The Eden Man:

The Coaxialism Sorin Cerin,2011-09-19 Complete reference edition A new philosophical system created by Sorin Cerin Its principles are 1 The only true philosophy is the one accepting that Man does neither know the Truth and implicitly nor philosophy 2 Man shall never neither know the Absolute Truth nor the Absolute Knowledge because his entire existence is based on the Illusion of Life 3 Any philosophical system or philosopher which will pretend that says the Truth is liar 4 The Coaxialism is by excellence the philosophy that does NOT pretend that it speaks the Truth yet that accepts applications which sustain the reporting of the Illusion of Life to the Truth 5 The Essence of the Truth consists in its reflection at the Elements appeared before its as are those of Open Knowledge coming from the State of Fact 6 The Coaxialism accepts operation with the opposites of the opposites of the Existence with or without to be necessary the reporting to it determining the Coaxiology 7 Each Opposite has at Infinite another Opposite identical to it 8 With as an Opposite is farther so between it and the Element opposable are inserted a larger number of opposites with so the similarities between them will be more pronounced and with as the number of opposites intercalated between the two Elements will be smaller with so the contrasts between them will be more pronounced 9 How can we speak of Universes without substrate in Existence we can speak of the Knowledge without substrate in essence hence without subject 10 The factor will always be the opposite of the infinity face to which it will report as finite just as the Knowledge is reported to the Un knowledge and the life to Death In understanding coaxial the Factor will be equivalent to God the Unique Creator but and by chance face of his worlds 11 In the worlds of each Creator Factor and Unique by Chance it will reflect all other Creator Factors and Unique by Chance under form of numbers from ONE which is the Primordial Factor up to an infinite minus ONE of the Creator Factors and Unique Chance Satan, the Heavenly Adversary of Man Cato Gulaker,2020-12-10 Cato Gulaker employs narrative criticism to explore where the depiction of Satan found in the Book of Revelation is positioned on the axis of two divergent roles The literary character of Satan is commonly perceived to gradually evolve from the first divine agents in the Hebrew Bible representing the darker sides of the divine governing of affairs Job 1 2 Zech 3 1 Chr 21 1 Num 22 22 32 to the full blown enemy of God of the post biblical era However Gulaker posits that texts referring to Satan in between these two poles are not uniform and diverge considerably This book argues for a new way of perceiving Satan in Revelation that provides a more probable reading as it creates less narrative dissonance than the alternative of the ancient combat myth cosmic conflict between Satan and God From this reading emerges a subdued Satan more akin to its Hebrew Bible hypotexts and Second Temple Judaism parallels one that fits seamlessly with the theology cosmology and the overarching plot of the narrative itself Gulaker explores the functions of Satan in a text written relatively late compared to the rest of the New Testament but with strong affinities to the Hebrew Bible concluding that Satan is characterized more as the leash rod and sifting device in the hand of God than as his enemy **EdenSong: Revelations of Identity** Michele Francesca Cohen,2020-01-14 An identity crisis is pervading our

The Four Stages of Rabbinic Judaism Jacob Neusner,2003-09-02 This concise volume provides a lucid introduction to the genesis and development of Rabbinic Judaism Jacob Neusner outlines and examines the four stages in which the initial period of the historical development of Rabbinic Judaism divides beginning with the Pentateuch and ending with its definitive and normative statement in the Talmud of Babylonia He traces the development of Rabbinic Judaism by exploring the relationships between and among the cognate writings which embody its formative history **A Dictionary of the Sacred Language of All Scriptures and Myths (Routledge Revivals)** G Gaskell,2016-03-10 G A Gaskell s Dictionary of the Sacred Language of All Scriptures and Myths first published in 1923 examines several different aspects of religion including examples from Ancient Egyptian religion and mythology to modern day Christianity providing explanations of gods events and symbols in alphabetical order This is a perfect reference book for students of theology or the history of religion

