

The Elder Latino Elder Minority Ser

Melvin Delgado

The Elder Latino Elder Minority Ser:

Latino Elders and the Twenty-First Century Melvin Delgado, 2021-04-14 *Latino Elders and the Twenty First Century* Issues and Challenges for Culturally Competent Research and Practice will help social workers researchers and organizations identify and analyze ways of meeting the demands of the increasing number of elderly Latinos Working from conceptual frameworks case studies and examples this book provides you with a demographic picture of Latino elders and investigates the needs of ethnic specific groups Latino Elders and the Twenty First Century will help you develop and create culturally competent intervention methods that take the culture beliefs and situations of Latino elders into consideration Addressing the future challenges to individuals involved in the field of gerontology this book offers you current studies on the assessment of present services for Latino elders how they can be improved and why these individuals may be reluctant to seek financial or medical help Latino Elders and the Twenty First Century will assist you in devising policies and programs aimed at improving services for Latino elders including providing Latino and non Latino staff with an understanding of culturally competent principles such as values knowledge and skills that will help them give attention to individual and cultural needs improving staff development by assessing issues and underlying causes of client problems using the self and other cultural awareness models to help professionals realize their own values attitudes and behaviors examining community resources such as gift shops clothing shops and beauty parlors in Puerto Rican communities that offer interpreter services integration of the lonely and community leadership to the elderly considering family structure and personal identification to facilitate access to health care services minimizing stress of caregivers by fully understanding how they identify their roles within their families evaluating their needs and capacity as caregivers and offering counseling approaches that recognize the dynamics of caregiving examining contributing factors to substance abuse among elders and researching incidence prevalence patterns of use etiology and consequences of this behavior Latino Elders and the Twenty First Century explores the possibilities of further research in the areas of substance abuse among the elderly and the importance of businesses in ethnic communities to meet the growing needs of clients In order to assist specific groups of Latinos this book examines social and medical needs and services for Dominicans Puerto Ricans and Yaqui elders of Old Pascua Latino Elders and the Twenty First Century will help you develop culturally sensitive programs for individual clients and diminish barriers to service

Minority Elderly Services United States Commission on Civil Rights, 1982 *Social Care of the Elderly* Marjorie H. Cantor, Mark Brennan, PhD, 2000-02-29 A welcome addition to the literature in this important area of work that builds on the empirical studies which have illuminated our understanding of the requirements of effective service provision The final section is in a real sense a call for action for all of us in the field and for public officials and opinion makers to respond to the need for Social Care now and in the new millenium from the foreword by Rose Dobrof DSW Brookdale Professor of Gerontology Hunter College and James R Dumpson PhD Chairman of Policy Center for Aging New York Community Trust

Based on two groundbreaking studies of older people in an urban setting this important book focuses on access to social services for different ethnicities Cantor and Brennan review different models and provide the theoretical base for the book in Part I They describe ways in which the complementary roles of informal and formal systems change as a function of the health status of older people In Part II they illustrate the ways in which ethnicity class and culture affect the roles of the formal and informal systems by focusing on specific case studies of African American Latino and Jewish elderly **Impact of Budget Cuts on the Elderly, New York** United States. Congress. House. Select Committee on Aging. Subcommittee on Human Services,1982 **Minority Elderly Services: June 1982** ,1982 Handbook of LGBT Elders Debra A. Harley,Pamela B. Teaster,2015-08-05 This groundbreaking resource presents a wealth of findings and perspectives previously unseen in the LGBT literature Its focus on psychological sociopolitical and care delivery issues affecting LGBT elders reveals both the nuanced interplay between diverse sources of identity and multiple sources of stigma and discrimination Specific chapters highlight challenges and resiliencies impacting subpopulations e g racial groups veterans immigrants examine employment and advocacy issues discuss later life concerns in context and offer guidelines for relevant ethical practice Contributors represent a wide range of fields from psychiatry and gerontology to public health and public policy reflecting the scope and needs of this diverse and complex population Among the topics in the Handbook Family relationships of older LGBT adults The intersection of identities race age sexuality and care network Bisexuality an invisible community among LGBT elders Implications of the Supreme Court ruling on same sex marriage No money no work and you re old Disabilities among LGBT elders responses of medicine public health rehabilitation and social work Handbook of LGBT Elders is an essential reference for mental health professionals psychologists and social workers who work with the LGBT community and the elderly as well as researchers interested in the LGBT community and aging Minority Elderly Services ,1982 **Reichel's Care of the Elderly** Joseph J. Gallo,William Reichel,1999 Geared specifically for the family practitioner this text provides clinical approaches to the whole geriatric patient Topics covered in this fifth edition include behavioural disturbances in dementia driving and the older adult and clinical practice guidelines in the elderly Minority Elderly Access to Health Care and Nursing Homes United States Commission on Civil Rights. New York State Advisory Committee,1992 *Subject Guide to Books in Print* ,1997 *Handbook of Social Work in Health and Aging* Barbara Berkman,2006-02-09 The Handbook of Social Work in Health and Aging is the first reference to combine the fields of health care aging and social work in a single authoritative volume These areas are too often treated as discrete entities while the reality is that all social workers deal with issues in health and aging on a daily basis regardless of practice specialization As the baby boomers age the impact on practice in health and aging will be dramatic and social workers need more specialized knowledge about aging health care and the resources available to best serve older adults and their families The volume s 102 original chapters and 13 overviews written by the most experienced and prominent gerontological health care scholars in the

