Cram, 2012-09-01 The traditional doctor patient relationship is in jeopardy In an era of hurry up medicine and patient quotas health care professionals are no longer able to apply good bedside manner the healing touch As the focus shifts from patients to profits this vital component of patient care diminishes and may eventually be lost In The Healing Touch David Cram M D a master clinician teaches the art of good bedside manner and offers a valuable resource for health care professionals striving to preserve the doctor patient relationship *The Healing Touch* Dr. Walter Grady, 2024-12-20 Dr Walter Grady DO FAOAO is a board certified orthopedic surgeon and Fellow in the American Osteopathic Academy of Orthopedics with forty four years of combined medical and orthopedic surgical experience Dr Grady made history by becoming one of the first two African American DO orthopedic surgeons in the United States He is subspecialty fellowship trained in hand microvascular and upper extremity surgery Dr Grady has fixed thousands of broken bones performed hundreds of total knees and total shoulder arthroplasties and

reconstructed hundreds of hands wrists and shoulders over his many years of orthopedic surgical practice Dr Grady is additionally board certified in family medicine and holds a fellowship in health policy He is a deeply spiritual prayer warrior for his patients and acquaintances and is an ordained itinerant elder and minister Dr Grady s ministry and orthopedic surgical practice is his calling his passion and his purpose Dr Grady is God s instrument of peace and healing with spiritually navigated skilled surgical hands and he lives to serve God and humanity He has always been a humble servant of God who seeks nothing in his life of faith except to facilitate physical and spiritual healing and to glorify his heavenly Father Now unto God and our Father be glory forever and ever Amen Phil 4 20 KJV **The Energy of Love** Bruce G Epperly,2017-08-14

Today we need to marshal all the healing resources at our disposal A growing body of evidence shows that spiritual healing practices have a positive impact both on healing and on the quality of life that people experience while under medical care Dr Bruce Epperly calls on Christians to embrace these varied resources He crosses both the boundaries between formal scientific medical practice and spiritual healing and the boundaries between healing practices that come from a variety of spiritual and religious traditions He then incorporates these into a distinctly Christian theology of healing practice Where healing takes place he sees God at work Healing characterized the ministry of Jesus and Epperly believes that it should characterize the life and ministry of Christians in all times and places This is a balanced call that doesn t pit one tradition against another and also does not place spiritual healing practices in opposition to medical science This is about embracing what heals Today we need to marshal all the healing resources at our disposal The Healing Touch Elizabeth Neff Walker,2010-09-14 Rachel Weis and Jerry Stoner had been friends for years When she became the hospital s medical ethicist she relied on Jerry s professional skills and humane support But as their relationship became more personal she warned him I m not interested in sex What was a psychiatrist to make of that 2nd of the Fielding Medical Center Quartet by Elizabeth Neff Walker originally published by Signet *The Healing Touch* Norma Dearing,2002-03-01 Our society is brimming with people suffering the effects of past abuse rejection physical illness bad choices and unhealthy relationships Author and radio personality Norma Dearing has spent thousands of hours listening to and praying with those in need of emotional physical or spiritual healing In *The Healing Touch* she shares stories from countless people who have been set free from unhealthy relationships unholy unions addictions generational influences and physical illnesses associated with these *The Healing Touch* is divided into three sections Healing our Relationship with God How to Have a Right Relationship with God and Living within a Right Relationship with God Packed with wise counsel the book includes specific prayers for healing in the reader s own life and prayer for others in need Dearing also covers rarely addressed problems such as healing from occult experience and pre birth traumas and explores the issue of why some people are not healed This handbook is for counselors lay leaders pastors and individuals who want to see people delivered from the unnatural ravages of hurt and sin It is a powerful reminder that God longs for his people to be healthy and whole **The Healing Touch** Tylia L. Flores,2025-05-26 In the heart of the

American South amidst rolling hills and the warmth of Southern hospitality lies a tale of love loss and the extraordinary power of healing The Healing Touch introduces us to Dakotah Abner a young man whose life is irrevocably altered by the horrors of war Returning home a paraplegic amputee he faces a future unimaginable before the bomb blast in Afghanistan shattered his dreams His journey is one of profound physical and emotional struggle a battle against despair that threatens to consume him But in the midst of this darkness a beacon of hope appears in the form of Bridget Ramirez a compassionate caregiver whose unwavering support becomes his lifeline Their connection blossoms amidst his grueling rehabilitation a love story that unfolds against a backdrop of challenges and triumphs The Healing Touch is not simply a romance it is a profound exploration of resilience the transformative power of human connection and the remarkable ability of the human spirit to find strength even in the face of devastating loss This narrative delves into the depths of human emotion capturing the raw vulnerability and the quiet moments of grace that define the healing process The complexities of their relationship the struggles they face both individually and as a couple are meticulously woven together to create a story that is both emotionally resonant and deeply satisfying The Southern setting adds a layer of charm and warmth to their journey mirroring the slow steady pace of healing and the blossoming of their love Through their experiences we are reminded that love is not just a feeling but a powerful force that can mend broken hearts restore hope and help us discover our own strength within It is a testament to the enduring power of the human spirit and the transformative nature of love s healing touch

such as conversion community commitment and self giving Lacking a vocabulary to name such experiences the authors of the New Testament and other early documents resorted to metaphors such as baptism into Christ receiving the Holy Spirit forgiveness by God and the presence of Christ during worship By the fourth century however those metaphors were taken to be unexperienced metaphysical realities rather than experienced realities The medieval schoolmen developed philosophical explanations of what went on in church rituals and the Catholic Church continues to teach that its sacraments are automatically effective despite growing evidence to the contrary What if religious rituals were to regain their original authenticity What if the guiding value in designing church ceremonies was honesty rather than liturgical correctness After liberating the reader from doctrinal constraints Martos invites Catholics into a re visioning of the traditional sacraments and a reawakening of ritual imagination in non Western cultures