The Names of God Herbert Chanan Brichto,1998-04-09 This is the sequel to the author s iconoclastic *Toward a Grammar of Biblical Poetics* Oxford 1992 in which Brichto argues for the aesthetic wholeness of the Hebrew Bible and the consistency of Scripture s preachment on God nature and the human condition in direct opposition to current source criticism which maintains that inconsistencies within the text support an atomistic reading of multiple authors In *The Names of God* Brichto brings us his poetic reading of Scripture to the Book of Genesis Using contemporary methods and insights of literary criticism he examines one of the great inconsistencies within Genesis that have led to the supposition of multiple authors the assortment of terms or names for the Deity among them Yahweh and Elohim and attempts to show the appropriateness of certain of these names to the stories in which they appear He also looks at a variety of other data within Genesis such as genealogies eponyms and chronologies and shows that their poetical function their variety ingenuity and imaginative whimsy is vital to the structure of the text as a whole In finding a unity in this diversity of materials Brichto makes a strong case for the text as the artistic achievement of a single author **Genesis 1-11:26** K. A. Mathews,1996 One in an ongoing series of esteemed and popular Bible commentary volumes based on the New International Version text

Illuminati Bible of Divine Light: Part one Sorin Cerin,2021-07-10 With the appearance of my first philosophical studies but also of aphorisms I

initially published the book entitled Bible of the Light and then a more complete form of the book Bible of the Light was the book entitled The Illuminati Bible so that in present to publish the full form of the Bible which I felt that it will be perfected with the help of God and which I decided to call the Illuminati Bible of Divine Light Some will wonder why I chose this name of The Illuminati Bible starting with that book published in 2014 the content of which is also in this book called the Illuminati Bible of Divine Light which in turn contains many other parts Simple Firstly because I wanted to help in Good the Karma of this World because Illuminati and Enlightenment are spoken of in negative terms and secondly because Illuminati comes from Enlightenment and true Enlightenment cannot bring the Evil nor can it be the Evil vile True Enlightenment must be based only on Good and never on bringing the Evil as the supreme Wickedness Therefore in order to improve the Karma of Mankind I show that Enlightenment does not consist in Wickedness but in combating Wickedness The enlightened ones cannot be a hidden group of people who lead humanity out of the shadows committing all sorts of evils and abuses to maintain power These people are by no means Enlightened but Dark If there really are some in such a situation then they use the term Illuminati or Enlightened falsely How just as Dark are those who dirtyly attack on the true Illuminati or Enlightened only out of obscure interests of a religious nature for fear that the Enlightened ones might open the souls of the People and show them the Way to the Truth from which some high prelates that are at the head of certain churches flee who are afraid that if the Truth would be found they will lose both their financial and their decision making power I believe that the future will belong to those truly Enlightened the true Illuminati A thing is to use Evil to bring through it Good and another is to use Evil to bring through it the Wickedness The true Enlightened and not Dark are those who understand that the Evil can only be used for Good when he can do it and the Good only for the Evil less Evil when the Good itself can lead to destruction disaster or pain The real Bad People the Dark Ones are the ones who use both Good and Evil to do as much as possible Evil and not Good Mankind must understand that the Evil and Good the God and the Devil are an Entity with two distinct characteristics an Entity that defines our True God that is our Creator Factor and Unique Incidentally Therefore in order to improve the Karma of this World we will have to pray to the Universal Consciousness formed by the Universal Pure Language That is to pray to the Divine Light of all the Worlds the Supreme God of Intelligence which to inspire our thoughts so that to use in moderation both Good and Evil for the ultimate purpose of doing and bringing through us as much as possible Good Why didn't I let in continuation the name of the Illuminati Bible and to this new much deeper work of the Bible and call it the Illuminati Bible of Divine Light Because compared to the other book called the Illuminati Bible the Illuminati Bible of Divine Light contains in addition to the content of that book many other new chapters that appeared with the new Wisdom Collections or with the final form of the Coaxialism Sorin Cerin *The Meditations of a Profane Man* "H. The unity and harmony in God's word, as found in the Bible, the world, and man John Coutts (of Highbury.),1881 **The Path of Self Transformation** Mark L. Prophet,Elizabeth Clare Prophet,2010-08-20 Who is Christ Who is Antichrist Both are

present in the world as well as within ourselves How do we tell them apart especially when the strategies of Antichrist are subtle and calculated to deceive The Path of Christ or Antichrist provides clarity and insight into the most important choice that we make in life to be or not to be who we really are This is a choice we affirm with each decision large or small that we make in life The authors outline the difference between Christ and Antichrist and hence the choices that we all face on the path to spiritual enlightenment and self mastery They offer new interpretations of the age old battle between light and darkness and how it affects our daily lives along with spiritual techniques to guard our consciousness and direct spiritual light and energy for the blessing and healing of all life **Classical Christianity and Rabbinic Judaism** Bruce D.

