The Elder Brother Jesus In A Course In Miracles:

Biblical Quotes from A Course in Miracles Reinterpreted Gene Skaggs Jr.,2011-09-15 The popular spiritual teaching known A Course in Miracles ACIM presents a radically new vision of Christianity using many of the familiar terms and ideas of that old time religion in refreshingly different ways In a number of places the Course refers to specific quotes from the Bible and reinterprets them in a new light This handy compilation of Biblical references made in the Course is compiled by veteran ACIM teacher Gene Skaggs Jr who presents each Bible quote with the Course s reinterpretation followed by brief explanatory remarks of his own An essential guidebook for anyone trying to understand the new vision of Christianity presented by A Course in Miracles **Messages from Our Elder Brother--Jesus** Jesus Christ (Spirit),1984 **Owning Your Magnificence** Cindi Lane,2012-06-08 Owning Your Magnificence A Spiritual Psychology was inspired by a path to enlightenment called A Course in Miracles There are many paths to enlightenment but from the top looking down there is only one I was a traditional psychologist in my twenties however there seemed to be little room to talk about spirituality except to mention a spiritual awakening and the importance of service I have been an Advanced Teacher of the Course for twenty five years and made the divine decision to become a Licensed Clinical Mental Health Counselor so I could be in private practice for twenty years My second book A Spiritual EmergencyThe Myth of Mental Illness will soon follow The Gift of the Great Rays Sally J. McKirgan,2022-08-11 We have a Choice Peace or Hell This collection of essays and poetry including the author s experience of the Great Rays offers reflections on choosing peace while living in a chaotic world This world is not always a nice place with mass killings wars starvation and death But happiness and inner peace are possible because it s a conscious choice nurtured and attended to carefully The world is dualistic with opposites good bad love fear and life death Consequently we inherited a dualistic split mind The ego part chooses judgment and separation It is NOT your friend being the opposite of love It manipulates gives only to get must always win is jealous judges everyone and everything making you fearful and unhappy Observing the ego is crucial for peace otherwise we don t realize the problem Question the thoughts that run on automatic They cover the light and innocence that you are with no promise of peace or freedom Help is available from the other part of your mind the higher Self After tiring of the pain and deciding to find another way with an open mind we go to the stately calm within Turning inward to quietness we ask for guidance from the Holy Spirit to see things differently Now open to the gentle inner voice we choose a different perspective We listen silently for the thought bringing wisdom and gradually removing the blocks to love shining within We can t do this with the ego We need Help from truth residing in the mind It is simple life changing and it needs watchfulness and mind training These essays will help in realizing your true identity you are innocent eternal a Light in this world you are needed and the promise of peace is worth the effort Experiencing the Lessons of a Course in Miracles James R. Laws,2014-07-29 James Laws became a student of A Course in Miracles ACIM in 1999 and continues to advance in its miraculous mind training spiritual program With individual
