In the 1970s, after a decade of stagnant fan interest that seemed to signal the demise of Major League Baseball, the game saw growth and change. In 1972, the players became the first in professional sports to go on strike. Four years later, contractual changes allowed those with six years in the majors to become free agents, leading to an unprecedented increase in salaries. Developments in the play of the game included new ballparks with faster fields and artificial turf and the introduction of the designated hitter in 1973. Eminent personalities emerged from the dugout, including many African Americans and Latinos. Focusing on the stars who debuted from 1970 through 1979, this book covers the highs and lows of more than 1,300 players who gave fans the most exciting decade baseball has ever seen. **"The Greatest Game Ever Played in Dixie"** John A. Simpson, 2015-03-10. In 1908, baseball was the only game that mattered in the South. With no major league team in the region, rivalries between Southern Association cities such as Atlanta, Birmingham, Memphis, and New Orleans were heated. This season, however, no city was as baseball-crazed as Nashville, whose Vols had been league doormat in 1907. After an unpromising start, the Nashville club clawed its way into contention during the month of July, rising into the upper division, then into a battle for first. Local interest intensified as the competitive fire of Nashville fans was stoked by sharp-tongued columnist Grantland Rice and the city's three daily newspapers. By the time the Vols met the New Orleans Pelicans for a season-ending series and the championship, the city was gripped by a pennant fever that shut down the commercial district. Nearly 13,000 people thronged the Nashville ballpark, Sulphur Dell, for the third and deciding contest. What they saw was described by Rice as the greatest game ever played in Dixie. **The World Almanac and Encyclopedia**, 1920. *The Dizzy and Daffy Dean Barnstorming Tour* Phil S. Dixon, 2019-08-26. This book follows Dizzy and Daffy Dean's All Stars as they barnstormed across the country in 1934, taking the field against the greatest teams in the Negro Leagues. It shows the glory of the games as well as the disingenuous journalistic tactics that proliferated during the tour, with an introspective look at its impact on race relations. In 1934, brothers Dizzy and Daffy Dean were stars of Major League Baseball's regular season and World Series. Following their St. Louis Cardinals victory over the Detroit Tigers in Game Seven, Dizzy and Daffy went on a fourteen-game barnstorming tour against the best African American baseball players in the country. *The Dizzy and Daffy Dean Barnstorming Tour* Race Media and America's National Pastime examines for the first time the full barnstorming series in its original and uncensored splendor. Phil S. Dixon profiles not only the men who were part of the Deans' All Star teams but also the men who played against them, including some of baseball's most monumental African American players. Dixon highlights how the contributions during the tour of Negro League stars such as Satchel Paige, Chet Brewer, Charlie Beverly, and Andy Cooper were glossed over by sports writers of the day and grants them their rightful due in this significant slice of

sports history The Dizzy and Daffy Dean Barnstorming Tour gives careful consideration to the social implications of the tour and the media's biased coverage of the games providing a unique window for viewing racism in American sports history It is more than a baseball story it is an American story      *Hub Perdue* John A. Simpson, 2013-10-17 A strong armed devastating spitball pitcher from rural Tennessee who once won 16 games with the Boston Braves Hub Perdue is better remembered today as one of the clown princes of the Deadball Era Often compared with fellow player comedians Germany Schaefer Nick Altrock and Rabbit Maranville Perdue had a quick wit and a rebellious streak that amused teammates but sometimes led to conflicts with management and umpires Mix em up manager George Stallings had told him encouraging the weak hitting pitcher to take his at bats more seriously Perdue a right hander dutifully took his strikeouts from alternating sides of the plate His penchant for the subversive he was also a players union representative who freely dispensed advice on contracts and negotiation might in fact have curtailed what had been a promising big league career But his antics in the majors and minors became the stuff of legend known as Hublore