Chilton, Jacob Neusner, 2012-02-01 Among the world's religions Christianity and Judaism are the most symmetrical But in our day of religious tolerance a tendency to overlook the vital differences between the two religions in the name of good will can undermine constructive Jewish Christian dialogue In this book Bruce D Chilton describes early Christian thought and Jacob Neusner describes early Judaic thought on fundamental issues such as creation and human nature Christ and Torah sin and atonement and eschatology At the end of each chapter each assesses the other's perspective and a final chapter explains why the authors believe theological confrontation not just comparison defines the task of interfaith dialogue today *The*

Interlinear Literal Translation of the Hebrew Old Testament, 1897 The New York Public Library's Books of the Century

Elizabeth Diefendorf, 1997 Documents an exhibition created to celebrate the one hundredth anniversary of the New York Public Library in 1995 profiling books that had a significant influence consequence or resonance during the library's first century Lists over 150 titles grouped within eleven categories **The Fall Reconsidered** Igal German, 2016-05-27 The sin

narratives of Genesis 3 and 4 have been scrutinized by biblical interpreters throughout the centuries Some exegetical traditions have separated the story of Cain Abel from the preceding Edenic narrative thus undermining the unity of the Primeval History The book synthesizes the sin narratives of Adam Eve and Cain Abel and examines a wide range of premodern biblical interpretations attesting to their literary and theological unity This study makes a case for reading these primordial narratives as one familial saga that conveys to the reader the origins of human defiance against God Illuminati Bible of Divine Light Sorin Cerin, The present book entitled the Illuminati Bible of Divine Light is a work of philosophy that deepens both ontological and gnoseological themes regarding the Existence of God and implicitly ours I have said many times so far that philosophy is the religion of the future At the base of the Illuminati Bible of Divine Light is the philosophical religious system called Coaxialism published in its final form in the book entitled Coaxialism Final Edition but also the Collection of Wisdom consisting of 16 777 aphorisms structured according to certain themes published in its final form in the book entitled The Wisdom Collection 16 777 Philosophical Aphorisms 2020 Edition The God of the Illuminati Bible of Divine Light is not a dictatorial God who demands total submission from Man so that Man can benefit from a Paradise after Death but is a God of Man's rediscovery in his own Self The God of this World is the Creator Factor and Unique Incidentally who is

defined through a Meaning that forms a Word In the Parallel Universes there are an infinity of Creator Factors and Unique Incidentally where each one in part is a Meaning that in turn determines a Word in the respective Universe Word from which the respective Universe was formed as well as our Universe in turn was formed from the Word of our own Creator Factor and Unique Incidentally The totality of the Creator Factors and Unique Incidentally that is the totality of the Meanings which determine in their turn each in part a Word form the Universal Pure Language which in its totality determines the Consciousness Unique and Incidentally of the Universal Unique Expression which is the Supreme God the Supreme Intelligence of all Universes whose number is infinite as is infinite and the number of the Words defined in turn each in part by the Creator Factors and Unique Incidentally The Unique Incidentally Consciousness of the Universal Unique Expression always KNOWS where it is and what namely it does each atom in part each elementary particle in part from each Universe which in turn together with all the other Universes makes up the infinity of Universes I have always said that we are from before us that is we are a reflection of what was and from here comes the Destiny that cannot be changed and the Free Will is an Illusion from the great range of the Illusions of Life Everything that will Happen in our Future has Happened and has been in our Past before it was Time Thus the spiritual Energy of our Soul is allowed to pass through the Happenings that the Illusion of our own Life renders to us as being something new even though they were long before us We are a quantum of energy which flows through a reflection of the World that was before Time a World through whose reflection we flow in the so called Present with our own spiritual energies of the Soul having the false sensation of Time Past Present and Future From this flowing of ours through the reflection of that World in the Mirror of Knowledge we have the feeling that we are living our own Life even though in reality we are living our own Illusion of Life In conclusion we are only a quantum of energy which flows through the reflected images of the World that was somewhere sometime from before Time As those images of the World in whose reflection we have the Illusion that we live cannot be changed so neither our Destiny cannot be changed because it flows once with the spiritual energies of our Souls through the images of that World which cannot be changed by us because that World was before us Thus precisely the Illusion of Life that gives us the so called Free Will he which in reality does not exist she the Illusion of Life is the one that can help us to improve or worsen the spiritual energy of our Soul Hence results the necessity of the Illusion of Life in this World Thus once we travel through this World with Happenings that were long Before we believed that it Happens accompanied by the Illusion of Life that makes us believe in the existence of Free Will we go through all sorts of Trials that are the spiritual relief forms of this World which is a reflection of what was somewhere sometime and from here comes the ineffable Destiny Destiny is ineffable because it cannot be changed because neither the World through whose reflection we pass can never be changed Thus the religions that have developed in this World did not appear Incidentally but they existed in the Initial World that was reflected in the Mirror of our Knowledge a World that was long Before us In that World was also Jesus Christ and the other Great Prophets such as the Prophet

