Six Month Fix:

The Fix Liam Vaughan, Gavin Finch, 2017-01-24 The first thing you think is where's the edge where can I make a bit more money how can I push the boundaries But the point is you are greedy you want every little bit of money that you can possibly get because like I say that is how you are judged that is your performance metric Tom Hayes 2013 In the midst of the financial crisis Tom Hayes and his network of traders and brokers from Wall Street's leading firms set to work engineering the biggest financial conspiracy ever seen As the rest of the world burned they came together on secret chat rooms and late night phone calls to hatch an audacious plan to rig Libor the world's most important number and the basis for 350 trillion of securities from mortgages to loans to derivatives Without the persistence of a rag tag team of investigators from the U S they would have got away with it The Fix by award winning Bloomberg journalists Liam Vaughan and Gavin Finch is the inside story of the Libor scandal told through the journey of the man at the centre of it a young scruffy socially awkward misfit from England whose genius for math and obsessive personality made him a trading phenomenon but ultimately paved the way for his own downfall Based on hundreds of interviews and unprecedented access to the traders and brokers involved and the investigators who caught up with them The Fix provides a rare look into the dark heart of global finance at the start of the 21st Century ACCA Paper P4 - Advanced Financial Management Study Text BPP Learning Media, 2009-07-01 The Association of Chartered Certified Accountants ACCA is the global body for professional accountants With over 100 years of providing world class accounting and finance qualifications the ACCA has significantly raised its international profile in recent years and now supports a BSc Hons in Applied Accounting and an MBA BPP Learning Media is an ACCA Official Publisher The new ACCA syllabus for paper P4 is about the practical application of financial theory to problems that managers face such as investment appraisal funding policies risk management growth organic or through mergers and acquisitions and dividend policy The paper also covers crucial issues such as corporate governance and ethical and environmental aspects of financial policy The BPP text provides a comprehensive treatment of the new ACCA syllabus for P4 and addresses all learning outcomes and the higher skills to be assessed in the professional examination in an integrated and practical way The material despite the technical nature of certain areas follows a practical common sense approach with plenty of case studies and real life business examples The key points of each topic are summarised in a chapter roundup and tested in a diagnostic quiz at the end of each chapter A question bank at the end of the book provides practice on exam style questions BPP Learning Media is the publisher of choice for many ACCA students and tuition providers worldwide Join them and plug into a world of expertise in ACCA exams **Hedging Interest-rate Exposures** Brian Coyle, 2001 Worked examples illustrating key points Explanation of complex or obscure terms Full glossary of terms The titles in this series all previously published by BPP Training are now available in entirely updated and reformatted editions Each offers an international perspective on a particular aspect of risk management Topics include interest rate risk identifying interest rate

exposures hedging policy forward rate agreements structural hedging and hedging with derivative instruments and interest rate futures options and swaps *ACCA P4 Advanced Financial Management* BPP Learning Media,2015-04-30 BPP Learning Media s status as official ACCA Approved Learning Provider Content means our ACCA Study Texts and Practice Revision Kits are reviewed by the ACCA examining team BPP Learning Media products provide you with the exam focussed material you need for exam success *Fixed Income Securities* Pietro Veronesi,2010-01-12 The deep understanding of the forces that affect the valuation risk and return of fixed income securities and their derivatives has never been so important As the world of fixed income securities becomes more complex anybody who studies fixed income securities must be exposed more directly to this complexity This book provides a thorough discussion of these complex securities the forces affecting their prices their risks and of the appropriate risk management practices *Fixed Income Securities* however provides a methodology and not a shopping list It provides instead examples and methodologies that can be applied quite universally once the basic concepts have been understood **Monthly Bulletin of the Bureau of Economic and Social Intelligence** ,1923 **Fixed Income Securities** Frank J.
