**The Heart** Spyridon Logothetis,2001      Spiritual Direction and the Care of Souls David G. Benner,Gary W.

Moon,2025-06-23 In recent years many Christian clergy laity and mental health professionals have rediscovered the ancient practices of spiritual direction Seen as a refreshing alternative to the techniques and limitations of modern psychology such practices offer new insights for pastoral care But many remain unclear on what spiritual direction is and whether its methods are applicable to their own clients and parishioners Spiritual direction is a practice of Christian soul care that is found most notably in the Catholic Orthodox and Episcopal traditions but is also present in Wesleyan Holiness Pentecostal charismatic social justice and Reformed communities Predating modern counseling and psychotherapy movements but sharing key principles and insights for spiritual formation spiritual direction offers significant resources for today s pastors counselors therapists chaplains and other caregivers attuned to the work of God in people s lives In this landmark volume editors Gary W Moon and David G Benner along with a team of expert contributors provide a comprehensive survey of spiritual direction in its myriad Christian forms Specific chapters offer careful historical perspective and contemporary analysis of how Christians from various backgrounds have practiced spiritual direction with particular attention to each tradition s definition of spiritual direction the process of authentic transformation the role of the spiritual director indicators of mature spirituality and other aspects of the spiritual direction process Chapters also provide psychological and clinical insight into how spiritual direction is similar to different from and can be integrated with psychotherapy and pastoral counseling to help others experience spiritual transformation and union with God

The Jesus Prayer Frederica Mathewes-Green,2009 This resource is a complete introduction to one of the most mysterious prayers of Eastern Christianity The Jesus Prayer A conversational question and answer format takes the reader through practical steps for adopting this profound practice in everyday life

Praying the Jesus Prayer Frederica Mathewes-Green,2011-08-01 Lord Jesus Christ Son of God have mercy on me This very simple prayer was developed in the deserts of Egypt and Palestine during the early centuries of Christian faith and has been practiced in the Eastern Orthodox Church ever since It is a prayer inspired by St Paul s exhortation to pray constantly 1 Thessalonians 5 17 and its purpose is to tune one s inner attention to the presence of the Lord This series of little books is designed to enable you to grasp the meaning of one ancient method of Christian prayer in a relatively short amount of time In Praying the Jesus Prayer one of today s most respected voices on Orthodoxy in America introduces you to The history and meaning of this popular but rarely understood method of talking to God What it means to really pray with both heart and mind How to get started incorporating the Jesus Prayer into your life

A Luminous Life Brock Bingaman,2021-03-23 In a culture intrigued by various forms of spirituality this study invites readers to explore the deep historically rooted resources of the Christian spiritual classics It is an invitation to seek the transformative presence of God the kingdom of God within our hearts through the spiritual classics These classics formed in the matrix of meditation on Scripture are like road maps that

provide invaluable wisdom and guidance for the spiritual journey. Illustrating the importance of theologically grounded spirituality, *A Luminous Life* draws from Catholic, Orthodox, and Protestant classics that stem from rich trinitarian and christological reflection. This book explores key themes in the spiritual classics, including biblical images and historical models of spiritual development: prayer, fasting, solitude, and community; the cross and suffering; the desert; spiritual direction and contemplation; and action. This study seeks to bridge the academic and ecclesial, demonstrating that the life of the mind and life in the Spirit are unified; that theological reflection and spiritual formation go together. Considering exemplary writings from diverse traditions such as the Desert Fathers, Maximus the Confessor, Teresa of Avila, and John Calvin, *A Luminous Life* draws readers into worshipful reflection on God and formation in Christ. The book concludes with the encouragement to ongoing prayerful study of the spiritual classics as fuel for the luminous life. **Until Christ Is Formed in You** Steven L. Porter, 2018-05-01

Because Transformation Is Possible At a popular level, Dallas Willard wrote with remarkable clarity about spiritual formation. But his writings also addressed academic concerns such as shifts in modern moral philosophy, the nature of education, and the psychology of the human self. *Until Christ Is Formed in You* brings together ten authors who knew Willard well to introduce his wide-ranging vision and consider again the overall significance of this one of a kind teacher. This collection explores topics including the Beatitudes, the relationship of body and soul, the kingdom of God, discipleship to Jesus, the nature of formation, and Ignatian spirituality. The book begins with a comprehensive overview of Willard's understanding of formation and it concludes with practical applications of this understanding to the disciplines of psychology and counseling. *The Cambridge Companion to Orthodox Christian Theology* Mary B. Cunningham, Elizabeth Theokritoff, 2008-12-18

