**Skeleton in Search of a Cupboard** Elizabeth Ferrars, 2014-06-14 Henrietta Cosgrove's eightieth birthday luncheon had gone very well her five stepchildren all gathered to celebrate in her lovely old thatched house But then Henrietta dropped a bombshell To shore up her dwindling income she proposed to sell two landscapes by a painter whose work had recently appreciated That night the house burned down When the pictures were found to be missing it looked as though the fire was intended to cover the theft But what the fire uncovered was far more dramatic **Hanged Man's House** Elizabeth

Ferrars, 2014-06-14 Dr Charles Gair was found hanged but that is not what killed him This was the first of the bizarre surprises awaiting those who penetrated the home of the head of the Martindale research establishment on a Sunday morning to see what was amiss Even more startling was the discovery of a second body perfectly mummified The writer who may be the closest of all to Christie in style plotting and general milieu Ellery Queen's Mystery Magazine **Whodunit?**

Rosemary Herbert, 2003-05-08 Who populates the pages of crime and mystery writing Who are the characters we willingly follow into the mystery genre's uneasy imaginative territory And who created those characters in the first place What life experience and expertise informs their work What are the sources of their themes regional accents and even the axes that some grind Why do some wish to give us a good laugh while others seem hell bent on making us shudder Whodunit answers these questions and more Here mystery expert Rosemary Herbert brings together enlightening and entertaining information on hundreds of classic and contemporary characters and authors Some such as P D James Ian Rankin Sherlock Holmes and Kinsey Millhone appear in individual entries Still more keep company in articles about characters we admire such as the Clerical Sleuth and in pieces about those we love to hate including the Femme Fatale and Con Artist There is even an article on a figure that haunts so many great works of mystery The Corpse Drawing on the Edgar Award nominated volume The Oxford Companion to Crime Mystery Writing Herbert adds 101 new entries on the hottest new names in works ranging from puzzling whodunits to chilling crime novels *Murder in Time* Elizabeth Ferrars, 2013-09-14 The prospect of a weekend on the French Riviera was an attractive one Yet most of the nine people whom Major Mark Auty invited to join him hesitated before accepting his invitation Each of them knew something about Auty's past and because of their knowledge had good reason to suspect some sinister intention Their doubts were not unwarranted Before the flight took off for Nice murder had been committed and one of the nine guests had to be guilty But it was Major Auty himself who was the victim and it seems he was killed just in time **Skeleton Staff** Elizabeth Ferrars, 2014-03-14 Roberta Ellison lives in Madeira where she had settled with her late husband after being crippled in a motor accident Domestic help was easy to come by and the climate was ideal Then her sister Camilla comes to the island to help her to find a companion bringing problems of her own with her problems that at first seem trivial but that soon involve the sisters in a violent and mystifying spiral of events As more newcomers appear so Camilla's history begins to unfold and it emerges that all is not as it seems and then murder strikes

**Unreasonable Doubt** Elizabeth Ferrars,2013-09-14 Professor Alistair Dirke thought himself a reasonable man he could scarcely acknowledge the suspicion that was beginning to grow in his mind every time he saw his wife Rose with Paul Eckleston Paul seemed to be there very often these days Yet soon a more terrible suspicion was to grow and spread through the little community of Rollway where the Dirkes had lived in peace with their neighbours A valuable collection of coins goes missing and then a man is murdered The Swaying Pillars Elizabeth Ferrars,2014-06-14 Helena Sebright is given a three month job in the newly independent African state of Uyowa She is to escort a seven year old girl to stay with her grandparents there and to bring her back to her parents in England at the end It seems a lucky break But Helena is not to know she will become involved in a dangerous criminal enterprise Against the background of a disintegrating state and imminent bloody revolution Helena finds herself caught up in a series of mysteries catastrophes and gruesome deaths