United States and across the world provide social work practitioners and educators with up to date knowledge of evidence based practice guidelines for effectively assessing and treating older adults and their families new models for intervention in both community based practice and institutional care and knowledge of significant policy and research issues in health and aging A truly monumental resource this handbook represents the best research on health and aging available to social workers today

Availability and Usefulness of Federal Programs and Services to Elderly Mexican-Americans
United States. Congress. Senate. Special Committee on Aging,1969 Availability and Usefulness of Federal Programs and Services to Elderly Mexican-Americans: Los Angeles, Calif., Dec. 17, 1968 United States. Congress. Senate. Special Committee on Aging,1969

The Encyclopedia of Aging Linda S. Noelker, PhD,Kenneth Rockwood, MD, FRCPC,Richard L. Sprott, Ph.D.,2006-03-17 A COMPREHENSIVE RESOURCE ON GERONTOLOGY AND GERIATRICS Since its inception in 1987 The Encyclopedia of Aging has proven to be the definitive resource for scholars and students across the burgeoning and increasingly interdisciplinary fields of gerontology and geriatrics Like its three esteemed predecessors the fourth edition contains concise readable explorations of hundreds of terms concepts and issues related to the lives of older adults as well as timely coverage of the many new programs and services for the elderly Updated under the distinguished stewardship of editor in chief Richard Schulz to reflect the infusion of new information across the scientific disciplines this new edition brings readers up to the moment significant advances in biology physiology genetics medicine psychology nursing social services sociology economics technology and political science While retaining the format and standard of excellence that marked the first three editions the fourth edition encompasses a wealth of new information from the social and health sciences It contains the most current bibliography of an expanding literature an exhaustive index and extensive cross references This much anticipated update of the field s most authoritative resource will take its place as an indispensable reference for specialists and non specialists across a broad range of disciplines that now comprise the field of aging

SPRINGER SERVING THE HEALTHCARE AND HELPING PROFESSIONS FOR MORE THAN 55 YEARS

Minorities, Aging and Health Kyriakos S. Markides,Manuel Miranda,1997-09-22 Ethnic minorities represent a growing percentage of the elderly population in the United States Yet the impact of aging on minority groups and subgroups has only been partially studied Minorities Aging and Health fills the gap and opens the debate on how to provide for the specific needs of an increasingly elderly population Specific issues covered in this volume include mortality and life expectancy the incidence of chronic disease and disabilities diet and nutrition mental health access to health services and long term care and public health care policy

Improving Oral Health for the Elderly Ira B. Lamster,Mary E. Northridge,2008-01-11 This excellent new work confronts two important oral health policy concerns in the United States the disparities in the oral disease burden and the inability of certain segments of the population to access oral health care The book examines in depth this crucial yet frequently overlooked indicator of seniors quality of life It provides an invaluable set of recommendations to the clinical

research and administrative communities that will serve the elderly population **Health Care Financing Review** ,1983

The Encyclopedia of Elder Care Eugenia L. Siegler MD, FACP, Elizabeth Capezuti PhD, RN, FAAN, Mathy Mezey EdD, RN, FAAN, 2007-10-25 Focusing on the broad but practical notions of how to care for the patient The Encyclopedia of Elder Care a state of the art resource features nearly 300 articles written by experts in the field Multidisciplinary by nature all aspects of clinical care of the elderly are addressed Coverage includes acute and chronic disease home care including family based care provisions nursing home care rehabilitation health promotion disease prevention education case management social services assisted living advance directives palliative care and much more Each article concludes with specialty web site listings to help direct the reader to further resources Features new to this second edition More extensive use of on line resources for further information on topics Thoroughly updated entries and references Inclusion of current research in geriatrics reflecting evidence based practice New topics including Assisted Living Nursing Home Managed Care Self Neglect Environmental Modifications Home Institution Technology Neuropsychological Assessment Psychoactive Medications Pain Acute and Chronic Still the only reference of it kind The Encyclopedia of Elder Care will prove to be an indispensable tool for all professionals in the field of aging such as nurses physicians social workers counselors health administrators and more

