SIX DAYS OF WAR

June 1967 and the Making of
the Modern Middle East

Michael B. Oren

*"A magisterial work that is not only riveting reading, but also likely to become
the standard work of the war that shaped the contemporary Middle East."*

Six Days Of War Library Edition:

Six Days of War Michael B. Oren, 2017-06-06 NEW YORK TIMES BESTSELLER The first comprehensive account of the epoch making Six Day War from the author of *Ally now* featuring a fiftieth anniversary retrospective Though it lasted for only six tense days in June the 1967 Arab Israeli war never really ended Every crisis that has ripped through this region in the ensuing decades from the Yom Kippur War of 1973 to the ongoing intifada is a direct consequence of those six days of fighting Writing with a novelist's command of narrative and a historian's grasp of fact and motive Michael B Oren reconstructs both the lightning fast action on the battlefields and the political shocks that electrified the world Extraordinary personalities Moshe Dayan and Gamal Abdul Nasser Lyndon Johnson and Alexei Kosygin rose and toppled from power as a result of this war borders were redrawn daring strategies brilliantly succeeded or disastrously failed in a matter of hours And the balance of power changed in the Middle East and in the world A towering work of history and an enthralling human narrative *Six Days of War* is the most important book on the Middle East conflict to appear in a generation Praise for *Six Days of War* Powerful A highly readable even gripping account of the 1967 conflict Oren has woven a seamless narrative out of a staggering variety of diplomatic and military strands The New York Times With a remarkably assured style Oren elucidates nearly every aspect of the conflict Oren's book will remain the authoritative chronicle of the war His achievement as a writer and a historian is awesome The Atlantic Monthly This is not only the best book so far written on the six day war it is likely to remain the best The Washington Post Book World Phenomenal breathtaking history a profoundly talented writer This book is not only one of the best books on this critical episode in Middle East history it's one of the best written books I've read this year in any genre The Jerusalem Post In Michael Oren's richly detailed and lucid account the familiar story is thrilling once again What makes this book important is the breadth and depth of the research The New York Times Book Review A first rate new account of the conflict The Washington Post The definitive history of the Six Day War Oren's narrative is precise but written with great literary flair In no one else's study is there more understanding or more surprise Martin Peretz Publisher The New Republic Compelling perhaps even vital reading San Jose Mercury News *Routledge Library Editions: Iran Mini-Set D: Politics & Sociology 13 vol set* Various, 2021-11-17 Mini set D Politics and Sociology reissues 13 volumes originally published between 1977 and 1991 It discusses the revolution in Iran and what that has meant for the wider region of the Persian Gulf in terms of stability and relations with other countries as well as issues of poverty in Iran and the position of minorities For institutional purchases for e book sets please contact online sales tandf.co.uk customers in the UK Europe and Rest of World [Routledge Library Editions: Syria](#) Various Authors, 2021-03-01 Routledge Library Editions Syria brings together as one set or individual volumes a series of previously out of print classics from a variety of academic imprints With a variety of titles covering Syria's politics history and culture this set provides in one place a wealth of important reference sources from a wide range of authors expert in the field *Routledge Library Editions:*

Security and Society Various, 2021-09-30 This 12 volume set contains titles originally published between 1934 and 1995 An eclectic mix of titles this collection draws from anthropology economics ethics politics psychology and sociology Exploring security in both war and peacetime it includes volumes looking at the causes of war and its effect on society as a whole the soldiers themselves and their place in society the portrayal of war in the press both in words and photographs and the politics behind them **Routledge Library Editions: America: Revolution and Civil War** Various Authors, 2021-08-26 The volumes in this set originally published between 1967 and 2011 available as ebooks for the first time include succinct accessible books on two of the most important periods of American history which offer concise treatment of these major historical topics as well as some lengthier finest single volume studies of the American Civil and Revolutionary Wars ever written and an outstanding reference tool in a 2 volume Encyclopedia Among other things they Bring central themes and problems into sharper focus Discuss the pivotal roles played by Benjamin Franklin and Abraham Lincoln Examine the role of medical doctors in the northern campaigns during the revolutionary war Elucidate the character of the underlying moral and political problem of slavery Discuss the social and political experience of the civil war whilst examining the centrality of what happened on the battlefield Evaluate the legacy of the Civil War for America and for the world and emphasize its relationship to many of the dominating themes of modern history democracy freedom equality and nationalism *Routledge Library Editions: Egypt* Various Authors, 2021-07-09 *Routledge Library Editions: Egypt* brings together as one set or individual volumes a series of previously out of print classics from a variety of academic imprints With titles ranging from Education in Egypt to Egypt in Transition from Egyptian Religion to Egypt's Economic Potential this set provides in one place a wealth of important reference sources from a wide range of authors expert in the field *Routledge Library Editions: Jordan* Various Authors, 2021-03-11 *Routledge Library Editions: Jordan* brings together some key works in the study of this strategically vital country Widely regarded as a rare country of calm in a turbulent region these classic titles provide an essential reference to the in depth study of Jordan and its particular status in the Middle East **Routledge Library Editions: Political Protest** Various, 2022-07-30 This 26 volume set is a wide ranging time and subject spanning examination of the phenomenon of political protest What drives people to take to the streets and how do their governments respond These questions and many more are analysed in areas as varied as sixteenth century German peasant uprisings revolutionary Russians at the Paris Commune women protesting nuclear weapons at Greenham Common and the role Christianity played in protests across the ages An impressive reference resource this set also looks at the policing of protests and official responses to them **Routledge Library Editions: Historiography** Various, 2021-06-23 The greatest problem in historical scholarship theoretically and practically is the relation between historians and their subject matter The past is gone and historians can only study its remnants On what basis do scholars select certain facts from the mass of data left from the past How do they explain the interrelationship of the facts they select What criteria do they use to evaluate their subject The 35 volumes in this

set originally published between 1926 and 1990 discuss and answer these essential questions faced by historians The development of historical understanding during the 18th and 19th centuries was one of the most striking features of Western culture Both historiography and historical thinking advanced as never before The historical movement of the 19th century was perhaps second only to the scientific revolution of the seventeenth century in transforming Western thought One consequence was extensive organisation and professionalization of research which the volumes in this set reflect

Routledge Library Editions: Religion in America Various, 2021-08-31 Originally published between 1982 and 1993 the five volumes in this set explore religion in America through a variety of lenses examining the development and role of religion within different areas of society
