Dark Sky Odeta Willow, 2011-12-28 On March 10th when Athena paid a study visit in Turkey Sakarya University after the morning conference she sent the last message to Sanny Happy birthday. Let the magic combination of three colour your existence and space. He continued on calling her but she had no wish to answer the calls. She was so grateful to him for all the perception of the world he helped her to experience. She loved him so much for this shake conversion awakening. No malice towards him she ever felt. Even pain in her heart seemed to have such a value and spirit. She just blessed him for finding her. That he donated a little time to her. That he shared. Gave her this suffering. That he raised her and led. Holding her hands tight like baby's. It was 23rd March the day when Sanny wrote his first message on that dating site. It was the same next year's March 23rd when Athena said goodbye to Sanny. But only mentally she got apart from him never in her heart. She hoped them to meet in some deeper space some time. Book also has a Lithuanian version.