Muhammad the Buddha Moses etc What Happened on Earth that is in our World was that some Souls who were so spiritually perfect had the approval of God to travel through this World in the bodies of these Great Prophets just as each of us have the acceptance of God to travel through this World in our own bodies which are some vehicles that take us from the destination of Birth to the destination of Death These vehicles which are our bodies they too are in turn a reflection of a World that was long Before us Due to these things every Man is born under the specter of a certain Religion which has been left so by God through Destiny to Happen The appearance of the Great Prophets was due to the Destiny Jesus Christ did not appear from Nothingness Incidentally in our World but was left namely to Happen in this way by God because God is the one who let the Mirror of Knowledge through which we to can become Aware of this World That s exactly why every Man is good to follow the Religion existing in the area where he was born and to respect the Religions of other People born in other areas where there are other kinds of Religions until these will be replaced or not by other Religions or philosophical and religious systems with the Will of God that is on the understanding of some in a natural way and not forced by anyone Even Atheism is in itself a Religion precisely through the fact that it is based on a certain Faith where God is represented through the Laws of the Universe It has been speculated about me that in the book The Evil I do not make a clear distinction between the Evil necessary for the existence of Good and the Devil Evil is necessary for the existence of Good just as Good is necessary for the existence of Evil Evil can often be a far greater Good than Good and vice versa Good can sometimes be a far greater Evil than Evil Instead with what I do not agree and can really be considered an Evil that can be Devilish is for example Wickedness About wickedness I have developed an entire chapter in the book entitled The Far Future of Mankind Philosophical Aphorisms the Chapter of Wickedness aphorisms 1 227 a book which in turn is part of The Wisdom Collection 16 777 Philosophical Aphorisms which in turn is part from this book entitled The Illuminati Bible of Divine Light Thus Wickedness is something demonic which must be combated because the Evil it brings does not serve the Good than in a much lesser extent than the Good could serve the Evil from this Wickedness If we are to attribute Wickedness to the Devil then we must certainly avoid him as much as we can In conclusion Evil and Good are the attributes of God when Evil can help the Good and of the Devil when Evil can not help the Good than an even greater Evil There is all sorts of speculation concerning the fact that I would have stated in Coaxialism that Man thinks only with a tiny percentage of the brain I even said that Man does not think than with 2 percent from his brain I stated this in the context in which I wanted to express that only a tiny percentage of the cognitive total we use would have any connection with the Absolute Truth through this interweaving of Illusions of the Life through which we travel during our own Life In reality I think that that two percent percentage is very high and in reality it would not be not even that much And the brain in turn is also an Illusion from the arsenal of the Illusions of Life so the so called ability of the human brain to process data is an Illusion as great as our own Illusion of Life is It is irrelevant whether or not Man uses his entire brain in the thought process once his entire thought process is subjected to the Illusion of

