Hans M. Zell, Cécile Lomer

The Encyclopaedia Africana Dictionary Of African Biography Vol 1 Ethiopiaghana:

Dictionary of African Biography Emmanuel Kwaku Akyeampong, Professor Henry Louis Gates, Jr., 2012-02-02 From the Pharaohs to Fanon Dictionary of African Biography provides a comprehensive overview of the lives of the men and women who shaped Africa's history Unprecedented in scale DAB covers the whole continent from Tunisia to South Africa from Sierra Leone to Somalia It also encompasses the full scope of history from Queen Hatsheput of Egypt 1490 1468 BC and Hannibal the military commander and strategist of Carthage 243 183 BC to Kwame Nkrumah of Ghana 1909 1972 Miriam Makeba and Nelson Mandela of South Africa 1918 The Individual in African History ,2020-03-31 This volume investigates the

development of biographical study in African history and historiography Consisting of 10 case studies it is preceded by an introductory prologue which deals with the relationship between historiography and different forms of biographical study in the context of Western history writing but especially African historical and anthropological studies The first three case studies deal with the methodological insights of biographical studies for African history This is followed by three case studies dealing with personas living through fundamental societal transitions and four case studies focusing on the discursive dimensions of biographical subjects including religion cosmology and ideology Countries or regions discussed include South Africa Zambia Gold Coast Cameroon Tanganyika Congo Kinshasa and the Central African Republic in colonial times

Contributors are Lindie Koorts Elena Moore Iva Pe a Paul Glen Grant Jacqueline de Vries Duncan Money Morgan Robinson Eve Wong Klaas van Walraven Erik Kennes **The African Studies Companion** Hans Zell, 2021-11-15 Published in dual print and electronic formats this is a new edition of a much acclaimed reference source that brings together a wide range of sources of information in the African studies field covering both print and electronic sources It evaluates the best online resources the major general reference tools in print format current bibliographies and indexing services biographical cartographic statistical and economic resources as well as film and video resources Additionally there are separate sections on African studies library collections and repositories throughout the world a directory of over 250 African studies journals listings of news sources profiles of publishers active in the African studies field dealers and distributors of African studies materials African studies societies and associations major African and international organizations donor agencies and foundations awards and prizes in African studies electronic mailing lists and discussion forums and more **The Cloth of**

Many Colored Silks John O. Hunwick, Nancy Ellen Lawler, 1996 A collection of essays honouring African scholar Ivor Wilks

Historical Dictionary of Ghana David Owusu-Ansah, 2014-02-27 Ghana the former British colony of the Gold Coast is historically known for being the first country to the south of the Sahara to attain political independence from colonial rule It is known for its exports of cocoa and a variety of minerals especially gold and it is now an oil exporting country But Ghana's importance to the African continent is not only seen in its natural resources or its potential to expand its agricultural output Rather the nation's political history of nationalism the history of military engagement in politics record of economic

depression and the ability to rise from the ashes of political and economic decay is the most unique character of the country This fourth edition of Historical Dictionary of Ghana covers its history through a chronology an introductory essay appendixes and an extensive bibliography The dictionary section has over 900 cross referenced entries on important personalities politics economy foreign relations religion and culture This book is an excellent access point for students researchers and anyone wanting to know more about Ghana Ethnographic Collecting and African Agency in Early Colonial West Africa Zachary Kingdon, 2019-02-21 The early collections from Africa in Liverpool's World Museum reflect the city's longstanding shipping and commercial links with Africa's Atlantic coast A principal component of these collections is an assemblage of several thousand artefacts from western Africa that were transported to institutions in northwest England between 1894 and 1916 by the Liverpool steam ship engineer Arnold Ridyard While Ridyard's collecting efforts can be seen to have been shaped by the steamers dynamic capacity to connect widely separated people and places his Methodist credentials were fundamental in determining the profile of his African networks because they meant that he was not part of official colonial authority in West Africa Kingdon's study uncovers the identities of many of Ridyard's numerous West African collaborators and discusses their interests and predicaments under the colonial dispensation Against this background account their agendas are examined with reference to surviving narratives that accompanied their donations and within the context of broader processes of trans imperial exchange through which they forged new identities and statuses for themselves and attempted to counter expressions of British cultural imperialism in the region The study concludes with a discussion of the competing meanings assigned to the Ridyard assemblage by the Liverpool Museum and examines the ways in which its re contextualization in museum contexts helped to efface signs of the energies and narratives behind its creation

