Six Black Presidents:

The Six Black Presidents Auset BaKhufu, 1995 **Dead Last** Phillip G. Payne, 2009 2009 CHOICE Outstanding Academic Title If George Washington and Abraham Lincoln are the saints in America's civil religion then the twenty ninth president Warren G Harding is our sinner Prior to the Nixon administration the Harding scandals were the most infamous of the twentieth century Harding is consistently judged a failure ranking dead last among his peers By examining the public memory of Harding Phillip G Payne offers the first significant reinterpretation of his presidency in a generation Rather than repeating the old stories Payne examines the contexts and continued meaning of the Harding scandals for various constituencies Payne explores such topics as Harding's importance as a midwestern small town booster his rumored black ancestry the role of various biographers in shaping his early image the tension between public memory and academic history and finally his status as an icon of presidential failure in contemporary political debates Harding was a popular president and was widely mourned when he died in office in 1923 but with his death began the construction of his public memory and his fall from political grace In *Dead Last* Payne explores how Harding's name became synonymous with corruption cronyism and incompetence and how it is used to this day as an example of what a president should not be **The Black College Mystique** Charles Vert Willie, Ronald Brown, 2006 This study discusses the ways in which Black colleges can be of help to non Blacks including white students who can benefit from the unique kind of education offered by such schools It compares the culture of black colleges and universities a generation ago with those that exist today and makes projections into the future based on a comprehensive review of professional literature and an analysis of the management skills of contemporary black college leaders **Backlash Presidents** Julia R. Azari, 2025-09-23 How most presidents avoid upsetting the racial status quo and why those who do pave the way for lawless norm violating successors When Barack Obama won the White House in 2008 becoming the nation's first Black president the stage was set for Donald Trump's eventual rise to power *Backlash Presidents* shows how throughout American history administrations that challenge the country's racial status quo are followed by presidents who deal in racially charged politics and presidential lawlessness culminating in impeachment crises In this incisive book Julia Azari traces the connections between racially transformative presidents and their successors examining the presidencies of Abraham Lincoln and Andrew Johnson Lyndon Johnson and Richard Nixon and Obama and Trump When he signed long awaited civil rights legislation in 1964 Lyndon Johnson unleashed a perfect political storm that swept Nixon into the White House Azari demonstrates how Nixon's rhetoric relationship to Congress and attitudes about executive power exhibit striking parallels with Andrew Johnson and Trump She discusses how their actions are linked to race and racialized institutions the Department of War during Reconstruction the FBI during the Nixon years and elections today and looks at what happens after impeachment describing how the rush to establish a new order perpetuates many of the same problems as the old Challenging the conventional wisdom about the role of norms in American democracy *Backlash Presidents* reveals

how normal presidential politics upholds unsustainable racial hierarchy that in turn gives rise to intense periods of instability

Five Presidents Clint Hill, Lisa McCubbin, 2017-05-02 Originally published in hardcover in 2016 by Gallery Books **The Real Ike** Martin Mack Teasley, 2025-09-02 Was President Eisenhower really a good cook What are on those secret Oval Office recordings Did he really spend his free time painting Are the rumors of his love affair true And where did he get the nickname Ike anyway For Martin Mack Teasley the former deputy director of the Dwight D Eisenhower Library and Museum these questions and thousands of others came across his desk from scholars journalists and the American public In *The Real Ike* Teasley answers the most common questions about the major minor and obscure parts of President Eisenhower's life Like a museum curator Teasley has compiled twenty five exhibits that give a more well rounded humane picture of President Eisenhower than most historians can provide Drawn from his years of experience in the archives Teasley illuminates aspects of the thirty fourth president rarely discussed in textbooks including Eisenhower's athletic ambitions his interest in cooking the question of Roswell and extraterrestrials Ike's love of painting his habit for swearing the rumors of his Black ancestry and the alleged affair with Kay Summersby Seasoned scholars and people learning about Ike for the first time alike will find something new to appreciate in this winsome and nuanced book From the mundane to the scandalous *The Real Ike* gives readers a more complete understanding of a pivotal figure in American history **Mixed Race Hollywood** Mary Beltrán, Camilla Fojas, 2008-09 Addresses early mixed race film characters Blaxploitation mixed race in television for children and the outing of mixed race stars on the Internet among other issues and contemporary trends in mixed race representation From publisher description **Mourning the Presidents** Lindsay M. Chervinsky, Matthew R. Costello, 2023-02-20 The death of a chief executive regardless of the circumstances sudden or expected still in office or decades later is always a moment of reckoning and reflection *Mourning the Presidents* brings together renowned and emerging scholars to examine how different generations and communities of Americans have eulogized and remembered US presidents since George Washington's death in 1799 Over twelve individually illuminating chapters this volume offers a unique approach to understanding American culture and politics by uncovering parallels between different generations of mourners highlighting distinct experiences and examining what presidential deaths can tell us about societal fissures at various critical points in the nation's history right up to the present moment *The Skin Color Syndrome Among African-Americans* William A. James (Sr.), 2003 William A James Sr has created a cogent book of essays that deals with a perplexing problem found among African Americans James calls it *The Skin Color Syndrome* His book is divided into four sections consisting of seven chapters Within those chapters he depicts five principles that define blacks intra racial hatred a hatred based upon Pigmentation Discrimination as the first principle of the Skin Color Syndrome James then discusses Passing and Where Blacks Are And Where They Need To Go He talks about Where Blacks are headed and then he gives A Conclusion Of The Matter and The Problems We African Americans Must Fix Lastly James offers Kwanzaa 365 Days Per Year as a restorative solution to the

