**Finders Keepers** Belinda Bauer, 2017-03-14 A spine tingling edge of your seat thriller about an alarming killing spree in southwest England from the CWA Gold Dagger Award winning author The eight year old boy had vanished from the car and as if by slick sick magic had been replaced by a note on the steering wheel You don t love him At the height of summer a dark shadow falls across Exmoor as children begin to disappear with each disappearance marked only by a terse accusatory note There are no explanations no ransom demands and no hope Policeman Jonas Holly a character returning from Bauer s first two novels faces a precarious journey into the warped mind of the kidnapper if he s to stand any chance of catching him But still reeling from a personal tragedy is Jonas really up to the task There are some who would say that when it comes to being the first line of defense Jonas Holly may be the last man to trust Finders Keepers has an enjoyably creepy premise Bauer s villain incidentally is one of the oddest in detective fiction what he does with his victims is utterly weird The Guardian

**The Skateboard** Ben Marcus, 2011-06-07 The story of the simple skateboard is part thriller part underground underdog success tale It s chock full of innovations far out graphic artistry and ever more incredible hot dogging feats And the story s told in this book with contributions from the stars themselves Tony Hawk Stacey Peralta Jeff Ho the Dogtown Z Boys and more Beautifully illustrated with historical posters ads and memorabilia along with new action photography studio skateboard shots and unique portraits of the stars this is a fitting tribute to an American classic

**You Smell Dead #1** Chris P. Flesh, 2007-09-06 Ben knows that the only way he can save Wishworks Factory is to find a magical weapon that lies deep below the grounds of the factory But can he find it in time to bring peace back to his new home

**Take Out Your Nose Ring, Honey, We're Going to Grandma's** Barbara Cooke, Carleton Kendrick, 2003 The antidote to today s epidemic of negative stereotypes about teenagers Instructive and inspiring articles about successfully parenting teens from Chicago Tribune contributor Barbara Cooke and nationally known family therapist Carleton Kendrick Invaluable for parents and educators

**Superhumans from the Past** Jaime Mera, 2016-12-13 Steve and four superhumans he never met before in his life assemble in the middle of a deserted island The five superhumans meet in a time of turmoil during the Cold War and dawn of the South American revolution but they re propelled to the future where they learn that the past is not set in stone On top of it everyone is way out of their comfort zone as they find out they re no longer on Earth but on a planet called Arlos Time travel is a thing many do not believe possible but if you could go back in time why would you To change the past is a paradox which even superheroes seem not to escape from except that this time it s not a paradox for the five superhumans known as the Five Ghosts They are not from the future or present and their time traveling present is our future Steve known as Stargazer leads this band of brothers to find a way back home by saving Queen Cassandra and stopping Korvax from obtaining time traveling

powers and disrupting the order of the universe Steve has to fight against his own team as they learn to deal with the weird situation and their own assertive personalities Steve grew up watching the stars with his unique superhuman vision but seeing the Sun as a very small white dot from another galaxy stirs him into action as a leader and hero Queen Cassandra is near death but the Five Ghosts fight through an army of demonic aliens to revive her from a parallax prison chamber The time comes when the Five Ghosts see the opportunity to return home but what they return to is not the same world they learned to appreciate Earth is in danger and they re the only ones who can change history or should it be said the future Stargazer Ghost Rat Bastard Spot and Master find themselves in the middle of a worldwide plot to assassinate leaders and superhumans Their only advantage in stopping the onslaught is no one knows them Skateboarding LA Gregory J.

Snyder,2017-12-05 Inside the complex and misunderstood world of professional street skateboarding On a sunny Sunday in Los Angeles a crew of skaters and videographers watch as one of them attempts to land a heel flip over a fire hydrant on a sidewalk in front of the Biltmore Hotel A staff member of the hotel demands they leave and picks up his phone to call the police Not only does the skater land the trick but he does so quickly and spares everyone the unwanted stress of having to deal with the cops This is not an uncommon occurrence in skateboarding which is illegal in most American cities and this interaction is just part of the process of being a professional street skater This is just one of Gregory Snyder s experiences from eight years inside the world of professional street skateboarding a highly refined athletic and aesthetic pursuit from which a large number of people profit Skateboarding LA details the history of skateboarding describes basic and complex tricks tours some of LA s most famous spots and provides an enthusiastic appreciation of this dangerous and creative practice Particularly concerned with public spaces Snyder shows that skateboarding offers cities much more than petty vandalism and exaggerated claims of destruction Rather skateboarding draws highly talented young people from around the globe to skateboarding cities building a diverse and wide reaching community of skateboarders filmmakers photographers writers and entrepreneurs Snyder also argues that as stewards of public plazas and parks skateboarders deter homeless encampments and drug dealers In one stunning case skateboarders transformed the West LA Courthouse with Nike s assistance into a skateable public space Through interviews with current and former professional skateboarders Snyder vividly expresses their passion dedication and creativity Especially in relation to the city s architectural features ledges banks gaps stairs and handrails they are constantly re imagining and repurposing these urban spaces in order to perform their ever increasingly difficult tricks For anyone interested in this dynamic and daunting activity Skateboarding LA is an amazing ride

Impossible Cole Louison,2011-07-19 Skateboarding the background technicality culture rebellion marketing conflict and future of the global sport as seen through two of its most influential geniuses Since it all began half a century ago skateboarding has come to mystify some and to mesmerize many including its tens of millions of adherents throughout America and the world And yet as ubiquitous as it is today its origins manners and methods are little understood The

Impossible aims to get skateboarding right Journalist Cole Louison gets inside the history culture and major personalities of skating He does so largely by recounting the careers of the sport's Yoda Rodney Mullen who in his mid forties remains the greatest skateboarder in the world the godfather of all modern skateboarding tricks and its Luke Skywalker Ryan Sheckler who became its youngest pro athlete and a celebrity at thirteen The story begins in the 1960s when the first boards made their way to land in the form of off season surfing in southern California It then follows the sport's spikes plateaus and drops including its billion dollar apparel industry and its connection with art fashion and music In *The Impossible* we come to know intimately not only skateboarding but also two very different equally fascinating geniuses who have shaped the sport more than anyone else *Dormer Window* Pat Reddekopp, 2016-01-01
