

### How do you feel about becoming a manager?

In many European nations, property prices were one of the assets most affected by the global financial crisis. Moreover, they have recovered strongly in many states, and in the numerous other markets on and around international government bonds and commodity prices, property has once again become viewed as something of a safe haven for a number of investors. This month's *Financial Times* based on data from the *Real Estate Institute of Chartered Surveyors* and *Global Property Guide*, looks at each of the 12 EU member states from a property investment perspective.
