*Telling the Untold Story* Steve Weinberg, 1992 Author of his own controversial unauthorized biography of Armand Hammer Steve Weinberg here shows how a new generation of biographers is revealing the lives of powerful individuals in dramatic and important new ways Trained as investigative journalists today's writers have entered a domain once dominated by university scholars Unlike their more academic predecessors who often wrote nonjudgmental books on the public lives of long dead individuals these new biographers are willing to tackle such powerful living subjects as Nancy Reagan Henry Kissinger Hugh Hefner Pete Rose and Fidel Castro Few of these books are adoring Without cooperation from their subjects and sometimes under threat of lawsuit these writers are probing into private lives and enabling readers to make up their own minds about public figures Tracing the evolution of the craft of biography up to the present day Weinberg draws on interviews with some of today's best biographers as well as his own experience with the Hammer biography to highlight the careers of some of the writers whose work exploded the boundaries of traditional biography When Robert Caro became the first journalist to win a Pulitzer Prize for Biography for his book on Robert Moses it marked the dawn of a new approach to the craft Weinberg also explores the techniques of Philadelphia Inquirer journalists Donald Barlett and James Steele whose jointly authored biographies of Howard Hughes and Nelson Rockefeller mark another sign of how far the genre of biography has come The book is enriched by samples of investigative biography at its best including a scathingly honest profile of the reigning queen of unauthorized biography Kitty Kelley and Calvin Trillin's fascinating New Yorker profile of the Miami Herald's inimitable police reporter Edna Buchanan The living of a life is more difficult than the chronicling of it but the chronicling is certainly no simple task writes Weinberg Telling somebody else's life fully fairly and compellingly is probably an impossible task But it is important to keep pushing the limits of the possible For writers reviewers publishers and general readers *Telling the Untold Story* is a

fascinating look at how a new kind of biographer has forever changed our expectations of the genre and continues to push biography to exciting new limits

**Queen of the Court** Madeleine Blais, 2023-08-15 From the Pulitzer Prize winning journalist Madeleine Blais the dramatic and colorful story of legendary tennis star and international celebrity Alice Marble In August 1939 Alice Marble graced the cover of *Life* magazine photographed by the famed Alfred Eisenstaedt She was a glamorous worldwide celebrity having that year won singles women's doubles and mixed doubles tennis titles at both Wimbledon and the US Open then an unprecedented feat Yet

today one of America's greatest female athletes and most charismatic characters is largely forgotten Queen of the Court places her back on center stage Born in 1913 Marble grew up in San Francisco her favorite sport baseball Given a tennis racket at age 13 she took to the sport immediately rising to the top with a powerful aggressive serve and volley style unseen in women's tennis A champion at the height of her fame in the late 1930s she also designed a clothing line in the off season and sang as a performer in the Sert Room of the Waldorf Astoria Hotel in New York to rave reviews World War II derailed her amateur tennis career but her life off the court was if anything even more eventful She wrote a series of short books about famous women She turned professional and joined a pro tour during the War entertaining and inspiring soldiers and civilians alike Ever glamorous and connected she had a part in the 1952 Tracy and Hepburn movie Pat and Mike and she played tennis with the likes of Charlie Chaplin Marlene Dietrich and her great friends Clark Gable and Carole Lombard However perhaps her greatest legacy lies in her successful efforts working largely alone to persuade the all white US Lawn Tennis Association to change its policy and allow African American star Althea Gibson to compete for the US championship in 1950 thereby breaking tennis's color barrier In two memoirs Marble also showed herself to be an at times unreliable narrator of her own life which Madeleine Blais navigates skillfully especially Marble's dramatic claims of having been a spy during World War II In Queen of the Court the author of the bestselling In These Girls Hope Is a Muscle recaptures a glittering life story
