Japanese Economy John William Bennett, Iwao Ishino, 1972-12-15 **The Red Fez** Fritz Kramer, 1993 This text explores the ways in which colonial Europeans have been represented in African ritual art and drama *Malay Ideas on Development: From Feudal Lord to Capitalist* Shaharuddin Maaruf, 2022-12-06 Formally speaking the New Economy Policy had been replaced by the New Economic Order which had been promulgated in the name of liberalism Thus it may seem that the issues and concerns addressed by the book had been rendered irrelevant by the shift in policy Against such proposition I must say that my book addresses itself to the question of ideas principles and weltanschauung beyond mere policies and formality It is therefore too early in the day to conclude that the new liberalism has definitively replaced the New Economic Policy NEP as an era and ethos throwing into question the relevance of this book It may well turn out to be that the issues and concerns of the book transcend superficial policy changes in a more fundamental way Shaharuddin Maaruf University of Malaya 15 April 2014 The sweep through the history of Malay political ideas which is to be encountered in *Malay Ideas on Development from Feudal Lord to Capitalist* a sweep achieved with analytic skill and clarity will stimulate new readers to seek more detailed examination of one targeted writer or another Creating such desire is an indication of the book's effectiveness Juxtaposing one thinker with another setting modern debate in the context of traditional political thought proposing categories or streams of political thinking capitalistic nationalism traditionalistic nationalism and so forth is the best possible way of promoting a greater interest in the history of Malay political thinking and not just as an academic enterprise Shaharuddin Maaruf is one of a small handful of scholarly pioneers whose work has the capacity to enrich the quality of political debate in Malaysia Anthony Milner Basham Professor for Asian History Australian National University

Gregory, 2023-02-15 Reprint of the original The publishing house Anatiposi publishes historical books as reprints Due to their age these books may have missing pages or inferior quality Our aim is to preserve these books and make them available to the public so that they do not get lost **From Benguela to the Territory of Yacca** Hermenegildo Capelo, Roberto Ivens, 1882 [Green Technology Book](#), 2025-05-06 Energy is at the forefront of the third edition of the *Green Technology Book* This Executive Summary provides the background to the solutions for climate change showcased in the full report which presents a range of significant energy technology innovations across key sectors of society including households and communities in both urban and rural areas as well as essential services provided by supermarkets healthcare facilities and data centers **EXPEDITION TO BORNEO**, 1846 **The Expedition to Borneo of H. M. S. Dido** Henry Keppel, 2009 The visit of her majesty's ship Dido to Borneo and her services against the pirates occupy comparatively so small a portion of this volume that some excuse may be necessary for its leading title It was only by undertaking to make the

account of them part of the narrative that I could prevail upon my friend Mr Brooke to intrust me with his Journal for any public object and when I looked at his novel and important position as a ruler in Borneo and was aware how much of European curiosity was attached to it I felt it impossible not to consent to an arrangement which should enable me to trace the remarkable career through which he had reached that elevation I hope therefore to be considered as having conquered my own disinclination to be the relater of events in which I was concerned in order to overcome the scruples which he entertained against being the author of the autobiographical sketch embracing so singular a portion of his life which I have extracted from the rough notes confided to me That his diffidence in this respect was groundless will I trust be apparent from these pages however indifferently I may have executed my unusual task during a long homeward sea voyage and from the growing interest which has arisen throughout the country for intelligence on the subject of Borneo and the adjacent archipelago I venture also to indulge the belief that the general information will be deemed no unfit adjunct to the story of personal adventure