ravages of Jim Crow Law in America *The Campus Color Line* Eddie R. Cole, 2022-02-15 This book unfolds the untold history of one of the United States most notable civil rights crises from the perspective of academic leaders The Baptist World Congress ,1911 **The Baptist World Alliance Second Congress, Philadelphia, June 19-25, 1911** Baptist World Alliance, 1911 The proceedings of the second Baptist World Alliance Congress **The Logic of American Politics** Samuel Kernell, Gary C. Jacobson, Thad Kousser, Lynn Vavreck, Timothy R. Johnson, 2023-04-03 Why does the American political system work the way it does After observing the strains of intense partisanship and divided government many Americans are wondering what logic if any can be found in politics With both sides of the political spectrum being so different from one another and the scales often tipping in the favor of the opposing party by a fraction of a percentage point how can anyone work the system to their advantage With fresh analysis of the 2022 midterm election results the Eleventh Edition of bestselling textbook *The Logic of American Politics* provides students with the tools they need to make sense of our government today Weaving together historical context contemporary politics and a toolkit of institutional design concepts the authors build an understanding of political institutions and practices as imperfect solutions to collective action problems

Public Papers of the Presidents of the United States United States. President, 2011 Containing the public messages speeches and statements of the President 1956 1992 **A Compilation of the Messages and Papers of the Presidents** United States. President, 1897 *Eye on History* Eva M. Doyle, 2021-11-21 *Eye On History* The Golden Collection includes articles from the *Eye on History* newspaper Column from 1979 to 2021 It traces African history from the earliest times in ancient Africa to people and events in America The goal of this book is to present little known information about African and African American history that has been excluded from many textbooks African people were world travelers Their presence can be found in ancient China Germany Europe Italy and Russia Archaeologists have found evidence that civilization itself began on the continent of Africa African people touched the world and left their imprint on art culture and history This book is referred to as the Golden Collection because in writing these articles it was like discovering gold It was new information that took hours and hours of research that led to the rare book room at the local library and to the history museum The pages of old manuscripts and books long forgotten were sources of much of the information in this book It is the hope of this writer that this book will be used by educators students parents and others as a resource to learn more about African and African American history A Compilation of the Messages and Papers of the Presidents, 1789-1922 United States. President, 1917

A Compilation of the Messages and Papers of the Presidents, 1789-1897: 1889-1897 United States. President, 1899

The Triumphs of a Black President In a White America Nicholas A. Owoyemi, 2019-09-19 The protagonist in this book is President Barack Obama The antagonist is White America Unlike many contemporary works of literature on race relations and politics this book shuns the myopic views embedded in the ideological leanings of the right and left political spectrum It underlines the disquietude of a wary White America that viewed a black presidency as a risky experiment It

explains how Republicans fiercely and relentlessly opposed Barack Obama and contemptuously plotted the downfall of his administration unsuccessfully The book discusses the unique relationship of Barack Obama and Donald Trump compares both personalities and underscores the social anxiety that propelled the election of Donald Trump to succeed Barack Obama It also answers the question that many Americans have asked Is President Donald Trump a racist Here are some other intriguing excerpts from the book It is no secret that the United States has never been an honest broker when it comes to the actions of the Israeli government in the Israeli Palestinian conflict In rather negative terms the red line syndrome in Syria had indelibly marked President Obama s foreign policy in the eyes of the world The fact is that more whites have enrolled in Obamacare than blacks and Latinos put together The irrational invasion of Iraq and subsequent dismantling of its once formidable military by the United States shifted the military dynamic in the area In 2016 gun lobbyists gave 5 900 000 to Republicans and 106 000 to Democrats during the election cycle [Jet](#) ,2001-01-22 The weekly source of African American political and entertainment news
