BOOK OF THE YEAR 2023 This is fantastic THE TIMES Deeply relatable SPECTATOR Rigorous incisive warm and brave LUCY JONES Essential reading for anyone that eats JAKE FIENNES Universally urgent Everyone should read it CAROLINE EDEN The food stories behind your favourite fruits and vegetables Have you ever wondered who picked your Fairtrade banana or how far your green beans travelled to reach your plate We are all part of a complex food system Trying to make sense of it environmental journalist Louise Gray tracks the stories of our five a day from farm to fruit bowl and discovers the impact that growing fruits and vegetables has on the planet Visiting farms interviewing scientists and trying to grow her own she asks important questions to dig up the dirt on familiar items in our shopping baskets Are plant proteins as good for us as meat proteins Why can we buy so called seasonal fruits like strawberries all year round And is the symbol of clean eating the avocado fuelling the climate crisis As pressure grows to share our healthy environmentally friendly lives on social media *Avocado Anxiety* is also a personal story of motherhood and the realisation that nothing is ever perfect

### **The English Apple Introduction**

In today's digital age, the availability of The English Apple books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of The English Apple books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of The English Apple books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing The English Apple versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, The English Apple books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing The English Apple books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for The English Apple books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals,

making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, The English Apple books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of The English Apple books and manuals for download and embark on your journey of knowledge?

### FAQs About The English Apple Books

1. Where can I buy The English Apple books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a The English Apple book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
4. How do I take care of The English Apple books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.
5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.
6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing, and Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets: You can create your own spreadsheet to track books read, ratings, and other details.

7. What are The English Apple audiobooks, and where can I find them? Audiobooks: Audio recordings of books, perfect for listening while commuting or multitasking. Platforms: Audible, LibriVox, and Google Play Books offer a wide selection of audiobooks.
