

THE AUTOBIOGRAPHY OF
**BENJAMIN
FRANKLIN**
AND OTHER WRITINGS

Sketch of the strength and influence of our government in preserving and
ensuring happiness to the people, by well-regulated and judicious measures of the
prudence of that government.

Sketch of the government.

Our own nation, and

and for the sake of

that we shall not

unnecessarily be

other to ourselves

collaboring, and

our future thoughts

cannot of having

the whole of it

is, and that every member of the community who may wish these observations in

its small, and may see the necessity, should, as early as the next opportunity,

and as much as possible, be personally and the more so, the more so.

Autobiography of Benjamin Franklin Benjamin Franklin, 2018-08-29 This account stands as a classic among

autobiographies a compelling and easy read about a man who from lowly beginnings in Boston rose to become a hugely respected public servant writer scientist and inventor and who went on to play a key role in the American Revolution and the founding of the United States Franklin's autobiography published after his death is an unfinished collection of memoirs written over four different periods of his life It starts in the form of a letter to his son William and describes aspects of his childhood in Boston in the early 1700s and his move to Philadelphia where he set up a successful printing business The many contributions he made to public causes grew out of a strong sense of civic duty and a stringent work ethic that formed part of his plan for attaining moral perfection which is detailed in the second period The last two sections cover his impressive political and scientific work and give the reader an insight into the developing tensions between the American colonies and the British crown A polymath of immense standing Benjamin Franklin stands out as one of the most highly esteemed figures of the nineteenth century Autobiography of Benjamin Franklin is a record of the life of one of the most impressive people in the American history Franklin's autobiography although unfinished represents one of the most famous and influential examples of an autobiography ever written His book is the record of an unusual life told in his own unexcelled conversational style The Autobiography is Franklin's longest work and yet it is only a fragment of it The account of Franklin's life is divided in a manner that reflects the different periods in which he wrote them The first part written as a letter to his son William Franklin was not intended for publication the composition is more informal and the narrative more personal than in the second part from 1730 onward which was written with a view to publication Contents Ancestry and Early Life in Boston Beginning Life as a Printer Arrival in Philadelphia First Visit to Boston Early Friends in Philadelphia First Visit to London Beginning Business in Philadelphia Business Success and First Public Service Plan for Attaining Moral Perfection Poor Richard's Almanac and Other Activities Interest in Public Affairs Defense of the Province Public Services and Duties Albany Plan of Union Quarrels with the Proprietary Governors Braddock's Expedition Franklin's Defense of the Frontier Scientific Experiments Agent of Pennsylvania in London Electrical Kite The Way to Wealth The Whistle A Letter to Samuel Mather

Autobiography of Benjamin Franklin Frank Woodworth Pine, Benjamin Franklin, 2016-03-14 Benjamin Franklin is the traditional name for the unfinished record of his own life written by Benjamin Franklin from 1771 to 1790 however Franklin himself appears to have called the work his Memoirs Benjamin Franklin had a tortuous publication history after Franklin's death this work has become one of the most famous and influential examples of an autobiography ever written In 1791 the first edition appeared in French rather than English as *Mmoires de la vie priv e de Benjamin Franklin* published in Paris This translation of Part One only was based on a flawed transcript made of Franklin's manuscript before he had revised it This French translation was then retranslated into English in two London publications of 1793 and one of the London editions served as a basis for a retranslation into French in 1798 in an edition which also included a fragment of Part Two The first three parts of the Autobiography were first published together in English by Franklin's grandson William Temple Franklin in

London in 1818 in Volume 1 of *Memoirs of the Life and Writings of Benjamin Franklin* W T Franklin did not include Part Four because he had previously traded away the original holograph of the Autobiography for a copy that contained only the first three parts Furthermore he felt free to make unauthoritative stylistic revisions to his grandfather s autobiography and on occasion followed the translated and retranslated versions mentioned above rather than Ben Franklin s original text Benjamin Franklin text was the standard version of the Autobiography for half a century until John Bigelow purchased the original manuscript in France and in 1868 published the most reliable text that had yet appeared including the first English publication of Part Four In the 20th century important editions by Max Ferrand and the staff of the Huntington Library in San Marino California Benjamin Franklin s *Memoirs* Parallel Text Edition 1949 and by Leonard W Labaree 1964 as part of the Yale University Press edition of *The Papers of Benjamin Franklin* improved on Bigelow s accuracy In 1981 J A Leo Lemay and P M Zall produced *The Autobiography of Benjamin Franklin A Genetic Text* attempting to show all revisions and cancellations in the holograph manuscript This the most accurate edition of all so far published served as a basis for Benjamin Franklin s Autobiography A Norton Critical Edition and for the text of this autobiography printed in the Library of America s edition of Franklin s Writings The Autobiography of Benjamin Franklin also became the first full length recorded book in history The initial recorded release of Autobiography was voiced by actor Michael Rye and released in 1969 Blessed with enormous talents and the energy and ambition to go with them Franklin was a statesman author inventor printer and scientist He helped draft the Declaration of Independence and later was involved in negotiating the peace treaty with Britain that ended the Revolutionary War He also invented bifocals a stove that is still manufactured a water harmonica and the lightning rod Franklin s extraordinary range of interests and accomplishments are brilliantly recorded in his Autobiography considered one of the classics of the genre Benjamin Franklin by the author Benjamin Franklin is a great book highly recommended to read Subject franklin autobiography benjamin biography of best books ben the sellers by a franklins and seller free book constitution isaacson walter franklin s collection scientist selling paperback inventors leader s my america s his political history historical dictionary american freeman computer life issacson bio state on almanac for an

