

SIX-GUN SHOOTOUT™

GUNFIGHTS OF THE WILD WEST

Six Gun Shootout

Will Wright

Six Gun Shootout:

Six-Gun Shootout Kit Dalton,1993 A special double edition of the electrifying adult Western with sales hotter than a Death Valley summer When a former lady friend calls on him to find the gutless murderer who ambushed her husband Buckskin Lee Morgan heads for the lawless town of Rock Springs Wyoming where he s more than ready to act as judge jury and executioner in the matter **Six Guns and Society** Will Wright,1975 **SIX GUN DEVIL** DR. PAUL CRAWFORD,2025-08-01 The desert wind carried more than dust It carried whispers Whispers of a man who rode with death at his side and judgment at his heels They called him the Six Gun Devil a name spoken with fear in saloons muttered in dread by mothers to their children and cursed by men who hoped never to see him draw He was faster than the rattlesnakes that slithered under the mesas colder than the steel of his revolvers and more ruthless than the desert sun To many he was nothing but an outlaw a killer destined for the gallows or hell itself To others he was a dark legend a man whose bullets carried the weight of final judgment But behind the shadow of the Devil s name was a man A man haunted by blood on his hands pursued not only by sheriffs and bounty hunters but by something deeper his own soul s damnation He had stared into the abyss of his own choices and the abyss had stared back This is not just the tale of a gunslinger It is the story of a war for one man s soul the tug of war between heaven and hell played out in dusty streets burning churches and lonely deserts It is the story of how even the hardest heart can hear the faint whisper of grace For out here in the badlands where law and mercy collide where men carry both a Bible and a six shooter the line between saint and sinner is drawn in blood and faith This is the story of the Six Gun Devil A story not of how a man died but of how a man was reborn Teaching Religion and Violence Brian K. Pennington,2012-05-24 Teaching Religion and Violence is designed to help instructors to equip students to think critically about religious violence particularly in the multicultural classroom *Game On, Hollywood!* Gretchen Papazian,Joseph Michael Sommers,2013-02-18 The 14 essays in Game on Hollywood take on several points of game and film intersection They look at storylines aesthetics mechanics and production The book is about adaptation video game to film film to video game but it is even more about narrative The essays draw attention to the ways and possibilities of telling a story They consider differences and similarities across modes of storytelling showing telling interacting explore the consequences of time place and ideology and propose critical approaches to the vastness of narrative in the age of multimedia storytelling The video games and film texts discussed include The Warriors 1979 film 2005 video game GoldenEye 1995 film GoldenEye 007 1997 and 2011 video games Buffy the Vampire Slayer 2000 2004 television show Buffy the Vampire Slayer Chaos Bleeds 2003 video game Prince of Persia The Sands of Time 2003 video game 2010 film the Star Wars franchise empire 1977 on Afro Samurai 2009 video game and Disney s Epic Mickey 2010 video game Two Beautiful Women and ONLY One Perfect Man? Hal Altenbern,2012 **Six-Gun Justice** Kit Dalton,1996-05 Buckskin Lee Morgan was holding the best hand any gambler could want Fate had dealt him a full house three ladies and two jokers The jokers were

white slavers ready to club Morgan until he was several cards short of a full deck Before Lee could raise the ante he ll have to bid the four flushers out of the game with six guns and hard fists Cultural Studies 11.3 Lawrence Grossberg,Della Pollock,2012-11-12 This intriguing issue represents the truly international and interdisciplinary nature of contemporary work in cultural studies Cultural Studies has reflected the discipline in becoming ever more global in scope and perspective

The Life and Times of Bill Williamson Bill Williamson,2024-07-09 Bill Williamson definitely had a rough start at life His mother went through many complications while pregnant with him and he spent much time in the hospital as a child for his health issues including being seriously hearing impaired As a partially deaf child Bill received a lot of ridicule for his hearing impairment and thus many children and even teachers made fun of him But even though he struggled he was able to eventually succeed in his studies and even discovered he had a passion for photography In *The Life and Times of Bill Williamson* Bill discusses his personal life experiences including being raised in a religious home as well as the political and historical events of his growing up years as an honest and accurate depiction of his extraordinary tale About the Author Bill Williamson currently lives in Urbandale Iowa *Hollywood's Imperial Wars* Armando José Prats,2024-04-16 When the Vietnam War punctured the myth of American military invincibility Hollywood needed a new kind of war movie The familiar triumphal narrative was relegated to history and with it the heroic legacy that had passed from one generation to the next for more than two hundred years How Hollywood helped create and instill the American myth of heroic continuity and how films revised that myth after the Vietnam War is what Armando Jos Prats explores in *Hollywood s Imperial Wars* The book offers a new way of understanding the cultural and historical significance of Vietnam in relation to Hollywood s earlier representations of Americans at war from the mythic heroism of a film like *Sands of Iwo Jima* to the rupture of that myth in films such as *The Deer Hunter* *Apocalypse Now* and *Platoon* As early as the mid 1940s Prats suggests fears aroused by the Cold War were stirring anxieties about sustaining the heroic myth anxieties reflected in the insistent aggressive patriotism in films of the period In this context Prats considers the immeasurable cultural importance of John Wayne the cinematic apotheosis of wartime valor and righteousness whose patriotism was nonetheless deeply compromised by his not having served in World War II Prats reveals how historical and cultural anxieties emerge in well known Vietnam movies in which characters inspired by the heroes of the Second World War are denied the heroic legacy of their fathers American war movies in Prats s analysis were forever altered by the loss in Vietnam Even movies like *American Sniper* that exalt war heroes are marked as much by the failure of the heroic tropes of old Hollywood war movies as by the tragic turn of actual historical events Tracing what Prats calls the anxiety of legacy through the films of the World War II and post Vietnam War periods this book offers a new way of looking at both the Hollywood war movie and the profound cultural shifts it reflects and refracts
