**The Baroness** Gisela Zebroski, 2006-06      **The New York Drama**, 1876      **Eden Undone** Abbott Kahler, 2025-08-05 A power hungry baroness with two lovers disrupts life on an Eden like island in the Gal pagos and an isolated community descends into madness and murder a true story of utopia gone wrong from New York Times bestselling author Abbott Kahler Abbott Kahler s wickedly gothic tale confronts an essential truth about those who ditch civilization Try as we might humans cannot elude the tyranny of our own nature Hampton Sides author of *The Wide Wide Sea* With taut prose and sublime storytelling Kahler crafts an atmospheric page turner ominous and thought provoking Kate Moore author of *The Radium Girls* and *The Woman They Could Not Silence* At the height of the Great Depression Los Angeles oil mogul George Allan Hancock and his crew of Smithsonian scientists came upon a gruesome scene two bodies mummified by the searing heat on the shore of a remote Gal pagos island For the past four years Hancock and other American elites had traveled the South Seas to collect specimens for scientific research On one trip to the Gal pagos Hancock was surprised to discover an equally exotic group of humans European exiles who had fled political and economic unrest hoping to create a utopian paradise One was so devoted to a life of isolation that he d had his teeth extracted and replaced with a set of steel dentures As Hancock and his fellow American explorers would witness paradise had turned into chaos The three sets of exiles a Berlin doctor and his lover a traumatized World War I veteran and his young family and an Austrian baroness with two adoring paramours were riven by conflict Petty slights led to angry confrontations The baroness wielding a riding crop and pearl handled revolver staged physical fights between her two lovers and unabashedly seduced American tourists The conclusion was deadly with two exiles missing and two others dead the survivors hurled accusations of murder Using never before published archives Abbott Kahler weaves a chilling stranger than fiction tale worthy of Agatha Christie Set against the backdrop of the Great Depression and the march to World War II with a mystery as alluring and curious as the Gal pagos itself *Eden Undone* explores the universal and timeless desire to seek utopia and lays bare the human fallibility that inevitably renders such a quest doomed

*Is He Popenjoy?* Anthony Trollope, 2019-12-06 In *Is He Popenjoy* Anthony Trollope weaves a compelling narrative that delves into the complexities of social status family dynamics and the often absurd nature of inheritance The novel set in the English countryside follows the adventures of the politically astute yet morally conflicted character of the Earl of Popenjoy as he navigates the labyrinthine challenges posed by equality and privilege Trollope employs his signature blend of wit and keen observation situated within the rich context of Victorian society to critique and illuminate the era s class struggles and gender roles His adept use of dialogue and character development breathes life into a cast of memorable figures each representing varying facets of human ambition and folly Trollope s own life experiences greatly informed his portrayal of societal intricacies Born into a middle class family and raised in a rapidly changing society he was acutely aware of the intersection between wealth and morality His extensive career in the Post Office and his travels provided him with

insights into human nature and societal norms These experiences are masterfully reflected in his narratives blending personal understanding with broader social commentary Readers seeking a thought provoking exploration of identity and society will find *Is He Popenjoy* to be an essential addition to their literary repertoire Trollope invites us to ponder the weight of heritage and the true meaning of belonging all while indulging in his characteristic humor and sharp social critique Its relevance persists making it a timeless classic worthy of exploration

**Modernist Women Writers and War** Julie Goodspeed-Chadwick, 2011 In *Modernist Women Writers and War* Julie Goodspeed Chadwick examines important avant garde writings by three American women authors and shows that during World Wars I and II a new kind of war literature emerged one in which feminist investigation of war and trauma effectively counters the paradigmatic war experience long narrated by men In the past Goodspeed Chadwick explains scholars have not considered writings by women as part of war literature They have limited war writing to works by men such as William Butler Yeats's poem *An Irish Airman Foresees His Death* 1919 which relies on a male perspective a pilot contemplates his forthcoming flight his duty to his country and his life in combat But works by Djuna Barnes H D and Gertrude Stein set in wartime reveal experiences and views of war markedly different from those of male writers They write women and their bodies into their texts thus creating space for female war writing insisting on female presence in wartime and perhaps most significantly critiquing war and patriarchal politics often in devastating fashion Goodspeed Chadwick begins with Barnes who in her surrealist novel *Nightwood* 1936 emphasizes the actual perversity of war by placing it in contrast to the purported perverse and deviant behavior of her main characters In her epic poem *Trilogy* 1944 1946 H D validates female suffering and projects a feminist spiritual worldview that fosters healing from the ravages of war Stein for her part in her experimental novel *Mrs Reynolds* 1952 and her long love poem *Lifting Belly* 1953 captures her experience of the everyday reality of war on the home front within the domestic economy of her household In these works the female body stands as the primary textual marker or symbol of female identity an insistence on women's presence in both the text and in the world outside the book The strategies employed by Barnes H D and Stein in these texts serve to produce a new kind of writing Goodspeed Chadwick reveals one that ineluctably constructs a female identity within and authorship of the war narrative
