Morgan,2016-01-08 Angus MacKay leader of the Dragon Knights failed his brothers and his clan upon the death of his sister Now he must fight the darkness of despair tempting his soul Back on Scottish soil he comes face to face with Deirdre who can wield a sword as mightily as his warriors and he takes her captive Yet with each passing day the fire dragon inside him roars to claim the one woman fate has destined for him Famed mystery writer Deirdre Flanagan is unprepared for the next chapter in her life On a vacation to Scotland she steps through the mists and enters into a skirmish alongside a Highlander However the fight has only begun and now she must battle Angus as well as evil in order to claim the love of this Dragon Knight Will their love be powerful enough to shield them from danger or burn them to ashes The Black Knight Roelof Steenbeek,2014-11-28 To date I have never piloted a biplane but for many nights before I had any thought of writing this book I dreamed I was sitting in the cockpit of a black biplane Although I could not see the wings I just somehow knew it was one There was a tiny half moon windshield an instrument panel with some gauges and a joystick in front of me I could feel the wind on my face icy cold in my bones vibrations and movements of the aircraft through the seat of my pants and a hollow feeling in the pit of my stomach A few nights later the silhouetted head and shoulders of a young man started to haunt my dreams instead Every time I dreamed of him his face became a little clearer and I eventually saw he was wearing old fashioned flying goggles and a leather cap everything was sepia colored like an old fashioned photograph or daguerreotype plate Silent at first eventually he said a trifle forlornly but not bitterly Please ask them not to forget us What we fought and died for was it for nothing
