

SIX YEARS AFTER NO-NOVA!

*Cycling
through Europe*

Marie Bennett Alsmeyer

Introduction by Linda Grant De Pauw

Six Years After D Day Cycling Through

Emilie Sanchez

Six Years After D Day Cycling Through:

Six Years After D-Day Marie Bennett Alsmeyer, 1995 In 1950 a young couple both WWII veterans a WAVE and an airman and both with GI Bill journalism degrees quit their jobs on a South Texas weekly newspaper and embarked upon a 1200 mile bicycle tour through Europe Such a trip made no sense at all in 1950 writes Alsmeyer but it was a gloriously crazy senseless thing to do Based on notes diaries and letters the book is more than a mere travelogue It chronicles the people and places of postwar western Europe including the citizens of Vimoutiers France a town accidentally bombed by Americans One family with twelve children lived in one of the houses that fell during the first wave of the raid The children crouched under a sturdy dining room table until the last of the bombs had hit As rescuers went about their tasks in the smoldering debris these twelve children in single file walked out of the rubble hand in hand They said that only the night before their father had warned them that if there was ever a bombing raid they must hide under the sturdy round table Bicycle enthusiasts war historians sociologists women s studies scholars and readers of travel narratives will all find something of interest in this charmingly written narrative

Allies in Memory Sam Edwards, 2015-03-02 A fresh perspective on World War II commemoration that identifies the central place of war memory in post 1945 transatlantic relations Cold War Holidays Christopher Endy, 2005-12-15 Moving beyond traditional state centered conceptions of foreign relations Christopher Endy approaches the Cold War era relationship between France and the United States from the original perspective of tourism Focusing on American travel in France after World War II Cold War Holidays shows how both the U S and French governments actively cultivated and shaped leisure travel to advance their foreign policy agendas From the U S government s campaign to encourage American vacations in Western Europe as part of the Marshall Plan to Charles de Gaulle s aggressive promotion of American tourism to France in the 1960s Endy reveals how consumerism and globalization played a major role in transatlantic affairs Yet contrary to analyses of globalization that emphasize the decline of the nation state Endy argues that an era notable for the rise of informal transnational exchanges was also a time of entrenched national identity and persistent state power A lively array of voices informs Endy s analysis Parisian hoteliers and cafe waiters American and French diplomats advertising and airline executives travel writers and tourists themselves The resulting portrait reveals tourism as a colorful and consequential illustration of the changing nature of international relations in an age of globalization

The Alcalde , 1995-09 As the magazine of the Texas Exes The Alcalde has united alumni and friends of The University of Texas at Austin for nearly 100 years The Alcalde serves as an intellectual crossroads where UT s luminaries artists engineers executives musicians attorneys journalists lawmakers and professors among them meet bimonthly to exchange ideas Its pages also offer a place for Texas Exes to swap stories and share memories of Austin and their alma mater The magazine s unique name is Spanish for mayor or chief magistrate the nickname of the governor who signed UT into existence was The Old Alcalde *Bicycle USA.* , 1998 Subject Guide to Books in Print , 1991 *The Phrenological Journal and Life*

Illustrated ,1884 Bicycling ,2008-04 Bicycling magazine features bikes bike gear equipment reviews training plans bike maintenance how tos and more for cyclists of all levels *Bike for Life* Roy M.