Autobiography of Benjamin Franklin Frank Woodworth PINE, Benjamin Franklin, 2021-07-05 Autobiography of benjamin franklin written in times before the morrow sophisticated in a way modern biography lack Autobiography of benjamin franklin is a book of Biography first published in 1791 Paris A true book of worth a classic that lives in an era of timeless distinction Early books emit an excellence unlike any from modern times You will not be dissatisfied with this works Autobiography of benjamin franklin at its finest Sneak Peak Either write something worth reading or do something worth writing Three may keep a secret if two of them are dead Tell me and I forget teach me and I may remember involve me and I learn He that can have patience can have what he will You may delay but time will not Synopsis Autobiography of Benjamin Franklin is all time famous classical masterpiece Benjamin Franklin also called Ben Franklin pseudonym Richard Saunders

born January 17 January 6 Old Style 1706 Boston Massachusetts U S died April 17 1790 Philadelphia Pennsylvania U S American printer and publisher author inventor and scientist and diplomat One of the foremost of the Founding Fathers Franklin helped draft the Declaration of Independence and was one of its signers represented the United States in France during the American Revolution and was a delegate to the Constitutional Convention He made important contributions to science especially in the understanding of electricity and is remembered for the wit wisdom and elegance of his writing An amazing book for all historical vintage lovers Originality we take every step possible to ensure the original integrity of this book has been upheld to its highest standard This means that the texts in this story are unedited and unchanged from the original authors publication preserving its earliest form for your indulgence This title is one of the best biographical book of all time that you just do not see in the modern age This title will make an excellent gift to the classic lover buff in your life or a fantastic addition to your current collection Enjoy this book today by clicking the add to cart button and our team will have it shipped to you at lightning speed Title Details Original 1791 Scripture Epic Biography 6 x 9 Inches Matte Cover White Paper *Autobiography of Benjamin Franklin* Benjamin Franklin,2016-02-07 Why buy our paperbacks Standard Font size of 10 for all books High Quality Paper Fulfilled by Amazon Expedited shipping 30 Days Money Back Guarantee BEWARE of Low quality sellers Don t buy cheap paperbacks just to save a few dollars Most of them use low quality papers however Franklin himself appears to have called the work his Memoirs Although it had a tortuous publication history after Franklin s death this work has become one of the most famous and influential examples of an autobiography ever written Franklin s account of his life is divided into four parts reflecting the different periods at which he wrote them There are actual breaks in the narrative between the first three parts but Part Three s narrative continues into Part Four without an authorial break only an editorial one Part One of the Autobiography is addressed to Franklin s son William at that time 1771 Royal Governor of New Jersey While in England at the estate of the Bishop of St Asaph in Twyford Franklin now 65 years old begins by saying that it may be agreeable to his son to know some of the incidents of his father s life so with a week s uninterrupted leisure he is beginning to write them down for William He starts with some anecdotes of his grandfather uncles father and mother He deals with his childhood his fondness for reading and his service as an apprentice to his brother James Franklin a Boston printer and the publisher of the New England Courant After improving his writing skills through study of the Spectator by Joseph Addison and Sir Richard Steele he writes an anonymous paper and slips it under the door of the printing house by night Not knowing its author James and his friends praise the paper and it is published in the Courant which encourages Ben to produce more essays the Silence Dogood essays which are also published When Ben reveals his authorship James is angered thinking the recognition of his papers will make Ben too vain James and Ben have frequent disputes and Ben seeks for a way to escape from working under James **Autobiography of Benjamin Franklin** Benjamin Franklin,2016-04-01 Why buy our paperbacks Standard Font size of 10 for all books High Quality Paper Fulfilled by Amazon Expedited shipping 30 Days Money

The Abridged Autobiography of Benjamin Franklin Daniel V Runyon Ph D, 2014-07-04 Benjamin Franklin shaped American journalism civic life economics and politics by his example as a publisher editor writer business leader and statesman Every American should read the story he wrote of his own life And now they can for this edition of his autobiography tells his entire story in his own words just with fewer words and shorter sentences His 75 000 word manuscript is boiled down to 53 000 words in this digest so you get all the calories with 29% less chewing You will smile cry laugh or wince on almost every page at his humor pathos wit and profound insight into human thought and behavior Daniel V Runyon Ph D is Professor of English and Communication at Spring Arbor University in Michigan He produced this book for the benefit of his writing students as well as for anyone who enjoys learning about people and events that shaped western civilization

