Sixty-one Tony Kubek,Terry Pluto,1987-01-01 *Sixty-One in '61* Robert M. Gorman,2019-11-08 Much has been written about Roger Maris and the historic summer of 1961 when he broke Babe Ruth s single season home run record yet little is known about the pitchers on the other side of the tale One of the many knocks against Maris was that he faced inferior pitching in an American League watered down by expansion from eight to 10 teams But was that really the case Did Maris face has beens and never weres while Ruth confronted the cream of AL pitching Who were these starters and relievers and how good were they Drawing on first hand accounts interviews and a range of contemporary sources this study covers each of Maris 63 home runs that season including the lost one and his game winning World Series dinger Biographies of each of his 48 victims cover the pitcher s career pitching style and the circumstances of the game Maris faced some really fine pitching that summer despite what many contended then and now 62 Bryan Hoch,2024-03-19 The definitive story Tyler Kepner The New York Times baseball columnist of Yankees slugger Aaron Judge s incredible unparalleled run to break Roger Maris s home run record and the franchise both men called home Aaron Judge the hulking superman who carried an easy aw shucks demeanor from small town California to stardom in the Big Apple had long established his place as one of baseball s most intimidating power hitters Baseballs frequently rocketed off his bat like cannon fire dispatching heat seeking missiles toward the Judge s Chambers seating area in right field sending delirious fans scattering for souvenirs But even in a high tech universe where computers measure each swing to the nth degree Roger Maris s American League mark of sixty one home runs seemed largely out of reach It had been more than a decade since baseball wiped clean the stains of its performance enhanced era in which cartoonish sluggers Mark McGwire Sammy Sosa and Barry Bonds made a mockery of the record book Given a more level playing field against pitchers sporting hellacious arsenals unlike anything Babe Ruth or Maris could have imagined only an exceptional talent could even consider making a run at sixty one homers Judge who placed the bet of his life by turning down a 213 5 million extension on the eve of the regular season promised to rise to the challenge In the most thorough telling yet of an all time great Yankees performance Jeff Passan New York Times bestselling author veteran Yankees beat reporter Bryan Hoch unravels the remarkable journey of Judge s run to shatter Maris s beloved sixty one year old record In depth inspiring and with an expert s insight 62 also investigates the more significant questions raised in a season unlike any other including how and where Judge will deliver his encore *American History through American Sports* Bob Batchelor,Danielle Sarver Coombs,2012-12-18 Filled with insightful analysis and compelling arguments this book considers the influence of sports on popular culture and spotlights the fascinating ways in which sports culture and American culture intersect This collection blends historical and popular culture perspectives in its analysis of the development of sports and sports figures throughout American history American History through American Sports From Colonial Lacrosse to Extreme Sports is unique in that it focuses on how each sport has transformed and influenced society at large demonstrating

how sports and popular culture are intrinsically entwined and the ways they both reflect larger societal transformations The essays in the book are wide ranging covering topics of interest for sports fans who enjoy the NFL and NASCAR as well as those who like tennis and watching the Olympics Many topics feature information about specific sports icons and favorite heroes Additionally many of the topics treatments prompt engagement by purposely challenging the reader to either agree or disagree with the author s analysis The publishers weekly ,1987 *The Baseball Film in Postwar America* Ron Briley,2014-01-10 This work focuses on the baseball movie genre in the years following World War II beginning with the 1948 biopic *The Babe Ruth Story* and ending with the 1962 Mickey Mantle Roger Maris vehicle *Safe at Home* when the consensus was that conflict should be limited in American society by emphasizing economic growth and a strong stand against Communism This study of selected films indicates however that this strategy was not entirely effective while offering a certain amount of nostalgia these films could not provide shelter from the storm gathering in postwar America which challenged conventional ideas of race gender and class and broke in the 1960s The Colorado School of Mines Magazine ,1928 60 WESTERNS: Cowboy Adventures, Yukon & Oregon Trail Tales, Famous Outlaws, Gold Rush Adventures & much more Zane Grey,Max Brand,Owen Wister,James Fenimore Cooper,B.
