The Ascent Of The Soul:

The Ascent of the Soul Amory Bradford, 2017-03-04 The scope of this book is best stated by the author in his opening chapter To trace some of the steps of what may be called the evolution of the spirit or in the light of modern knowledge the growth of the soul as it moves upward Given the spiritual being what are the stages through which he will pass on his way to the goal toward which he is surely pressing Amory H Bradford D D the author of this suggestive book is a leading Congregational minister and belongs to the liberal wing of his denomination Outside of that denomination he will well known as a thoughtful writer on latter day subjects and this new book will do much to extend his influence Dr Bradford is a theistic evolutionist and as such represents that school of thinkers who believe that the evolutionary hypothesis can be made to consist with Christianity If nowhere in this volume he obtrudes his belief in this respect that belief none the less colors his thoughts Aside then from its religious merits the book is one of much more than ordinary interest and cannot fail to be helpful to man Dr Bradford writes excellent English his style is clear and chaste and remarkably free from verbiage while every page reveals the severely conscientious and spiritually minded thinker and the sincere lover of his kind No one can follow him through these pages without feeling that he is with one who is doing him good The Literary World A deep searching and vital study of great problems that confront the individual St Paul Dispatch Presents the distinctly spiritual aspect of the subject especially in its practical bearings with noticeable clearness breadth candor and sympathy Buffalo Express A thoughtful study of the spiritual life in man Bradford s reflections and his growing experience as time has passed have inspired him with optimism He has come to believe profoundly not only in the immortal life but that no soul of man will ever in the end be cast as rubbish to the void because God s love cannot be defeated In the fullness of Christ is the soul s true goal and for that all men and not the elect few were created Believing thus he finds a place for prayers for the dead for the idea is to him untenable that when men die their state is irrevocably and forever fixed His study of the soul s upward struggle its sufferings its disciplines its conquests through Christ will be felt as true by everyone and his hopeful and trustful spirit knows no cry of defeat but only the shout of victory The Christian Advocate Dr Bradford has been an influence and a force for right living civic integrity and high patriotism He has always had strong convictions has uttered them plainly and clearly but has never scolded or fumed from pulpit or platform Gentleness of manner and strength of purpose have united effectively in his work and in his personality New Outlook The development improvement and final destiny of the individual soul Dr Bradford evidently recognizes the fact of future suffering for the impenitent But he teaches that without exception every soul will eventually be brought around to God s love The Christian Work and the Evangelist CONTENTS The Soul The Awakening of the Soul The First Steps Hindrances The Austere Re Awakening The Place of Jesus Christ The Inseparable Companion Nurture and Culture Is Death the End Prayers for the Dead The Goal Footnotes **The Ascent of the Soul** Amory Howe Bradford, 1902 *The Ascent of the Soul* Amory Howe Bradford, 1985 *The Ascent of the Soul* Amory H.

Bradford,2023-07-18 Amory H Bradford s thought provoking volume explores the nature of the soul and the spiritual growth that comes with introspection and self awareness Drawing from philosophical traditions across the globe *The Ascent of the Soul* is a must read for anyone interested in the nature of consciousness This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant [The Ascent of the Soul](#) Bradford Amory H. (Amory Howe),2016-06-23 *The Ascent of the Soul (Esprios Classics)* Amory H Bradford,2021-06-05 The phrases *The Ascent of Man* and *The Descent of Man* are familiar to all readers of the literature of modern science One of the most eminent of American writers on science and philosophy too soon taken from his work if any act of Providence is ever too soon has made a clear distinction between evolution as applied to the body and as applied to the spirit In lucid and luminous pages he has taught us that evolution as a physical process having culminated in man can go no further along those lines that henceforward the Cosmic force will be expended in the perfection of the spirit and that that process will require eternity to complete [The Romance of the Soul](#) Lilian Staveley,2022-08-01 In *The Romance of the Soul* Lilian Staveley presents a profound exploration of the inner self through a unique blend of lyrical prose and philosophical inquiry This book navigates the intricate landscape of human emotions spirituality and the quest for authenticity establishing a narrative that resonates deeply with readers seeking understanding of their inner landscapes Staveley s writing style employs rich imagery and evocative language reflecting influences from the Romantic era while intertwining contemporary psychological insights offering a literary tapestry that both captivates and enlightens Lilian Staveley born in the early 20th century lived through significant cultural shifts that informed her writing A thinker deeply engaged with the spiritual and psychological narratives of her time Staveley was influenced by her studies in philosophy and theology which underpin her exploration of the soul s journey in this work Her own experiences of loss and transformation echo throughout the text lending authenticity and depth to her reflections *The Romance of the Soul* is a must read for those interested in the intersection of literature and spirituality Its insights into the human condition provide a mirror for readers to reflect on their own journeys making it an invaluable addition to any literary or philosophical collection [The Ascent of the Soul \(Classic Reprint\)](#) Amory Howe Bradford,2017-07-16 Excerpt from *The Ascent of the Soul* The purpose of the following chapters will be evident to all who may care to peruse them I have endeavored simply to read the soul of man with something of the care that one reads a book containing a message which he believes to be of importance About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction

The Pursuit of the Soul Peter Tyler,2016-02-25 One of the most striking features of contemporary psychology is the return of language of the soul in contemporary discourse In this original analysis Dr Peter Tyler investigates the origins and use of soul language in the Christian tradition before turning his attention to the evolution and preoccupations of modern psychoanalysis In his forensic examination he explores the dynamics of psychoanalysis as a tool to rediscover the soul of the 21st century seeker Central to his book is the perceived clash between analysis and the spiritual tradition His uncompromising conclusion is that the dialogue of the two in our present time will have far reaching repercussions for church society and future human well being Read more about his work on <http://insoulpursuit.blogspot.co.uk>