Solving Latino Psychosocial and Health Problems Kurt C. Organista, 2007-05-04 The most current and relevant best practices for working with diverse groups within Latino culture It is estimated that in just two generations the United States will follow Mexico with the second largest Latino population in the world Optimistic and timely Solving Latino Psychosocial and Health Problems addresses the social welfare of this important ethnic community Noted expert Kurt Organista employs a practice oriented approach to addressing the interwoven psychosocial and health related concerns that impact this community and offers thoughtful and much needed solutions This important book realistically considers the Latino community's imposing and rapidly growing population size complex set of challenging issues and the tremendous diversity between and within each major U S Latino group Section I applies a series of highly relevant frameworks to deepen your understanding of the historical and current cultural and social experiences of diverse Latino populations in the United States ending with a unique practice model for working with Latinos Section II provides detailed illustrations of the best and most promising practices for working with various Latino populations A must read for practitioners students and policy makers Solving Latino Psychosocial and Health Problems richly embraces the distinctness of the wide range of Latino ethnic identities in the United States and provides a practical and thought provoking resource relevant to a broad range of helping professionals **Handbook of Minority Aging** Tamara A. Baker, Keith E. Whitfield, 2014 The array of topics covered is amazing making this book a valuable significant resource for many disciplines This multidisciplinary review of the literature on minority aging presents the scholarship related to public health and social behavioral and biological concerns of aged minorities like no other publication Graduate students will certainly be well served by this book as would faculty teaching

aging at both undergraduate and graduate levels Highly recommended Choice Current Reviews for Academic Libraries while practitioners of gerontology family medicine and any professional involved in the care of the elderly will find some practical guidance in the second part of the book it will really earn a place on the bookshelf of anyone and everyone with an interest in US sociology and the development of public policy for the elderly With the general aging of the population and the book s accentuation of current issues this outstanding review will become an indispensable tool Healthy Aging Research This text provides up to date multidisciplinary and comprehensive information about aging among diverse racial and ethnic populations in the United States It is the only book to focus on paramount public health issues as they relate to older minority Americans and addresses social behavioral and biological concerns for this population The text distills the most important advances in the science of minority aging and incorporates the evidence of scholars in gerontology anthropology psychology public health sociology social work biology medicine and nursing Additionally the book incorporates the work of both established and emerging scholars to provide the broadest possible knowledge base on the needs of and concerns for this rapidly growing population Chapters focus on subject areas that are recognized as being critical in understanding the well being of minority elders These include sociology Medicare SES work and retirement social networks context neighborhood ethnography gender demographics psychology cognition stress mental health personality sexuality religion neuroscience discrimination medicine nursing public health mortality and morbidity disability health disparities long term care genetics dietary issues health interventions physical functioning social work caregiving housing social services end of life care and many other topics The book focuses on the needs of four major ethnic groups Asian Pacific Islander Hispanic Latino African American and Native American Key Features Provides current comprehensive information about minority aging through a multidisciplinary lens Integrates information from scholars in gerontology anthropology psychology public health sociology social work biology medicine and nursing Emphasizes the principal public health issues concerning minority elders Offers one stop shopping regarding the development of a substantial knowledge base about minority aging Includes recent progressive research pertaining to the social cultural psychological and health needs of elderly minority adults in the US

The Elder Latino Elder Minority Ser Introduction

In the digital age, access to information has become easier than ever before. The ability to download The Elder Latino Elder Minority Ser has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download The Elder Latino Elder Minority Ser has opened up a world of possibilities. Downloading The Elder Latino Elder Minority Ser provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading The Elder Latino Elder Minority Ser has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download The Elder Latino Elder Minority Ser. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading The Elder Latino Elder Minority Ser. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading The Elder Latino Elder Minority Ser, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download The Elder Latino Elder Minority Ser has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About The Elder Latino Elder Minority Ser Books

1. Where can I buy The Elder Latino Elder Minority Ser books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
