Six Theories Of Justice:

Six Theories of Justice Karen Lebacqz, 1987-01-01 There may be no more urgent cry today than that of justice and no more frequent accusation than that of injustice But what is meant when these terms are used Six Theories of Justice clarifies that question and offers major alternative answers Dr Lebacqz surveys three philosophical approaches to justice John Stuart Mill s utilitarianism the contract system of John Rawls and the entitlement views of Robert Nozick These are followed by analysis of three theological approaches that of the National Conference of Catholic Bishops of Reinhold Niebuhr and of the liberation theologian Jose Porfirio Miranda A comparison of the effectiveness of each approach in providing direction for facing and dealing with contemporary issues and situations adds to the usefulness of this volume A lucid and well structured introduction to recent thinking in social ethics *Eight Theories of Justice* Karen Lebacqz, Matthew J. Gaudet, 2025-04 Eight Theories of Justice presents ideas of justice in political philosophy and theological ethics utilitarianism liberalism libertarianism communitarianism Catholic social teaching Christian realism liberation theology and womanism Each chapter introduces the major elements of a theory and an assessment of its value for living justly *Eight Theories of Justice* Karen Lebacqz, Matthew J. Gaudet, 2025-04-01 There may be no more urgent cry than that for justice and no more frequent accusation than that of injustice But what is meant when these terms are used Since its initial publication nearly forty years ago Karen Lebacqz s Six Theories of Justice has been the go to guide for answering this question But today the matters upon which it touches are even more acute Eight Theories of Justice offers a major update and expansion of the earlier text Together with coauthor Matthew J Gaudet Lebacqz presents the major alternative views of justice including John Stuart Mill s utilitarianism the contract system of John Rawls the entitlement views of Robert Nozick and the communitarian ideas of Michael Sandel These political and philosophical accounts of justice are supplemented with analysis of major theological approaches Pope Francis and Catholic social teaching Reinhold Niebuhr and Christian realism the Black liberation theology of James Cone and Katie Cannon s womanist ethics Each chapter introduces the major elements of each theory presents the best critiques of each theory and offers an assessment of their value for living justly in the modern world *Justice in an Unjust World* Karen Lebacqz, 1987-11-06 Have we heard the cry for justice that rises from humanity suffering from varieties of injustice economic sexual political cultural verbal Or what is more have Christians on occasion knowingly or unknowingly acquiesced in or even contributed to injustice By means of powerful and dramatic use of biblical images and models Dr Lebacqz sets before us the justice of God and God s call for us to heed the cry of the suffering and to work for justice in an unjust world **A Light Too Bright** Paulos Gregorios, 1992-01-01 Questioning the very legitimacy of Western liberalism and the modern secular civilization it has given rise to Dr Gregorios critically examines the values of the European Enlightenment of the eighteenth and nineteenth centuries and the corporate drive of European peoples by which they have dominated the external world He shows that both Capitalism and Marxism as well as Modern Science and Technology are

creations of the same spirit he argues The powerful light of Critical Rationality emitted by the European Enlightenment is like the light of the sun It is bright and helpful for seeing this world in detail but too bright to let us see the night sky and the vast expanses of the universe This light too bright eclipses the Transcendent Dr Gregorios invites us to appropriate the other Enlightenment of the overall religious cultural outlook in a new way and to relate it to the valid insights of the European Enlightenment

The Enigma of Justice Morris A. Inch, 2010-07-06 While justice is thought indispensable for a healthy society its complex character gives rise to conflicting applications Accordingly The Enigma of Justice serves as an appropriate title In greater detail the course is set with a consideration of justice in context of the prophets These were faced with the unenviable task of fine tuning the monarchy to its covenant ideals The topic is then treated in its classical setting as one of the cardinal virtues This introduces a series of competing theories more or less compatible with one another In still greater detail the text treats a wide range of related topics such as justice in conjunction with poverty mercy and freedom In conclusion it touches on justice from an international perspective

Roles of Justice in Bioethics Matti Häyry, 2022-08-11 This Element traces the origins and development of bioethics the principles and values involved in the discipline and the roles of justice among these principles and values The main tasks given to the concept of justice have since the late 1970s been nondiscrimination in research prioritization in medical practice and redistribution in healthcare The Element argues that in a world challenged by planet wide political and environmental threats this is not sufficient The nature and meaning of justice has to be rethought The Element does this by dissecting current bioethical approaches in the light of theories of justice as partly clashing interpretations of equality The overall findings are twofold Seen against the background of global concerns justice in bioethics has become a silent guardian of economic sustainability Seen against the same background we should set our aims higher Justice can and must be put to better use than it presently is This title is also available as Open Access on Cambridge Core

The Bible, Justice, and Public Theology David J. Neville, 2014-10-09 Public theology is a developing field of discourse concerned to address matters of pressing public concern in theological perspective for the common good Themes of ecology poverty human rights and especially justice feature prominently in its discourse Although justice is also a prominent theme in the Bible there is no single perspective on what constitutes justice in the Bible and no single view on how biblical perspectives on justice should contribute to contemporary discussion regarding the meaning and implementation of justice Informed and inspired by Christopher Marshall s landmark work on Compassionate Justice Cascade Books 2012 in dialogue with Jesus parables of the Good Samaritan and the Prodigal Son this collection of studies addresses various interrelations between the Bible justice and public theology Marshall himself proposes that certain parables of Jesus are paradigmatic for public theology and some contributors respond to different dimensions of his treatment of the parables of the Good Samaritan and the Prodigal Son in terms of restorative justice Other contributors by contrast examine broader related concerns such as justice in biblical theological and philosophical perspective the hermeneutics of engagement for

