Sisters On The Bridge Of Fire:

The Fire Sisters A. G. Henley, A fantastic end to a wonderful series I am sad to see all the characters go Fennel and Peree are finally together and safe from the Scourge in the protected village of Koolkuna Except on the day of their partnering ceremony the children of the village are stolen away Fenn's loyal companion Kora among them Fenn and Peree join a small search party led by rival Kaiya the one person who stands a chance of finding the children thanks to her mysterious past As they travel away from the safe waters of Koolkuna and into the Scourge infested wilds Fenn endures Kai's scorn her subtle designs on Peree and the squabbling of the group but nothing in her life so far has prepared her for the fierce warrior women who will steal others children to preserve their own existence the Fire Sisters If Fenn is to survive the threat of the Scourge rescue the children from the Sisters and have a hope of making a life with Peree in Koolkuna she must face her fear of failure and loss and become the leader she's destined to be Two thumbs up and one question Why are you still reading this instead of ordering these books The Fire Sisters is the final book of the Brilliant Darkness fantasy romance series Fans of Divergent and Under the Never Sky will love this series about a blind girl who alone can protect her forest people from terrifying flesh eating creatures
