## **Six Byzantine Portraits:**

**Six Byzantine Portraits** Dimitri Obolensky, 1988 A collection of biographies this book tells the story of six outstanding men four of them acknowledged saints who lived between the 9th and 16th centuries in East Europe and by birth profession or personal circumstances belonged simultaneously to the Greek and Slav worlds From Clement of Ohrid Theophylact of Ohrid and Vladimir Monomakh to Sava Nemanjic Cyprian and Maximos the Greek Obolensky's portraits provide rich insight into the diverse cosmopolitan world of Eastern Europe the role these men played in the history of the Byzantine cultural commonwealth and the contribution they made to European history *A Companion to the Patriarchate of Constantinople*

, 2021-07-26 This volume provides an overview of the development of the Patriarchate of Constantinople from Late Antiquity to the Early Ottoman period 4th to 15th c It highlights continuities and changes in the organizational dogmatic and intellectual framework of the central ecclesiastical institution of the Byzantine Empire in the face of political and religious upheavals The volume pays attention to the relations of the Patriarchate with other churches in the West and in the East Across the disciplinary divide between Byzantine and Ottoman studies the volume explains the longevity of the Patriarchate beyond the fall of Byzantium in 1453 up to modern times A particular focus is laid on an original register book of the 14th century Contributors are Claudia Rapp Frederick Lauritzen Tia M Kolbaba Johannes Preiser Kapeller Marie H l ne Blanchet Dimitrios G Apostolopoulos Machi Pa zi Apostolopoulou Klaus Peter Todt Mihailo S Popovi Konstantinos Vetochnikov Ekaterini Mitsiou Vratislav Zervan and Christian Gastgeber *Byzantium and the Pechenegs* Mykola Melnyk, 2022-02-28

This book traces 150 years worth of scholarly interpretations of relations between Byzantium and various North Pontic nomads with particular attention to how colonialist or national aspirations often triggered hampered biased or otherwise influenced these interpretations Original in its interdisciplinary approach Mykola Melnyk's book highlights an overlooked topic the history of non historic peoples Going beyond the well studied written sources for nomadic history the author incorporates insights provided by archaeology linguistics and the natural sciences bringing forth promising avenues of research into the subject of nomadic cultures in the medieval world **Intelligence Elsewhere** Philip H. J. Davies, Kristian C. Gustafson, 2013-03-12

Spying the world's second oldest profession is hardly limited to the traditional great power countries Intelligence Elsewhere nevertheless is the first scholarly volume to deal exclusively with the comparative study of national intelligence outside of the anglosphere and European mainstream Past studies of intelligence and counterintelligence have tended to focus on countries such as the United States Great Britain and Russia as well as to a lesser extent Canada Australia France and Germany This volume examines the deep historical and cultural origins of intelligence in several countries of critical importance today India China the Arab world and indeed Russia the latter examined from a fresh perspective The authors then delve into modern intelligence practice in countries with organizations significantly different from the mainstream Iran Pakistan Japan Finland Sweden Indonesia Argentina and Ghana With

contributions by leading intelligence experts for each country the chapters give the reader important insights into intelligence culture current practice and security sector reform As the world morphs into an increasingly multi polar system it is more important than ever to understand the national intelligence systems of rising powers and regional powers that differ significantly from those of the US its NATO allies and its traditional opponents This fascinating book shines new light into intelligence practices in regions that until now have eluded our understanding

**The New Cambridge Medieval History: Volume 4, C.1024-c.1198, Part 2** Rosamond McKitterick, David Abulafia, C. T. Allmand, 1995 The fourth volume of The New Cambridge Medieval History covers the eleventh and twelfth centuries which comprised perhaps the most dynamic period in the European middle ages This is a history of Europe but the continent is interpreted widely to include the Near East and North Africa The volume is divided into two parts of which this the second deals with the course of events ecclesiastical and secular and major developments in an age marked by the transformation of the position of the papacy in a process fuelled by a radical reformation of the church the decline of the western and eastern empires the rise of western kingdoms and Italian elites and the development of governmental structures the beginnings of the recovery of Spain from the Moors and the establishment of western settlements in the eastern Mediterranean region in the wake of the crusades

