rabbinic references to the two powers in heaven tracing the impact of this concept through both canonical and non canonical material Orlov begins by looking at imagery of the two powers in early Jewish literature in particular the book of Daniel and in pseudepigraphical writings He then traces the concept through rabbinic literature and applies this directly to understanding of Christological debates Orlov finally carries out a close examination of the two powers traditions in Christian literature in particular accounts of the Transfiguration and the Baptism of Jesus Including a comprehensive bibliography listing texts and translations and secondary literature this volume is a key resource in researching the development of Christology

Luke W. Mark Tew,2011-12-15 In Luke Gospel to the Nameless and Faceless Dr W Mark Tew offers the Christian reader a commentary like none other Combining a detailed examination of the Greek text a fresh translation of the Gospel and a commitment to presenting the meaning of the Gospel in a fluid and contemporary fashion Luke Gospel to the Nameless and Faceless presents the advanced student and the casual reader alike with an inspirational look at the timeless beauty of Luke s Gospel Committed to the literary integrity of Scripture the author allowed the Greek text of the Gospel of Luke to determine the organizational structure of the book Because of this readers will find themselves immersed in the message of Jesus that Luke portrayed Luke Gospel to the Nameless and Faceless is destined to become an inspirational

classic [Narrative Elements in the Double Tradition](#) Stephen Hultgren,2014-11-27 For a long time mainstream gospel scholarship has assumed that the so called Q material the double tradition in Matthew and Luke represents a document or tradition that was almost exclusively orientated towards the sayings of Jesus of Nazareth with little interest in a narrative about him This book argues on the contrary that the narrative material in the double tradition existed from the very beginning within a coherent Jesus narrative that ran from his baptism to his passion Far from being inserted by Matthew and Luke into the framework of Mark the double tradition is structured on the very same narrative framework as the Gospel of Mark a framework that predates Mark Conventional dichotomies in gospel origins the historical Jesus and the history of early Christianity are thus drawn into question [Impeccability and Temptation](#) Johannes Grössl,Klaus von Stosch,2021-04-12 In Christian theology the teaching that Christ possessed both a human and divine will is central to the doctrine of two natures but it also represents a logical paradox raising questions about how a person can be both impeccable and subject to temptation This volume explores these questions through an analytic theology approach bringing together 15 original papers that explore the implications of a strong libertarian concept of free will for Christology With perspectives from systematic theologians philosophers and biblical scholars several chapters also offer a comparative theology approach examining the concept of impeccability in the Muslim tradition Therefore this volume will be of interest to scholars and graduate students working in analytic theology biblical scholarship systematic theology and Christian Islamic dialogue **The Theological Background for the Markan Account of the Baptism and Temptation of Jesus** George W.