Autobiography of Benjamin Franklin Benjamin Franklin, 2016-09-05 Benjamin Franklin's Autobiography has received widespread praise both for its historical value as a record of an important early American and for its literary style William Dean Howells in 1905 asserted that Franklin's is one of the greatest autobiographies in literature and towers over other autobiographies as Franklin towered over other men The Autobiography has been recognized by most readers as a classic of literature and relating to the narrative voice of the author In this work Franklin's persona comes alive and presents a man whose greatness does not keep him from being down to earth and approachable who faces up to mistakes and blunders errata he has committed in life and who presents personal

success as something within the reach of anyone willing to work hard enough for it **The Autobiography of Benjamin Franklin** Louis P. Masur,1993 The Autobiography of Benjamin Franklin - 1896 Benjamin Franklin,2006-01-01 The Autobiography of Benjamin Franklin has probably been more extensively read than any other American historical work and no other book of its kind has had such ups and downs of fortune Franklin lived for many years in England where he was agent for Pennsylvania and other American colonies He was separated from his family and it was during one of his long absences in 1771 that he determined to write an account of his life which had been an eventful one for his son William Franklin then about forty years old William Franklin had been with his father in England as the first paragraph of the Autobiography shows and had been admitted to the bar there but finding favor at court had been appointed Governor of New Jersey and was in that position when Franklin was writing He held to the royal cause and was thereby estranged from his father though before Benjamin Franklin's death they were partially reconciled BENJAMIN FRANKLIN - Autobiography Benjamin Franklin,2024-02-26 In this inspiring autobiography Benjamin Franklin not only recounts a significant portion of his beautiful and successful life but also shares his personal formula for success Franklin advocated sacrifice hard work thrift frugality and continuous education as determinants for individual and collective prosperity Franklin's basic idea that no matter who you are with hard work and thrift you can achieve prosperity and greatness fully embodies the American dream For all those involved in business development or collective projects reading this ebook is highly recommended Franklin tells us how he created and encouraged numerous enterprises in his city Philadelphia in the then colony of Pennsylvania and in his country Just to name a few of the enterprises initiated by him the first library the first book club the first militia the first hospital in Philadelphia and often in the United States Franklin was the epitome of an honest upright and competent entrepreneur in both public administration and in the private management of his printing press and newspaper Benjamin Franklin will forever be a great example of a citizen entrepreneur and public figure The Autobiography of Benjamin Franklin Louis P. Masur,2016-04-22 The third edition of The Autobiography of Benjamin Franklin with Related Documents continues to encourage students to think about the work's lasting impact on American society and culture Louis P Masur's introduction is designed to make Franklin accessible and inviting to students An expanded Related Documents section provides a sample of Franklin's voluminous writings Two new documents reveal Franklin at his curious inventive best offering readers a glimpse of Franklin outside of the Autobiography A new visual source pairing invites students to interpret Franklin's changing image over time through the works of two different artists A chronology questions for consideration a bibliographic essay and an index enrich students understanding of Franklin eighteenth century America and the rags to riches ideal that has played and continues to play such a significant role in American history **The Autobiography and Other Writings** Benjamin Franklin,2003-04-29 Benjamin Franklin's writings represent a long career of literary scientific and political efforts over a lifetime which extended nearly the entire eighteenth century This volume includes Franklin's

reflections on such diverse questions as philosophy and religion social status electricity American national characteristics war and the status of women Nearly sixty years separate the earliest writings from the latest an interval during which Franklin was continually balancing between the puritan values of his upbringing and the modern American world to which his career served as prologue This edition provides a new text of the Autobiography established with close reference to Franklin s original manuscript It also includes a new transcription of the 1726 journal and several pieces which have recently been identified as Franklin s own work For more than seventy years Penguin has been the leading publisher of classic literature in the English speaking world With more than 1 700 titles Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors as well as up to date translations by award winning translators

Benjamin Franklin Walter Isaacson,2003-07-31 In this authoritative and engrossing full scale biography Walter Isaacson bestselling author of Einstein and Steve Jobs shows how the most fascinating of America s founders helped define our national character Benjamin Franklin is the founding father who winks at us the one who seems made of flesh rather than marble In a sweeping narrative that follows Franklin s life from Boston to Philadelphia to London and Paris and back Walter Isaacson chronicles the adventures of the runaway apprentice who became over the course of his eighty four year life America s best writer inventor media baron scientist diplomat and business strategist as well as one of its most practical and ingenious political leaders He explores the wit behind Poor Richard s Almanac and the wisdom behind the Declaration of Independence the new nation s alliance with France the treaty that ended the Revolution and the compromises that created a near perfect Constitution In this colorful and intimate narrative Isaacson provides the full sweep of Franklin s amazing life showing how he helped to forge the American national identity and why he has a particular resonance in the twenty first century

The Americanization of Benjamin Franklin Gordon S. Wood,2004 Wood scrutinizes the less typically American traits possessed by Franklin such as his longtime loyalty to the Crown and why he still became one of the Revolution s necessary men