This Companion focuses on the way Orthodox theological tradition is understood and lived today. **A Guide to St. Symeon the New Theologian** Hannah Hunt, 2015-03-26 *A Companion to St. Symeon the New Theologian* is an accessible guide to one of the great mystical writers of the Eastern Christian tradition. His impassioned writings bring to life the monasticism of the Byzantine Empire at the end of the tenth century. Dr. Hunt's succinct analysis of his life, times, and work draws from his homilies, hymns, and other writings to show his unique contribution to the spiritual life. The book details his development as a monk, shaped by the guidance and example of the Studite monk Symeon. Eulables, his conflicts with the church authorities, and his inspiration of pupils such as Nicetas Stethatos, who later wrote a biography of his master, Hunt places St. Symeon's conviction that only direct experience of God's divine light confers authority in the context of his work as an abbot and spiritual father. Other aspects of his theology, such as the importance of tears, visions of light, and obedience to one's spiritual father, are also assessed. An indication of further reading, indices, and a comprehensive glossary of unfamiliar terms make this an invaluable addition to the field, both for those studying church history or religious studies and for general Christian readers. [How Then Shall We Guide?](#) Jimmy Boon-Chai Tan, 2023-05-25 There has been a marked increase of interest in the art of spiritual direction in recent decades. Yet in many circles, especially in ecumenical and interfaith contexts,

it is unclear what grounds the practice of this ancient art As a tradition s practice of spiritual direction expresses its particular theology which in turn is shaped by its unique history this work explains that ecumenical spiritual direction must make and retain the tri perspective of history theology and method that faithfully reflects each tradition s distinctives as requisite for true ecumenical enrichment The importance of this trinocular vision is brought into sharp focus through a comparative study of Ignatius of Loyola and John Calvin where points of continuity and discontinuity between the Ignatian and Reformed traditions underscore the importance of this work s thesis **The Human Odyssey** Duncan S.

Ferguson,2025-04-10 These are perilous times and people need to prepare themselves to navigate these troubled days by staying informed about their challenging environment structuring their lives in a healthy way and striving for a level of maturity that allows them to cope and live in a manner that brings stability and deep peace People can arrive at a place of stability and purpose by engaging in a life that is patterned after the life and teachings of Jesus called by the first generation of Christians the Way of Jesus The central value of this pattern of living is unconditional love a commitment to the truth and a life of integrity and seeking a more just society that leads to a culture of peace and collaboration People need to prepare themselves for this way of life by cultivating a deep spirituality that will empower them to thoughtfully carefully and fully commit themselves to the divine mission of love **The Disciple's Handbook** David L. Hall,2020-02-05 Twenty years ago

God led me to the writings of the church fathers and then on a journey that changed my life I discovered the amazing spiritual depth throughout all the eras of the church and began to realize that I was settling for scraps when God had prepared a banquet This handbook was written as an aid to Christians from all traditions to help them hit the ground running to discover even greater depth and passion in their walk with Christ *SCM Studyguide to Christian Spirituality* Ross

Earthing the Cosmic Christ of Ephesians--The Universe, Trinity, and Zhiyi's Threefold Truth, Volume 3 John P.  
Keenan,2023-05-23 As both a scholar of Buddhism and a Christian priest John P Keenan engages with the New Testament  
letter to the Ephesians written by a member of the Pauline school likely near the end of the first century a time when both  
the cultural world and the cosmos were much narrower than for us today In pondering this scripture s significance for  
residents of the twenty first century Keenan looks to the work of scholars and thinkers both ancient and modern Eastern and  
Western scientists and philosophers Particular attention is given to Chinese Buddhist master Zhiyi s explanation of a  
threefold truth which resonates with an early trinitarian theme in Ephesians and suggests the riches to be discovered upon  
the global theological commons