justice the relation between feminist theology and restorative justice biblical resources for public theology and popular culture as both a conversation partner with and a medium for public theology **A Theology of Justice** Larry Donell Covin Jr.,2022-06-14 There are thirty eight ethical statements principles throughout the seven chapters of A Theology of Justice These ethical statements form a comprehensive corrections ethic informed by the human rights abuses occurring in jails and prisons in the United States offering evidence based correctives This corrections ethic is informed by twenty years of qualitative research inside four jail and prison institutions as an administrator of both Treatment and Religious Services departments including the United States Disciplinary Barracks at Leavenworth United States Penitentiary in Atlanta Maryland Division of Pretrial Detention and Services and the Adams County Adult Correctional Complex in Gettysburg Pennsylvania A Theology of Justice is foundational toward a corrections ethic and reflective of disciplines possessing extensive research in the development of its ethics such as business ethics and medical ethics **Living with Dignity** Elna Mouton, Gertrude Kapuma, Len Hansen, Thomas Togom, 2015-01-01 By addressing gender equality as a fundamental expression of human dignity and justice on our continent this collage of essays by 14 women and 6 men is meant to serve as a concrete alternative to aspects of gender inequality Its format is particularly devised for use in the classroom and for critical constructive group engagement It is our sincere prayer that it will also be used in imaginative ways by clergy and in congregations as a necessary part of adult learning programmes *Christian Justice and Public Policy* Duncan B. Forrester, 1997-08-28 Disagreements about justice are not simply academic matters They create problems for practice and for policy making In a morally fragmented society in which nobody knows what justice is issues such as wages policy punishment and poverty become particularly difficult to handle People striving to act justly are often uncertain how this might be done Secular theories such as those of Rowls Hayek Habermas and modern feminist theorists examined here give some guidance for problems of justice that arise on the ground but have serious limitations This book argues that Christian theology although it can no longer claim to provide a comprehensive theory of justice can provide insights into justice theological fragments which give illumination challenge some aspects of the conventional wisdom and contribute to the building of just communities in which people may flourish in mutuality and hope **Conceptions of Justice from Islam to the Present** Hossein Askari, Abbas Mirakhor, 2019-04-27 This book explains a perspective on the system of justice that emerges in Islam if rules are followed and how the Islamic system is differentiated from the conventional thinking on justice It examines conceptions of justice from the Enlightenment to Bentham to Rawls to contemporary philosophers including Sen Cohen Nussbaum and Pogge The authors present the views of twentieth century Muslim thinkers on justice who see Muslims upholding rituals but not living according to Qur'anic rules It provides empirical surveys of the current state of justice in Muslim countries analyzing the economic social and political state of affairs The authors conclude by assessing the state of justice injustice in Muslim countries and highlighting areas in need of attention for justice to prevail *Masquerade and*

Social Justice in Contemporary Latin American Fiction Helene Carol Weldt-Basson, 2017-05-01 Contemporary Latin American fiction establishes a unique connection between masquerade frequently motivated by stigma or trauma and social justice. Using an interdisciplinary approach that combines philosophy, history, psychology, literature, and social justice theory, this study delineates the synergistic connection between these two themes. Weldt Basson examines fourteen novels by twelve different Latin American authors: Mario Vargas Llosa, Sergio Galindo, Augusto Roa Bastos, Fernando del Paso, Mayra Santos Febres, Isabel Allende, Carmen Boullosa, Antonio Benítez Rojo, Marcela Serrano, Sara Sefchovich, Luisa Valenzuela, and Ariel Dorfman. She elucidates the varieties of social justice operating in the plots of contemporary Latin American novels: distributive, postmodern, feminist, postcolonial, transitional, and historical. The author further examines how masquerade and disguise aid in articulating the theme of social justice, why this is important, and how it relates to Latin American history and the historical novel.

Old Testament Interpretation James Luther Mays, David Petersen, Kent H. Richards, 1995-12-01 This volume provides an introduction to the changing terrain of contemporary Old Testament study. The essays orient the reader to all the major sections of Old Testament study, serving also to engage the reader in the work of Old Testament interpretation. The Festschrift in honour of Gene M. Tucker contains sections on the Torah, the Prophets, Writings, and the Context of the books of the Old Testament. The parts work in conjunction to give the reader a guide to the key issues in the history of interpretation of the Old Testament.

When Love is Not Enough Mary Elsbernd, Reimund Bieringer, 2002 Catholic Press Association Award Winner The Gospel call to do justice has inspired Christians to practice justice throughout the centuries. Yet popular usage associates justice with the legal system, due process, or with fair treatment in ways that are not helpful to Christian practitioners and ministers of justice. *When Love Is Not Enough* addresses the practice of justice at the dawn of the new millennium through the lens of eight dilemmas that confront Christians in their daily efforts to do justice. After an initial description and analysis of these eight specific dilemmas that impact the Christian understanding and practice of justice, *When Love Is Not Enough* draws on the experience of practitioners of justice, the Hebrew and Christian Scriptures, Catholic Social Teachings, and contemporary theories of justice to develop a comprehensive approach to justice based on faith. Chapter one introduces the dilemmas in contemporary justice that reflect a theological, eschatological, sacramental, and ethical worldview. Chapter two traces the theological framework of justice through the experience of ministers and practitioners of justice. Chapter three looks at the theological framework of justice in the Hebrew and Christian Scriptures, while chapter four examines the theological framework of justice in Catholic Social Teachings. Chapter five draws upon contemporary and classical theories of justice, showing justice as a historically evolving practice. Chapter six examines the anthropological, theological, and sacramental contexts for justice as participation in the human community. Chapter seven outlines how justice as participation in the human community is built around seven important points. The final chapter illustrates how justice as participation can sort out some just practices that respond to the eight initial dilemmas. Chapters