Life and due to this fact the Man's thinking is not anchored by even two percent to the Absolute Truth. With the appearance of my first philosophical studies but also of aphorisms I initially published the book entitled Bible of the Light and then a more complete form of the book Bible of the Light was the book entitled The Illuminati Bible so that in present to publish the full form of the Bible which I felt that it will be perfected with the help of God and which I decided to call the Illuminati Bible of Divine Light. Some will wonder why I chose this name of The Illuminati Bible starting with that book published in 2014 the content of which is also in this book called the Illuminati Bible of Divine Light which in turn contains many other parts. Simple. Firstly because I wanted to help in Good the Karma of this World because Illuminati and Enlightenment are spoken of in negative terms and secondly because Illuminati comes from Enlightenment and true Enlightenment cannot bring the Evil nor can it be the Evil vile. True Enlightenment must be based only on Good and never on bringing the Evil as the supreme Wickedness. Therefore in order to improve the Karma of Mankind I show that Enlightenment does not consist in Wickedness but in combating Wickedness. The enlightened ones cannot be a hidden group of people who lead humanity out of the shadows committing all sorts of evils and abuses to maintain power. These people are by no means Enlightened but Dark. If there really are some in such a situation then they use the term Illuminati or Enlightened falsely. How just as Dark are those who dirtyly attack on the true Illuminati or Enlightened only out of obscure interests of a religious nature for fear that the Enlightened ones might open the souls of the People and show them the Way to the Truth from which some high prelates that are at the head of certain churches flee who are afraid that if the Truth would be found they will lose both their financial and their decision making power. I believe that the future will belong to those truly Enlightened the true Illuminati. A thing is to use Evil to bring through it Good and another is to use Evil to bring through it the Wickedness. The true Enlightened and not Dark are those who understand that the Evil can only be used for Good when he can do it and the Good only for the Evil less Evil when the Good itself can lead to destruction disaster or pain. The real Bad People the Dark Ones are the ones who use both Good and Evil to do as much as possible Evil and not Good. Mankind must understand that the Evil and Good the God and the Devil are an Entity with two distinct characteristics an Entity that defines our True God that is our Creator Factor and Unique. Incidentally Therefore in order to improve the Karma of this World we will have to pray to the Universal Consciousness formed by the Universal Pure Language. That is to pray to the Divine Light of all the Worlds the Supreme God of Intelligence which to inspire our thoughts so that to use in moderation both Good and Evil for the ultimate purpose of doing and bringing through us as much as possible Good. Why didn't I let in continuation the name of the Illuminati Bible and to this new much deeper work of the Bible and call it the Illuminati Bible of Divine Light. Because compared to the other book called the Illuminati Bible the Illuminati Bible of Divine Light contains in addition to the content of that book many other new chapters that appeared with the new Wisdom Collections or with the final form of the Coaxialism. In the last edition of the Wisdom Collection I published six other new books of philosophical aphorisms bringing the Collection of Wisdom to a total of

16 777 philosophical aphorisms The last books refer to topics such as those related to Justice to the World after Death to the philosophy of Artificial Intelligence to the far Future of Mankind etc All this highlights not only a Bible with concepts like the one I called the Illuminati Bible but also one that fully reflects my thinking and faith as a whole which is based on my philosophical religious system called Coaxialism and therefore the book could not be called otherwise than the Illuminati Bible of Divine Light Especially since in this book entitled the Illuminati Bible of Divine Light there is also the final form of my philosophical religious system called Coaxialism where I refer to Transcendental Coaxiological Mathematics but also to Mathematical Psychology I am convinced that philosophy Coaxialism will become part of the Religion of the Future a Religion whose churches will be the souls of the People Yes I want that the soul of every Man to be a Temple of worship Enlightened by the Divine Light of Absolute Truth whose Thought is reflected by the Universal Consciousness of the Universal Pure Language A Language whose Words are infinite and of all these Words one of them is our God that is our Creator Factor and Unique Incidentally who gave birth to this World Sorin Cerin July 7 2021 **On the Trail of the Bad Men** Arthur Train,1925 The author recalls stories of bad men laws women beasts and even bad lawyers in this collection of legal anecdotes The Biblical "One Flesh" Theology of Marriage as Constituted in Genesis 2:24 Rene Gehring,2013-08-12 This book provides a thorough study of the sole biblical foundation of marriage as given in the short description of Genesis 2 24 For this reason a wipfpass **A Present to Youths & Young Men** Edmund Shorthouse,1908
