Gregory A. Boyd, 2010-10-01 Not since David Strauss Life of Jesus shook European Christianity to its foundations in the nineteenth century has any scholarly discussion of the historical Jesus made the impact on a popular level that the Jesus Seminar is presently making in America Popular magazines have provided a remarkable amount of space for the Jesus Seminar including Time and Newsweek which made their work cover stories At the forefront of the movement lies the work of John Dominic Crossan and Burton L Mack who have popularized the Jesus as Cynic sage view The growing popularity of this new paradigm should be of significant concern for all who hold to the historic Christian faith To date however no thorough evangelical response has been provided to these revisionist views of the historical Jesus This book is written to fill this void It
