In Other Words Anna Porter,2018-09-25 *In Other Words* is a lively charming gossipy memoir of life in the publishing trenches and how one restlessly curious young woman sparked a creative awakening in a new country she chose to call home We need our own dreams Anna Porter When Anna Porter arrived in Canada in early 1968 with one battered suitcase little money and a head full of dreams she had no idea that this country would become her home for the rest of her life or that she would play a major role in defining what it means to be Canadian And where better to become a Canadian than at the dynamic publishing house McClelland of prima donnas such as Rolloff Beny and Harold Town whose excesses threatened to sink the company of exhausted editors dealing with intemperate writers of crazy schemes to interest Canadians in buying books She recalls the thrilling days at the helm of the company she founded in the 1980s when Canada's writers were suddenly front page news As president of Key Porter Books she dodged lawsuits argued with bank managers and fought to sell Canadian authors around the world This intriguing memoir brings to life that time in our history when finally the voices Canadians craved to hear were our own *In Other Words* is a love letter to Canada's authors and creative agitators who against almost impossible odds have sustained and advanced the nation's writing culture Moving effortlessly from the

boardrooms of Canada's elite and the halls of power in Ottawa to the threadbare offices of idealistic young publishers and ultimately to her own painful yet ever present past in Hungary Porter offers an unforgettable insider's account of what is gained and lost in a lifetime of championing our stories

**Homemaking** Catherine Wiley, Fiona R. Barnes, 2021-11-18 First published in 1996 The present volume *Homemaking Women Writers and the Politics and Poetics of Home* enters the critical discourse on gender by way of two of its most pressing issues the politics of women's locations at the end of the twentieth century and the division of experience into public and private That the emergence of systematic feminist thought in the west coincided with the invention of private life should not surprise us Feminist thinkers from Mary Wollstonecraft on were quick to realize that the designation of the public and the private male and female was key to the subordination of women

**Texas Log Buildings** Terry G. Jordan, 2010-07-05 Once too numerous to attract attention the log buildings of Texas now stand out for their rustic beauty This book preserves a record of the log houses stores inns churches schools jails and barns that have already become all too few in the Texas countryside Terry Jordan explores the use of log buildings among several different Texas cultural groups and traces their construction techniques from their European and eastern American origins
