

A Handbook of Jewish thought

There are a number of ideas that literally form the backbone of Judaism. Without knowledge of these ideas, it is virtually impossible to know how Judaism came to be as it is today, or how it functions. Unfortunately, however, the more one hears the idea, the less the average person knows about it.

The Handbook Of Jewish Thought Volume 2:

A Christian's View of the Torah Matt P. Simmons, 2012-03-22 A Christian's View of the Torah is a series of essays illustrating how the Torah uses numerous literary devices often seen in great works of art such as symbolism parallelism reflections and repeated themes This book presents the Bible or at least the Torah as a unified whole with consistent underlying themes rather than a collection of disjointed stories And it shows from the Christian point of view how the Torah points toward Christ and His church Most biblical study guides fall into two extremes At one end of the spectrum they are directed toward the uninitiated or new Christian and are therefore so simplistic that they give no new insights to a Christian wanting to grow At the other extreme they are so academic that a doctorate in divinity is required to get anything out of them A few strive to touch the middle ground which allows the average Christian to grow and to add to his faith A Christian's View of the Torah is an attempt to strike the middle ground This book is not intended as an evangelistic tool but as an aid for those who wish to move from the milk to the meat of the Word and gain some new insights to old familiar stories It is intended for those who have a working knowledge of the Bible particularly the Torah the Historical Books the Gospels Acts and the Epistles in short Genesis through Second Chronicles and Matthew through Jude This is a single Christian's point of view

Zohara Meyerhoff Hieronimus, 2008-07-21 The spiritual teachings of Israel's biblical prophetesses from a kabbalistic perspective Explores the lives and symbolic significance of seven female prophets Sarah Miriam Devorah Chanah Avigail Chuldah and Esther Uses the gematria of Jewish metaphysics to demonstrate that prophecy is a mystical initiatory path by which Divine Will is made known not only a tool for telling the future Presents practical applications of kabbalistic teachings for spiritual development The seven prophetesses of Israel Sarah Miriam Devorah Chanah Avigail Chuldah and Esther lived between 1800 and 350 BCE Their combined lives reflect a kabbalistic path of spiritual evolution that is as pertinent to our lives today as it was for the biblical communities in which they lived From her studies of the Torah and classical gematria Zohara Hieronimus shows that each prophetess is linked to a Sefirah on the kabbalistic Tree of Life from creation Sarah through learning correct moral action Devorah to the promise of redemption and ultimately resurrection Esther Using the stories of their lives and teachings Hieronimus reveals the relationship of each prophetess to the seven days of the week the seven sacred species of Israel the human body and Jewish holidays and rituals This book presents the kabbalistic teachings of these holy women and what they reveal about the initiatory path of individual development and redemption The seven prophetesses show that every person has a part to play in the repair of the world and Hieronimus gives a practical set of maps and spiritual guidelines for that
