The Assassination Of Martin Luther King Junior Focus:

Investigation of the Assassination of Martin Luther King, Jr United States. Congress. House. Select Committee on Assassinations,1979 *The Assassination of Martin Luther King, Jr* Doris Faber,Harold Faber,1978-01-01 A biography of Dr Martin Luther King Jr focusing on his involvement in the civil rights movement Discusses the investigations of his assassination **The Heavens Might Crack** Jason Sokol,2018-03-20 A vivid portrait of how Americans grappled with King s death and legacy in the days weeks and months after his assassination On April 4 1968 Martin Luther King Jr was fatally shot as he stood on the balcony of the Lorraine Motel in Memphis At the time of his murder King was a polarizing figure scorned by many white Americans worshipped by some African Americans and liberal whites and deemed irrelevant by many black youth In *The Heavens Might Crack* historian Jason Sokol traces the diverse responses both in America and throughout the world to King s death Whether celebrating or mourning most agreed that the final flicker of hope for a multiracial America had been extinguished A deeply moving account of a country coming to terms with an act of shocking violence *The Heavens Might Crack* is essential reading for anyone seeking to understand America s fraught racial past and present

Curating Human Rights Robin Ostow,2024-11-25 *Curating Human Rights* conceptualizes the human rights museum as a dynamic cultural political genre that interacts with multiple social activist state and corporate stakeholders Drawing upon ethnographic and archival research on seven human rights museums in six countries Ostow examines specifically what these museums do when they set out or purport to promote human rights This includes the stories they visualize display strategies educational and other activities internal structures the way they position their visitors the parameters of the human rights they address and the politics of pleasing their multiple stakeholders The book also explores the contradictions and political and corporate pressure that contributes to foregrounding some human rights violations and ignoring or obscuring others Ostow also examines the reactions to each museum in the local and national press and by local visitors politicians donors and other stakeholders The book ends with a discussion of the success and limitations of museums for promoting human rights and policy recommendations to enhance their effectiveness *Curating Human Rights* considers whether these museums are appropriate for and effective at promoting human rights and if they address the pitfalls that have been identified *Curating Human Rights* provides new perspectives on the field of human rights education and activism and will be of interest to academics and students engaged in the study of museums human rights culture and communication *Ernie McClintock and the Jazz Actors Family* Elizabeth M. Cizmar,2023-01-19 *Ernie McClintock and the Jazz Actors Family* is a critical biography examining the life and work of Ernie McClintock the founder of the Jazz Acting Method and 1997 recipient of the Living Legend Award from the National Black Theatre Festival whose inclusive contributions to acting and actor training have largely remained on the fringes of scholarship and practice Based on original archival research and interviews with McClintock s students and peers this book traces his life from his childhood in Chicago to Harlem in the 1960s at the height

of the Black Arts Movement to Richmond Virginia in 2003 paying particular attention to his Black Power influenced culturally specific acting theory and versatile Black theatrical productions As a biographical study this book establishes McClintock as a leading figure of the Black Theatre Movement proven by the Jazz Acting technique his critically acclaimed productions and his leadership positions in organizations such as the Black Theatre Alliance Ernie McClintock and the Jazz Actors Family explores how the Jazz Acting technique was applied in productions such as N R Davidson s El Hajj Malik Derek Walcott s Dream on Monkey Mountain Cheryl West s Before It Hits Home Endesha Mae Holland s From the Mississippi Delta and many collectively authored pieces The book also investigates why he has been excluded from dominant theatre histories especially considering how as a gay Black man he persistently defied the status quo questioning practices of administrators of theatres and mainstream theatrical standards Ernie McClintock and the Jazz Actors Family is situated at the intersection of Black acting theory Black Arts Movement history and Black queer studies and is an illuminating study of an important figure for actors acting teachers acting students and cultural historians This is an essential resource for readers who are seeking histories and approaches outside of a white straight Eurocentric framework

