Elizabeth and Mary Jane Dunn, 2007-12-18 Superb A perceptive suspenseful account The New York Times Book Review Dunn demythologizes Elizabeth and Mary In humanizing their dynamic and shifting relationship Dunn describes it as fueled by both rivalry and their natural solidarity as women in an overwhelmingly masculine world Boston Herald The political and religious conflicts between Queen Elizabeth I and the doomed Mary Queen of Scots have for centuries captured our imagination and inspired memorable dramas played out on stage screen and in opera But few books have brought to life more vividly the exquisite texture of two women's rivalry spurred on by the ambitions and machinations of the forceful men who surrounded them The drama has terrific resonance even now as women continue to struggle in their bid for executive power Against the backdrop of sixteenth century England Scotland and France Dunn paints portraits of a pair of protagonists whose formidable strengths were placed in relentless opposition Protestant Elizabeth the bastard daughter of Anne Boleyn whose legitimacy had to be vouchsafed by legal means glowed with executive ability and a visionary energy as bright as her

red hair Mary the Catholic successor whom England's rivals wished to see on the throne was charming feminine and deeply persuasive That two such women queens in their own right should have been contemporaries and neighbours sets in motion a joint biography of rare spark and page turning power **To Abyssinia, Through an Unknown Land** Chauncy Hugh Stigand,1910 **The Unknown History of the Jews** E. E. Jessel,1914 **Decorating Texas** Buie Harwood,1993

Decorating Texas provides a broad survey with an emphasis on a wide variety of individual buildings which exhibit an assortment of interiors and decorations by many different artists Exploring art in response Runette Kruger,Lize Kriel,2025 Exploring art in response Visual cultures and global concerns demonstrates the various ways in which artists art educators and scholars address the challenges that impede our respective societies The concerns unpicked in these chapters include the afterlife of colonisation that continues to affect our understanding of art from the Global South the work of preserving heritage of unmaking epistemological frameworks of re making collective memory and of newly shaping history from below Issues that cut across communities from South to North such as gender and socioeconomic inequality are similarly engaged In addressing both common and unique challenges the book provides opportunities for reimagining the ways in which our collective agency in the arts may help us prevail over the concerns that impact us **The Artist's Complete Guide to Facial Expression** Gary Faigin,2008-08-19 Artists love this book the definitive guide to capturing facial expressions In a carefully organized easy to use format author Gary Faigin shows readers the expressions created by individual facial muscles then draws them together in a section devoted to the six basic human emotions sadness anger joy fear disgust and surprise Each emotion is shown in steadily increasing intensity and Faigin's detailed renderings are supplemented by clear explanatory text additional sketches and finished work An appendix includes yawning wincing and other physical reactions Want to create portraits that capture the real person Want to draw convincing illustrations Want to show the range of human emotion in your artwork Get The Artist's Complete Guide to Facial Expression **Unknown Hungary** Victor Tissot,1881 **Japanese Art - Transcultural Perspectives** Melanie Trede,Christine Guth,Mio Wakita,2024-12-02 The transcultural approach to Japanese art history embraced by the contributors to this volume centers on the dynamic aesthetic artistic and conceptual negotiations across cultural temporal and spatial boundaries It not only acknowledges material objects people and technologies as agents but also intangible practices such as knowledge and concepts as vital agencies of interaction in transcultural processes With its premise on connectivity trans territoriality networks and their transformative potential this research destabilizes categorical configurations such as center vs periphery and high vs low calling into question the classical canon of Japanese art history **Writing Academic Texts Differently** Nina Lykke,2014-06-27 This edited volume combines cutting edge research on feminist and intersectional writing methodologies with explorations of links between academic and creative writing practices Contributors discuss what it means for academic writing processes to explore intersectional in between spaces between monolithic identity markers and

power differentials such as gender race ethnicity class sexuality and nationality How does such a frame change academic writing How does it make it pertinent to explore new synergies between academic and creative writing In answer to these questions the book offers theories methodologies political and ethical considerations as well as reflections on writing strategies Suggestions for writing exercises developed against the background of the contributors individual and joint teaching practices will inspire readers to engage in alternative writing practices themselves Unknown Mongolia Douglas Carruthers, 1914 In 1910 Carruthers set out to see Dzungaria crossing Russia from west to east travelling 5 000 miles of forest taiga steppes and deserts Our aim was primarily to explore the little known sources of the Yenisei River of the Great Mongolian plateau the last stronghold of the indigenous tribes of Southern Siberia An account of a journey across 5 000 miles of Asia between Siberia and India by means of tarantass canoe boat and raft by ass ox camel and pack pony Three chapters include accounts of hunting wild sheep of several species also saiga ibex gazelle wolf wild boar wild ass kulon hunting gazelle with golden eagles etc **Paperbacks from Hell** Grady Hendrix, 2017-09-19 From the New York Times best selling author of The Southern Book Club's Guide to Slaying Vampires comes a nostalgic and unflinchingly funny celebration of the horror fiction boom of the 1970s and 80s Take a tour through the horror paperback novels of two iconic decades if you dare Page through dozens and dozens of amazing book covers featuring well dressed skeletons evil dolls and knife wielding killer crabs Read shocking plot summaries that invoke devil worship satanic children and haunted real estate Horror author and vintage paperback book collector Grady Hendrix offers killer commentary and witty insight on these trashy thrillers that tried so hard to be the next Exorcist or Rosemary's Baby Complete with story summaries and artist and author profiles this unforgettable volume dishes on familiar authors like V C Andrews and R L Stine plus many more who've faded into obscurity Also included are recommendations for which of these forgotten treasures are well worth your reading time and which should stay buried *Muslim Devotional Art in India* Yousuf Saeed, 2018-10-26 This book highlights the history of Islamic popular devotional art and visual culture in 20th century India weaving the personal narrative of the author's journey through his understanding of the faith It begins with an introductory exploration of how the basic and universal image of Mecca and Medina may have been imported into Indian popular print culture and what variants it resulted in here Besides providing a historical context of the pre print culture of popular Muslim visuality the book also explores the impact the 1947 Partition of India may have made on the calendar art in South Asia A significant portion of the book focuses on the contemporary prints of different localised images found in India and what role these play in the users lives especially in the augmentation of their popular faith and cultural practices The volume also compares the images published in India with some of those available in Pakistan to reflect different socio political trajectories Finally it discusses why such a vibrant visual culture continues to thrive among South Asian Muslims despite the questions raised by the orthodoxy on its legitimacy in Islam and why images and popular visual cultures are inevitable for popular piety despite the orthodox Muslims increasing

dissociation from them This work is one of the first books on Indian Muslim poster art with rare images and simple narratives anecdotes about rituals ceremonies and cultural traditions running parallel to research findings This second edition contains a new Afterword that discusses challenges to religious plurality arising on account of changing political landscapes economic liberalisation technology and new media and socio religious developments It will appeal to the lay reader as well as the specialist and will be especially useful to researchers and scholars in popular culture media and cultural studies visual art and performance studies and sociology and social anthropology **Unknown to History** Charlotte Mary Yonge,1882