Augustine Through the Ages Allan Fitzgerald,John C. Cavadini,1999 This one volume reference work provides the first encyclopedic treatment of the life thought and influence of Augustine of Hippo A D 354 430 one of the greatest figures in the history of the Christian church The product of more than 140 leading scholars throughout the world this comprehensive encyclopedia contains over 400 articles that cover every aspect of Augustine s life and writings and trace his profound influence on the church and the development of Western thought through the past two millennia Major articles examine in detail all of Augustine s nearly 120 extant writings from his brief tractates to his prodigious theological works For many readers this volume is the only source for commentary on the numerous works by Augustine not available in English Other articles discuss Augustine s influence on other theologians from contemporaries like Jerome and

Ambrose to prominent figures throughout church history such as Gregory the Great Aquinas Luther Calvin and Harnack Augustine's life the chaotic political events of his world and the church's struggles with such heresies as Arianism Donatism Manicheism and Pelagianism Augustine's thoughts about philosophical problems time the ascent of the soul the nature of truth theological questions guilt original sin free will the Trinity and cultural issues church state relations Roman society

The Gospel of Mary Esther de Boer, 2004-06-22 The Gospel of Mary the only known gospel that is named after a woman has aroused new interest in the figure of Mary Magdalene and the beginnings of Christianity What was her impact and her message What became of her and her ideas This book examines the Gospel of Mary to discover what it reveals about Mary Magdalene and to determine the origin of its portrayal It proposes a new perspective on matter and nature in the Gospel of Mary suggesting that it is not to be categorized as a gnostic writing Furthermore the study argues that Mary's teaching in the Gospel of Mary is more closely related to the writings of Philo the letters of Paul and the Gospel of John than to the Nag Hammadi Codices As such the Gospel of Mary and its portrayal of Mary Magdalene cannot be seen as evidence of a specific gnostic esteem for Mary Magdalene but rather demonstrates the esteem of believers belonging to a broader Christian context

The Soul and its Instrumental Body A.P. Bos, 2003-04-10 For more than 1800 years it has been supposed that Aristotle viewed the soul as the entelechy of the visible body which is equipped with organs This book argues that in actual fact he saw the soul as the entelechy of a natural body that serves as its instrument This correction puts paid to W Jaeger's hypothesis of a three phase development in Aristotle The author of this book defends the unity of Aristotle's philosophy of living nature in *De anima* in the biological treatises and in the lost dialogues Aristotle should therefore be regarded as the author of the notion of the vehicle of the soul and of a non Platonic dualism The current understanding of his influence on Hellenistic philosophy needs to change accordingly

The Ascent of the Soul George Fiesdale Jowett, 1941 *The Pursuit of the Millennium* Norman Cohn, 1970-05-15 The end of the millennium has always held the world in fear of earthquakes plague and the catastrophic destruction of the world At the dawn of the 21st millennium the world is still experiencing these anxieties as seen by the onslaught of fantasies of renewal doomsday predictions and New Age prophecies This fascinating book explores the millenarianism that flourished in western Europe between the eleventh and sixteenth centuries Covering the full range of revolutionary and anarchic sects and movements in medieval Europe Cohn demonstrates how prophecies of a final struggle between the hosts of Christ and Antichrist melded with the rootless poor's desire to improve their own material conditions resulting in a flourishing of millenarian fantasies The only overall study of medieval millenarian movements *The Pursuit of the Millennium* offers an excellent interpretation of how again and again in situations of anxiety and unrest traditional beliefs come to serve as vehicles for social aspirations and animosities

The Nag Hammadi Library in English James McConkey Robinson, 1984

The Ascent of the Soul Georgiana Dorothy Reynolds, 1939

A Story of the Soul's Journey in the Nag Hammadi Library Ulla Tervahauta, 2015-08-19 Authentikos Logos NHC VI 3

also known as Authoritative Teaching is a little studied story of a soul's descent and ascent in the Nag Hammadi library. With her book Ulla Tervahauta fills a gap in the scholarship and provides the first monograph length study that has this writing as its primary focus. The aim is to find a place and context for Authentikos Logos within early Christianity, but Tervahauta also adds new insight into the scholarship of the Nag Hammadi Library and study of early Christianity. Contrary to the usual discussion of the Nag Hammadi writings from the viewpoint of Gnostic studies, she argues that Authentikos Logos is best approached from the context of Christian traditions of late ancient Egypt between the third and the fifth centuries. Tervahauta discusses the story of the soul's journey in light of various Christian and Platonic writings. Also, she analyses the relationship of Authentikos Logos with the Valentinian Wisdom myth and suggests that no firm evidence connects the writing closely with Valentinian traditions. And although a Platonic mind set can be assumed, the writing combines motifs in a unique manner. For example, the four epithets used in the writing: the invisible soul, the pneumatic soul, the material soul, and the rational soul, are not found thus combined elsewhere. Discussion of matter/hyle is connected with Christian scriptural allusions, and the focus is on ethics and the evilness of matter. The body, on the other hand, is the soul's place of contest and progress. The Pauline term pneumatic body (1 Cor 15:44) is used allusively and from a Platonic perspective. With this book, Ulla Tervahauta makes an important contribution to the study of early Christianity in late ancient Egypt by discussing a writing that shows knowledge and creative combination of literary traditions that circulated in late ancient Egypt.
