Committee on Labor and Public Welfare,1973 Review of Programs for the Handicapped, 1977 United States. Congress. Senate. Committee on Human Resources. Subcommittee on the Handicapped,1977 **Talking Back against the Nazi Scheme to Kill the Handicapped Citizens of Germany**

1933-1945 Alan R. Rushton,2019-01-17 When Hitler came to power in 1933 he labeled physically and mentally handicapped citizens as dangerous to the genetic health of the German people He initiated a compulsory sterilization program that eventually blocked 400 000 citizens from enjoying any normal family life With the onset of war in 1939 he decided that resources should be reserved for healthy worthwhile citizens who could work for victory He then ordered a secret program to kill the handicapped Approximately 250 000 citizens had died when the war finally ended Readers in medicine law sociology and history will be intrigued by this compelling story of the brave citizens who spoke out against the immoral killing of the disabled Many were arrested and imprisoned some were executed All the protesters claimed that the disabled were not ballast people They were people who deserved opportunities to contribute what they could for the good of the community

The Disability Studies Reader Lennard J. Davis,1997 The Disability Studies Reader collects for the first time representative texts from the newly emerging field of disability studies This volume represents a major advance in presenting the most important writings about disability with an emphasis on those writers working from a materialist and postmodernist perspective Drawing together experts in cultural studies literary criticism sociology biology the visual arts pedagogy and post colonial studies the collection provides a comprehensive approach to the issue of disability Contributors include Erving Goffman Susan Sontag Michelle Fine and Susan Wendell *Minutes [of The] Meeting* United States. Psychosocial Aspects of Disability George Henderson,Willie V. Bryan,2011 This new edition of Psychosocial Aspects of Disability strikes a balance of past present and future views of individual family societal and governmental interaction and reaction to persons with disabilities The past is presented in Part 1 Psychosocial Aspects of Disabilities in which a view of the evolution of societal reactions to disabilities and persons with disability is presented This perspective is important because it

explains how some of the beliefs and attitudes toward disabilities and those who have a disability have developed Additionally Part 1 makes us aware from a historical perspective why persons with disabilities have been subject to certain types of treatment from family friends and society Parts 2 and 3 provide discussion of present situations for persons with disabilities as they move toward better inclusion in society Chapter 5 discusses the need for empowerment of persons with disabilities and how they can empower themselves Chapter 6 discusses the need for better employment opportunities for persons with disabilities because this is a significant way of empowering persons with disabilities Chapter 7 discusses federal legislation that has been developed to facilitate the empowerment of persons with disabilities Part 4 Psychosocial Issues to a large extent represents the future for persons with disabilities The chapters in this section discuss some disability issues that some persons with disabilities will encounter and or by which they will be affected during the twenty first century Additionally there is discussion of the need for persons with disabilities to attain the full human rights to which they are entitled