Ethiopia at Bay John H. Spencer, 2006-07 what people are saying about this book A marvelous recounting of Ethiopian and world history during those years Mandatory reading for anyone interested in Third World relations and certainly for anyone who seeks to understand contemporary Ethiopian or Horn of Africa affairs Foreign Service Journal A significant primary source in its first hand account by a meticulously observant insider Foreign Affairs Commands attention and respect John Spencer's personal candid and basically reliable record will have an honored place in the contemporary annals of that tortured country Times Literary Supplement Spencer is one of the very few living people in a position to describe Ethiopia's efforts to survive during those years Library Journal Spencer was privy to many important decisions Of particular interest is his account of Haile Sellassie's disenchantment with the U S Publisher's Weekly After the hard fate which befell the Emperor and his notables Spencer is maybe the only one of the old regime's key persons still alive There is hardly a single page one would want to miss Sture Linner in Svenska Dagbladet I found Ethiopia at Bay intensely interesting sad and even tragic in the Greek mode What a series of missed opportunities anachronistic colonial arrogances and western shortsightedness The book would be enormously instructive to students of international relations generally Lincoln Gordon former President John's

Hopkins University Valuable indeed Especially significant is Spencer s cogent analysis of the Emperor himself Recommended for college university and larger public libraries Choice

The African Studies Companion Hans M. Zell,Cécile Lomer,1997 The book provides quick and easy access to a very wide range of information in the African studies field It includes annotated listings of the major reference tools current bibliographies and continuing sources journals and magazines major libraries publishers with African studies lists dealers and distributors of African studies materials the major regional and international organizations and it also identifies donor agencies and foundations active in Africa and or supporting research on Africa

The Encyclopaedia Africana Dictionary of African Biography L. H. Ofosu-Appiah,1977

Ethnic Groups of Africa and the Middle East John A. Shoup,2011-10-17 This encyclopedia is an essential guide to the different ethno linguistic groups in Africa and today s complicated Middle East region Ethnic Groups of Africa and the Middle East contains encyclopedic entries arranged alphabetically within ethno linguistic classifications Each entry has four main sections an introduction identifying the language group where they are found and their numbers a brief discussion of their origins and early history a section on cultural life that includes religion literature social organization and art and a final section on political organization and recent history The contents are appropriate for high school and undergraduate students as well as for experts who need a refresher on groups in Africa and the Middle East While certain ethnic groups have been combined into a single entry some such as the Tuareg who are a Berber people are described within their own entries because of their importance in history or cultural domination

Fighting for Britain David Killingray,2012 Based mainly on oral evidence and soldiers letters tells the story of over half a million African troops who served with the British Army in campaigns in the Horn of Africa the Middle East Italy and Burma Looks at the impact of army life and travel on the men and their families and the role of ex servicemen in post war nationalist politics

Dictionary of African Biography: Ethiopia, Ghana L. H. Ofosu-Appiah,1977

The Power to Name Stephanie Newell,2013-07-15 Between the 1880s and the 1940s the region known as British West Africa became a dynamic zone of literary creativity and textual experimentation African owned newspapers offered local writers numerous opportunities to contribute material for publication and editors repeatedly defined the press as a vehicle to host public debates rather than simply as an organ to disseminate news or editorial ideology Literate locals responded with great zeal and in increasing numbers as the twentieth century progressed they sent in letters articles fiction and poetry for publication in English and African language newspapers The Power to Name offers a rich cultural history of this phenomenon examining the wide array of anonymous and pseudonymous writing practices to be found in African owned newspapers between the 1880s and the 1940s and the rise of celebrity journalism in the period of anticolonial nationalism Stephanie Newell has produced an account of colonial West Africa that skillfully shows the ways in which colonized subjects used pseudonyms and anonymity to alter and play with colonial power and constructions of African identity

Ghana: 1952-1957 University of London. Institute of

Commonwealth Studies,1992 This is the first of a two part volume documenting the frequently turbulent political relationship between Britain and Ghana Formerly the Gold Coast Ghana became the first tropical African state to achieve independence from European colonial rule in March 1957 This selection of documents provides an insight into British perspectives on how Ghana achieved its independence and also on how in the process Ghana played a pioneering role in the ending of colonial rule in Africa

Embracing the Tune of Expression: An Emotional Symphony within **The Encyclopaedia Africana Dictionary Of African Biography Vol 1 Ethiopiaghana**

In some sort of consumed by monitors and the ceaseless chatter of immediate communication, the melodic splendor and psychological symphony created by the written word frequently fade into the backdrop, eclipsed by the constant sound and disruptions that permeate our lives. Nevertheless, situated within the pages of **The Encyclopaedia Africana Dictionary Of African Biography Vol 1 Ethiopiaghana** a stunning fictional value overflowing with organic thoughts, lies an immersive symphony waiting to be embraced. Crafted by an elegant composer of language, this interesting masterpiece conducts viewers on an emotional trip, well unraveling the hidden tunes and profound influence resonating within each carefully constructed phrase. Within the depths with this poignant examination, we can discover the book is key harmonies, analyze their enthralling publishing model, and submit ourselves to the profound resonance that echoes in the depths of readers souls.
