The Assumption of Moses R. H. Charles, 2016-02-23 Reproduction facsimile of the original book from 1897. THE Assumption of Moses was in all probability a composite work and consisted of two originally distinct books, of which the first was really the Testament of Moses and the second the Assumption. The former was written in Hebrew between 7 and 29 A.D. and possibly also the latter. A Greek version of the entire work appeared in the first century A.D. Of this a few phrases and sentences have been preserved in St. Matt. xxiv 2-9, Acts vii 35, St. Jude 9, 16, 18, the Apocalypse of Baruch, Clement of Alexandria, Origen, and other Greek writers. The fragments in the Greek writers are printed below, pp. 107-109. The Greek version was translated into Latin not later than the fifth century. That such a Latin version ever existed was unknown to the modern world till nearly forty years ago, when a large fragment of it was discovered by Ceriani in a sixth century MS in the Ambrosian Library in Milan.

Apocalypse Of Baruch And The Assumption Of Moses, 2006-02 It is no longer news that the texts that became the official Bible excluded apocryphal books in many cases because they didn't serve the worldview of the ruling classes. Early in the 20th century R. H. Charles translated and edited a series of these texts. In 2003 we published *The Book of Enoch*, apocrypha describing the hierarchy of angels and demons. Now we are pleased to publish this significant end-times text. Writing at the time of the destruction of Jerusalem in 70 A.D., Baruch converses directly with God in a series of visions. The fall of Jerusalem is given as part of a larger end-of-the-world scenario. Baruch then receives prophecy: periods of light and darkness shall come, symbolized by rains, bright

and black corresponding to alternating times when humanity lives in peace and harmony then dark periods when evil reigns Of particular note is the apocalypse when the Messiah appears again on earth This alternate tale of the apocalypse inspires hope evil is punished condemned to hell and cast off the earth while those left behind are actually the righteous who will enjoy literally heaven on earth Obviously a differing view from the currently in vogue idea of rapture Also included in this edition is The Assumption of Moses an apocryphal fragment noted to have influenced other descriptions of the apocalypse included in the Bible For at the heights of the world they shall dwell And they shall be made like unto the angels And be made equal to the stars And they shall be changed into every form they desire From beauty into loveliness And from that light into the splendour of glory
