Authentic Fakes David Chidester, 2005-04-18 Authentic Fakes explores the religious dimensions of American popular culture in unexpected places baseball the Human Genome Project Coca Cola rock n roll the rhetoric of Ronald Reagan the charisma of Jim Jones Tupperware and the free market to name a few Chidester travels through the cultural landscape and discovers the role that fakery in the guise of frauds charlatans inventions and simulations plays in creating religious experience His book is at once an incisive analysis of the relationship between religion and popular culture and a celebration of the myriad ways in which invention can stimulate the religious imagination Moving beyond American borders Chidester considers the religion of McDonald s and Disney the discourse of W E B Du Bois and the American movement in Southern Africa the messianic promise of Nelson Mandela s 1990 tour to America and more He also looks at the creative possibilities of the Internet in such phenomena as Discordianism the Holy Order of the Cheeseburger and a range of similar inventions Arguing throughout that religious fakes can do authentic religious work and that American popular culture is the space of that creative labor Chidester looks toward a future pregnant with the possibilities of new kinds of authenticity

Fabulous Fakes Carole Tanenbaum, 2006-01-01 A lavishly illustrated celebration of some of the finest examples of vintage costume jewelry ranges from the Victorian era through the sophisticated designs of art deco and geometrics to the designer and artisanal jewelry of the present accompanied by valuable suggestions on how to distinguish a quality piece and appreciate its craftsmanship

Archaeological Fakes Adolf Rieth, 1970

Scientific Investigation of Copies, Fakes and Forgeries Paul T. Craddock, 2009 Scientific Investigation of Copies Fakes and Forgeries is a comprehensive guide to the technical and scientific study of the authenticity of a wide range of antiquities and artworks It is the first book to provide a full survey of the subject of forgery from a scientific basis examining a wide range of materials and techniques The demand for copies fakes and forgeries is driven by rising prices in an international marketplace The book examines the available new technologies and ever more sophisticated forging techniques looking at production and distribution of fraudulent artworks The subject is exemplified by numerous internationally based case studies some turning out not to be as conclusive as is sometimes believed The book is aimed at those who need to understand the available approaches to and methods of scientific and technical authentication be they curator collector conservator or scientist Book Jacket

Fake Kenneth Walton, 2006-05-15 It was the golden age of eBay Optimistic bidders went online to the world s largest flea market in droves ready to spend cash on everything from garden

gnomes to Mercedes convertibles Among them were art collectors willing to spend big money on unseen paintings hoping to buy valuable pieces of art at below market prices EBay also attracted the occasional con artist unable to resist the temptation of abusing a system that prided itself on being based on trust Kenneth Walton once a lawyer bound by the ethics of his profession to uphold the law was seduced by just such a con artist and eventually became one himself Ripped from the headlines of the New York Times the first newspaper to break the story Fake describes Walton s innocent beginnings as an online art trading hobbyist and details the downward spiral of greed that ultimately led to his federal felony conviction What started out as a satisfying exercise in reselling thrift store paintings for a profit in order to pay back student loans and mounting credit card debt soon became a fierce addiction to the subtle deception of luring unsuspecting bidders into overpaying for paintings of questionable origins In a landscape peopled with colorful eccentrics hoping to score museum quality paintings at bargain prices Walton entered into a partnership with Ken Fetterman an unslick yet somehow very effective con man Over the course of eighteen months they managed to take in hundreds of thousands of dollars by selling forged paintings and bidding on their own auctions to drive up the prices When their deception was discovered and made international headlines Walton found himself stalked by reporters and federal agents while Fetterman went on the lam sparking a nationwide FBI manhunt His elaborate game of cat and mouse lasted nearly three years until the feds caught up with him after a routine traffic violation and brought him to justice In this sensational story of the seductive power of greed Kenneth Walton breaks his silence for the first time and in his own words details the international scandal that forever changed the way eBay does business

Fake Stuff Yi-Chieh Jessica Lin, 2011-03-29 The Anthropology of Stuff is part of a new Series dedicated to innovative unconventional ways to connect undergraduate students and their lived concerns about our social world to the power of social science ideas and evidence Our goal with the project is to help spark social science imaginations and in doing so new avenues for meaningful thought and action Each Stuff title is a short 100 page mini text illuminating for students the network of people and activities that create their material world Yi Chieh Lin reveals how the entrepreneurial energy of emerging markets such as China includes the opportunity to profit from fake stuff that is counterfeit goods that rely on our fascination with brand names Students will discover how the names and logos embroidered and printed on their own clothes carry their own price tag above and beyond the use value of the products themselves The book provides a wonderful introduction for students to global markets and their role in determining how they function
