Altsheler, 2005-05-01 He found that the walking besides keeping him warmer took all the stiffness out of his muscles and he continued on foot several miles He passed two brooks and a creek all frozen over so solidly that the horse passed on them without breaking the ice It was an extremely difficult task to make the animal try the ice but after much delicate coaxing and urging he always succeeded **The Guns of Shiloh A Story of the Great Western Campaign** Joseph A. Altsheler, 2013-04-15 Don't take it so hard my boy he said This battle's lost but there are others that won't be Most of the men were raw but they did some mighty good fighting while the regulars and the cavalry are covering the retreat Beauregard's army is not going to sweep us off the face of the earth His words brought cheer to Dick but it lasted only a moment He was to see many dark days but this perhaps was the darkest of his life His heart beat painfully and his face was a brown mask of mingled dust sweat and burned gunpowder The thunder of the Southern cannon behind them filled him with humiliation Every bone in him ached after such fierce exertion and his eyes were dim with the flare of cannon and rifles and the rolling clouds of dust He was scarcely conscious that the thick and powerful sergeant had moved up by his side and had put a helping hand under his arm Here we are at the ford cried Whitley Into it my lad Ah how good the water feels Dick despite those warning guns behind him would have remained a while in Bull Run luxuriating in the stream but the crowd of his comrades was pressing hard upon him and he only had time to thrust his face into the water and to pour it over his neck arms and shoulders But he was refreshed greatly Some of the heat went out of his body and his eyes and head ached less