*France and the Holy Land* Daniel H. Weiss, Lisa J. Mahoney, 2004-05-14 Publisher description *Encyclopedia of Monasticism* William M. **The Latin Renovatio of Byzantium** Filip Van Tricht, 2011-05-23 This book offers a new perspective on the Latin take over of Byzantine territories after the crusader sack of Constantinople in 1204 arguing that the new rulers very consciously aimed at continuing the Eastern Empire drawing many Byzantines to their side *The 'Lost Arian History' in Late Antique and Medieval Historiography* Joseph J. Reidy, 2024-05-10 This book explores the writing of church history during the early Byzantine period reconsidering the evidence for the nature and authorship of a hypothetical Arian source for many surviving medieval histories of the fourth century It considers surviving ecclesiastical histories written between the fifth and early thirteenth centuries to draw out commonalities apparently owed to this lost source and discusses attempts by modern historians to reconstruct it In doing so it convincingly argues that this Arian material likely belongs not to one work but three two

chronicles and a martyrology This book therefore provides a vital reassessment of fourth century Christian historiography as well as important insights on chronicle writing in the Middle Ages

**Irenaeus of Sirmium and His Story in the Medieval East and West** Marijana Vuković,2023-12-01 The study of hagiographies has generally been focused on the more prominent saints of late antiquity and the Middle Ages who inspired significant and long lasting veneration However this has caused many less well known saints to be pushed aside and forgotten This book is a study into one such saint Irenaeus a martyr who was killed in 304 CE in Sirmium Pannonia His short lived cult his feast day and the account of his martyrdom which had been translated into Latin Greek Old Slavonic Georgian and Armenian had all been forgotten during the Middle Ages This book examines Irenaeus of Sirmium s life cult sainthood and eventual disappearance from the memory of medieval Christendom in the context of a wider study on the memory of those less well known saints who like Irenaeus became neglected and eventually forgotten Irenaeus of Sirmium and His Story in the Medieval East and West will be of interest to scholars and students alike interested in hagiography medieval literature and history as well as all those interested in the religious history of Byzantium medieval Europe and the Slavic world

**Latin and Greek Monasticism in the Crusader States** Bernard Hamilton,Andrew Jotischky,2020-10-22 The first comprehensive survey of monasteries and monasticism in the Near East during the Crusader period

*The Oxford Handbook of Religion and Europe* Grace Davie,Lucian Leuștean,2022 Features contributions from leading scholars providing crucial insight into the role of religious ideas structures and institutions in the making of Europe Introduces the building blocks of Europe s religious and the part that they played in the formation of the continent Explores the relationship between religious communities and ideologies in the twentieth century connections that play out very differently in East and West Europe Examines the role of religion in the construction of the European Union from the end of the Second World War until the present day Assesses the relationship between the major world religions and the idea of Europe Book jacket

**Proceedings, American Philosophical Society (vol. 148, no. 1, 2004)** , **Orthodoxy and the Imperial Idea** Norman Russell,2025-01-01 For those living in the East Roman Empire it was God protected immune from the impermanence of other states But in late Byzantium intellectuals began to reconsider this assumption could the East Roman Empire be vulnerable even temporary And what would that mean for the Orthodox Church Through his engagement with influential intellectuals at the time principally Philotheos Kokkinos Demetrios Kydones Cardinals Bessarion and Isidore George Gemistos Plethon Mark Eugenikos and George Scholarios Norman Russell explores the strategies and responses to this seismic shift in the imagination and conceptualisation of the Church and the Empire By exploring the details of such crucial events as the Hesychast Controversy the ecclesiastical revolution that followed and successive attempts to attain ecclesiastical union with the West Norman Russell considers how the Orthodox Church adapted to survive and flourish under Ottoman rule This is an important new contribution to the scholarship of the Orthodox Church in the Byzantine period of interest to scholars of Byzantine civilisation the East Roman

