Lyric Pedagogy and Marxist-Feminism Samuel Solomon,2019-02-07 What is the political potential of poetry in the contemporary era Exploring an often overlooked history of Marxist Feminist poetics in post war Britain including such poets as Denise Riley Veronica Forrest Thomson Wendy Mulford and Nat Raha this book confronts this central question to debates about the value of humanities education today Lyric Pedagogy and Marxist Feminism demonstrates how ideas of social reproduction have been central both to the forms of post 1945 British poetry and the educational institutions where poetry is overwhelmingly encountered and produced Combining new archival research with close readings of key poets of the period the book charts the interrelated crises both of poetry itself and literary education more widely Paradoxically the very marginalisation of poetry in contemporary culture serves to offer the form new opportunities as an agent of social transformation

Women's Experimental Poetry in Britain 1970-2010 David Kennedy,Christine Kennedy,2013-11-04 Women s Experimental Poetry in Britain 1970 2010 presents the history and current state of a critically neglected significant body of contemporary writing and places it within the wider social and political contexts of the period

Modernist Legacies David Nowell Smith,Abigail Lang,2016-04-29 The first collection of essays dedicated to experimental practice in contemporary British poetry Modernist Legacies provides an overview of the most notable trends in the past 50 years Contributors discuss a wide range of poets including Caroline Bergvall and Barry MacSweeney showing these poets connections with their Modernist predecessors
