The Head Start Mother Low Income Mothers Empowerment Through Participation:

The Head Start Mother Barbara J. Peters, 1998 Drawing on her own experience many years ago and on interviews with more recent mothers of children in the Headstart program of a community in the upper Midwest Peters explains how staff members can use the program to help parents become better at the task of parenting and enhance the parents self esteem so that can effect change in their environment and eventually move out on poverty

Head Start Alice Butler, Melinda Gish, Marnie Shaul, 2004 Head Start is a federal program that has provided comprehensive early childhood development services to low income children since 1996 Services provided to preschool aged children include child development educational health nutritional social and other activities intended to prepare low income children for entering kindergarten The program is administered by the Administration for Children and Families of the Department of Health and Human Services HHS Unlike many other social service programs federal Head Start funds are provided directly to local grantees rather than through states Programs are locally designed and are administered by a network of about 1 500 public and private nonprofit agencies outlines the past present and future of this socially beneficial program The long term impact on the children aided particularly with respect to educational attainment is addressed and continues to be an area of focus and concern In addition the numerous roadblocks that exist with regard to the Head Start program are assessed and handled accordingly

The War on Poverty in Mississippi Emma J. Folwell, 2020-03-18 President Lyndon B Johnson's war on poverty instigated a ferocious backlash in Mississippi Federally funded programs the embodiment of 1960s liberalism directly clashed with Mississippi's closed society From 1965 to 1973 opposing forces transformed the state In this state level history of the war on poverty Emma J Folwell traces the attempts of white and black Mississippians to address the state's dire economic circumstances through antipoverty programs At times the war on poverty became a powerful tool for black empowerment But more often antipoverty programs served as a potent catalyst of white resistance to black advancement After the momentous events of 1964 both black activism and white opposition to black empowerment evolved due to these federal efforts White Mississippians deployed massive resistance in part to stifle any black economic empowerment twisting antipoverty programs into tools to marginalize black political power Folwell uncovers how the grassroots war against the war on poverty laid the foundation for the fight against 1960s liberalism as Mississippi became a national model for stonewalling social change As Folwell indicates many white Mississippians hardwired elements of massive resistance into the political economic and social structure Meanwhile they abandoned the Democratic Party and honed the state's Republican Party spurred by a new conservatism