Empire and the Orthodox Church     The Cambridge History of Christianity: Volume 5, Eastern Christianity Michael Angold, 2006-08-17 This volume encompasses the whole Christian Orthodox tradition from 1200 to the present Its central theme is the survival of Orthodoxy against the odds into the modern era It celebrates the resilience shown in the face of hostile regimes and social pressures in this often neglected period of Orthodox history     **Emergent Elites and Byzantium in the Balkans and East-Central Europe** Jonathan Shepard, 2024-10-28 According to Byzantium's leaders their imperial order anchored in Constantinople was the centre of excellence spiritual moral material and aesthetic They rewarded individuals willing to join and favoured outside groupings prepared to cooperate militarily or politically Interactions with outsiders varied over place and time complicated by the sometimes differing priorities of Byzantine churchmen and monks on or beyond Byzantium's borders These studies consider the dynamics of such interactions notably the interrelationship between the Bulgarians and their Byzantine neighbour The Bulgarians reaction to Byzantium ranged from contrarianism to the systematic adaptation of Byzantine religious orthodoxy ideals of rulership and normative values after Khan Boris acceptance of eastern Christianity For their part Byzantine rulers were readier to do business with their Bulgarian counterparts than official pronouncements let on occasionally even adopting aspects of Bulgarian political culture Byzantium's interrelationship with other ruling elites was less intensive but the process of Christianisation and the need to format this in readily comprehensible terms could make even distant potentates look to the template of effective Christian sole rulership which Byzantium's rulers embodied Hungarian and Rus leaders were of abiding geopolitical interest to imperial statecraft and the studies here show how during the generations around 1000 Byzantine political imagery resonated throughout the region     **Russia** Philip Longworth, 2024-06-04 Through the centuries Russia has swung sharply between successful expansionism catastrophic collapse and spectacular recovery This illuminating history traces these dramatic cycles of boom and bust from the late Neolithic age to Ivan the Terrible and from the height of Communism to the truncated Russia of today Philip Longworth explores the dynamics of Russia's past through time and space from the nameless adventurers who first penetrated this vast inhospitable terrain to a cast of dynamic characters that includes Ivan the Terrible Catherine the Great and Stalin His narrative takes in the magnificent historic cities of Kiev Moscow and St Petersburg it stretches to Alaska in the east to the Black Sea and the Ottoman Empire to the south to the Baltic in the west and to Archangel and the Arctic Ocean to the north Who are the Russians and what is the source of their imperialistic culture Why was Russia so driven to colonize and conquer From Kievan Rus the first ever Russian state which collapsed with the invasion of the Mongols in the thirteenth century to ruthless Muscovy the Russian Empire of the eighteenth century and finally the Soviet period this groundbreaking study analyses the growth and dissolution of each vast empire as it gives way to the next Refreshing in its insight and drawing on a vast range of scholarship this book also explicitly addresses the question of what the future holds for Russia and her neighbors and asks whether her sphere of influence is growing     **The Dynasty of Chernigov 1054-1146** Martin

Dimnik, Pontifical Institute of Mediaeval Studies, 1994      **East Central Europe in the Middle Ages, 1000-1500** Jean W. Sedlar, 2013-03-01 Although the Middle Ages saw brilliant achievements in the diverse nations of East Central Europe this period has been almost totally neglected in Western historical scholarship East Central Europe in the Middle Ages provides a much needed overview of the history of the region from the time when the present nationalities established their state structures and adopted Christianity up to the Ottoman conquest Jean Sedlar's excellent synthesis clarifies what was going on in Europe between the Elbe and the Ukraine during the Middle Ages making available for the first time in a single volume information necessary to a fuller understanding of the early history of present day Poland the Czech Republic Slovakia Hungary Romania Bulgaria Albania and the former Yugoslavia Sedlar writes clearly and fluently drawing upon publications in numerous languages to craft a masterful study that is accessible and valuable to the general reader and the expert alike The book is organized thematically within this framework Sedlar has sought to integrate nationalities and to draw comparisons Topics covered include early migrations state formation monarchies classes nobles landholders peasants herders serfs and slaves towns religion war governments laws and justice commerce and money foreign affairs ethnicity and nationalism languages and literature and education and literacy After the Middle Ages these nations were subsumed by the Ottoman Habsburg Russian and Prussian German empires This loss of independence means that their history prior to foreign conquest has acquired exceptional importance in today's national consciousness and the medieval period remains a major point of reference and a source of national pride and ethnic identity This book is a substantial and timely contribution to our knowledge of the history of East Central Europe      *The Empire of Manuel I Komnenos, 1143-1180* Paul Magdalino, 2002-07-18 A study of 12th century Byzantine government society and culture through the reign of Manuel I