Women of Faith Mary Beth Fraser Connolly, 2014-02-03 When the Sisters of Mercy lost their foundress Sister Catherine McAuley in 1841 stories of Mother Catherine passed from one generation of sisters to the next McAuley s Rule and Constitutions along with her spiritual writings and correspondence communicated the Mercys founding charism Each generation of Sisters of Mercy who succeeded her took these words and her spirit with them as they established new communities or foundations across the United States and around the world In **Women of Faith** Mary Beth Fraser Connolly traces the paths of the women who dedicated their lives to the Sisters of Mercy Chicago Regional Community the first Congregation of Catholic Sisters in Chicago More than the story of the institutions that defined the territory and ministries of the women of this Midwestern region **Women of Faith** presents a history of the women who made this regional community whether as foundresses of individual communities in Wisconsin Iowa and Illinois in the nineteenth and early twentieth centuries or as the teachers nurses and pastoral ministers who cared for and educated generations of Midwestern American Catholics Though they had no immediate connection with McAuley these women inherited her spirit and vision for religious life Focusing on how the Chicago Mercys formed a community lived their spiritual lives and served within the institutional Catholic Church this three part perspective addresses community spirituality and ministry providing a means by which we can trace the evolution of these women of faith as the world around them changed The first part of this study focuses on the origins of the Sisters of Mercy in the Midwest from the founding of the Chicago South Side community in 1846 through the amalgamation and creation of the Chicago Province in 1929 The second part examines how the Mercys came together as one province through the changes of Vatican II from 1929 to the 1980s Part III examines life after the dramatic changes of Vatican II in the 1990s and 2000s Presenting rich examples of how faith cannot be separated from identity **Women of Faith** provides an important

new contribution to the scholarship that is shaping our collective understanding of women religious *Martin Luther King Jr., Heroism, and African American Literature* Trudier Harris, 2014-11-15 Defiance of the law uses of indirection moral lapses and bad habits are as much a part of the folk transmitted biography of King as they are a part of writers depictions of him in literary texts Harris first demonstrates that during the Black Arts Movement of the 1960s when writers such as Nikki Giovanni Sonia Sanchez and LeRoi Jones Amiri Baraka were rising stars in African American poetry King's philosophy of nonviolence was out of step with prevailing notions of militancy Black Power and their literature reflected that division In the quieter times of the 1970s and 1980s and into the twenty first century however treatments of King and his philosophy in African American literature changed Writers who initially rejected him and nonviolence became ardent admirers and boosters particularly in the years following his assassination By the 1980s many writers skeptical about King had reevaluated him and began to address him as a fallen hero

Guns and Values Dylan S. McLean,Anthony K. Fleming,2023-07-24 The American gun control debate is best understood as a battle in a war over the influence of individualism on American culture politics and policy This book demonstrates that the gun debate is fundamentally about values Specifically it is about what we value most private rights or the public good This helps explain why the technical empirical or legalistic arguments we hear aren t persuasive A review of scholarly literature on both the politics of gun control and American political culture finds an American bias toward an individualism that embraces personal rights We argue that this bias stacks the deck against gun control Interviews we conducted with activists show that support for or opposition to gun control is linked to concern for the public or private good Finally we trace the federal gun control debate in Washington

from the 1960s to 2010s to show the ebbs and flows of individualism's influence Peace Is Oneness Hilton L. Anderson, 2011-11-03 HUMANITY HAS REACHED A DANGEROUS TIPPING POINT of potential self destruction because our technical and scientific achievements have outdistanced our spiritual realization We must develop a new understanding of who we are centered on the realization of oneness with all of creation This realization can only be achieved by the combination and integration of rational logical thinking and mystical internal awareness Humanity has now reached the point where the two separate understandings of reality must be combined into a holistic understanding of existence Peace Is Oneness addresses the dangers of accepting the separation that results from our egos along with the ways that separation can be healed Both science and evolutionary religion define the same reality We must awaken from our dream state of separate selves and realize the oneness that is our true self of unconditional love Western culture has largely lost most of its connection to myth because of the dominance of material science We have what the ancient Greeks called logos but we have lost what they called mythos This is about to change as science and religion begin to define reality in the same way Will it happen quickly enough to save us from our own self destruction Your individual consciousness is essential in determining the outcome **Pilgrims Passage** Joe Buda, 2019-09-16 Betrayal exploitation and manipulation cast the shadow on this adventure in Slovakia and the East Coast of the United States Governments collude to experiment with children's minds a Nobel Scientist plagiarized his pregnant wife's work and deception on individual and organizational level abounds Yet revenge is not the victims go to Instead InterMission emerges as their Phoenix Its truths are captured within the Book of ONE Claudia and Richard share these bare truths at an international forum Maria the wife of a former Nobel Scientist candidate as well as Paul and Karl victims of government tests as children ban together to model unconditional love compassion and forgiveness InterMission disrupts silence Speaking through marginalized children immigrants and women their needs erupt The Book of ONE guides these non violent revolutionaries on a common path to ask why can't there be an alternative to greed domination and ego seeking Brave World takes you to this place of hope
