The Elephants Of Reckoning:

The Elephants of Reckoning Indran Amirthanayagam,1993 *The World Next Door* Rajini Srikanth,2004 This book grows out of the question At this particular moment of tense geopolitics and inter linked economies what insights can South Asian American writing offer us about living in the world South Asian American literature with its focus on the multiple geographies and histories of the global dispersal of South Asians pulls back from a close up view of the United States to reveal a wider landscape of many nations and peoples South Asian American poets novelists and playwrights depict the nation as simultaneously discrete and entwined with the urgencies of places as diverse as Bangladesh Sri Lanka India Burma Pakistan and Trinidad Drawing on the cosmopolitan sensibility of scholars like Anthony Appiah Vinay Dharwadker Martha Nussbaum Bruce Robbins and Amartya Sen this book exhorts North American residents to envision connectedness with inhabitants of other lands The world out there arrives next door *USIA World* ,1995 **The Parasites of Elephants** Thomas Spencer Cobbold,1882 *The Gradual Elephant* H. S. Toshack,2010 *Journal of the Royal Asiatic Society of Great Britain and Ireland* ,1889 *Journal of the Royal Asiatic Society of Great Britain and Ireland* Royal Asiatic Society of Great Britain and Ireland,1915 *ELEPHANT-THE LADY BOSS* Dr. C.H. Basappanavar,2021-04-09 Why elephant is known as The Lady Boss The Indian elephant *Elephas maximus* the matriarchal society is led by the wisest and eldest female of the family herd Here the matriarch is the boss Being hub of the family she not only performs the usual maternal tasks but also protects the family with extreme efficiency from potential enemies apart from guiding the family to safety in times of crises The matriarch keeps male suitors at a trunk's distance only allowing them to join the herd when their presence is felt necessary to service the females in oestrus Her long memory over fifty years experiences among others help in leading the family to introduce potential feeding grounds waterholes natural springs and salt licks within her domain ranging over 50 or more km² The matriarchal family remains united and truly stable to enable to wage war against adversaries and enemies With prowess and devotion to her kin the gentle giant remains the unquestionable authority She acts like a lady and thinks like a boss Hence the book *ELEPHANT-THE LADY BOSS* **Journal of the Royal Asiatic Society of Great Britain & Ireland** Royal Asiatic Society of Great Britain and Ireland,1889 With appendices **The Biodemography of Subsistence Farming** James W. Wood,2020-04-23 Viewing the subsistence farm as primarily a demographic enterprise to create and support a family this book offers an integrated view of the demography and ecology of preindustrial farming Taking an interdisciplinary perspective it examines how traditional farming practices interact with demographic processes such as childbearing death and family formation It includes topics such as household nutrition physiological work capacity health and resistance to infectious diseases as well as reproductive performance and mortality The book argues that the farming household is the most informative scale at which to study the biodemography and physiological ecology of preindustrial non commercial agriculture It offers a balanced appraisal of the farming system considering its strengths and limitations as well

as the implications of viewing it as a demographic enterprise rather than an economic one A valuable resource for graduate students and researchers in biological and physical anthropology cultural anthropology natural resource management agriculture and ecology **Journal of the American Oriental Society** American Oriental Society,1889 List of members in each volume *The Social and Military Position of the Ruling Caste in Ancient India, as Represented by the Sanscrit Epic* Edward Washburn Hopkins,1889 **Cyclopaedia of India Eastern and Southern Asia** Edward Balfour,2023-02-21 Reprint of the original first published in 1871 The publishing house Anatiposi publishes historical books as reprints Due to their age these books may have missing pages or inferior quality Our aim is to preserve these books and make them available to the public so that they do not get lost **The Elephants in the Room** Martin Rowe,2013 Through the lens of Rowe s relationships with two Kenyan conservationists Wangari Maathai and Daphne Sheldrick this book surveys a number of prejudices that many of us who are fortunate to be born with the privileges attached to our skin color sex and access to resources don t like to deal with race misogyny and the legacy of empire By examining the two women s memoirs *Unbowed* and *Love Life and Elephants* both of which were launched following talks at the American Museum of Natural History in New York City these metaphorical elephants in the room are combined with a study of the exploitation of actual elephants on the continent of Africa and the iterations of memory that are disclosed or hidden in the writing of memoirs and the collecting of bones for museums *A Sanskrit-English Dictionary* Carl Cappeller,1891 Bes - The Omnibus William Forde,2014-10-26 Bes is a story suitable for the New Millennium reader aged between 9 13 years It tells a story that loosely links with the three character types I introduced in *The Bear with a Sore Head* Solo and Solomon and *Elephants Cry Too* It is the first day of a New Millennium and the maker of all time who is disappointed with the humans of the earth sends a three dimensional spirit to the earth in the form of a strange looking animal that is part bear part sheep and part elephant The three dimensional spirit is Bes whose form is in the shape of part bear part elephant and part sheep Bes is given 40 years in which to spread a message of peace and love to all of the earth s creatures If Bes can persuade the animals to live in peace and love its purpose will have been served and as a reward to the animal kingdom the maker of all life will give all animals supremacy and rule over all humans **The Amboseli Elephants** Cynthia Moss,Harvey Croze,Phyllis C. Lee,2011-03-15 Elephants have fascinated humans for millennia Aristotle wrote of them with awe and Hannibal used them in warfare This book is the summation of what s been learned from the Amboseli Elephant Research Project AERP the longest continuously running elephant research project in the world **Catamaran** ,2003 **Game Changer** Glen Martin,2012-03-30 Are conservation and protecting animals the same thing In *Game Changer* award winning environmental reporter Glen Martin takes a fresh look at this question as it applies to Africa s megafauna Martin assesses the rising influence of the animal rights movement and finds that the policies championed by animal welfare groups could lead paradoxically to the elimination of the very species including elephants and lions that are the most cherished In his anecdotal and highly engaging style Martin takes

readers to the heart of the conflict He revisits the debate between conservationists who believe that people whose lives are directly impacted by the creation of national parks and preserves should be compensated versus those who believe that restrictive protection that forbids hunting is the most effective way to conserve wildlife and habitats Focusing on the different approaches taken by Kenya Tanzania and Namibia Martin vividly shows how the world's last great populations of wildlife have become the hostages in a fight between those who love animals and those who would save them
