Skits And Puppets:

Willie's World Tom Smith, 2015-11-25 Willie's World is a collection of Christian puppet skits written to encourage young boys and girls to carry God's Word in their hearts. By doing so they will be better equipped to face those trials and temptations that will surely come their way. Each week Willie manages to find himself in one sort of dilemma or another. And also each week God's Word comes to the rescue. Whether it be through Willie's Grandpa who shares with Willie the true meaning of helping others or through the delightful Miss Pickles who teaches her class the importance of always telling the truth. Week after week Willie learns usually the hard way that by applying the principles found in the Bible a fella can spare himself a whole lot of trouble. Throughout these skits children will be taught valuable lessons to help strengthen their faith and better prepare them for life's long and often difficult journey. Lessons about trust, obedience, responsibility, forgiveness, and honoring their mothers and fathers. Lessons about God's love for them and lessons about how they can live lives that will be pleasing to Him. This can best be accomplished when making those life decisions in the light of His Word. *Willie's World* Tom Smith, 2015-11-25 Willie's World is a collection of Christian puppet skits written to encourage young boys and girls to carry God's Word in their hearts. Indian Puppets Sampa Ghosh, Utpal Kumar Banerjee, 2006. Puppetry originated in India and travelled across the seven seas to the eastern and western world as vouched by many scholars. Puppets dated back to a period well before Bharata's *Natya Shastra* and have continued unabated throughout the centuries in almost all Indian states. Puppetry is one enduring form which has entertained masses and educated people. The famous puppeteers of Rajasthan are really acrobats who only put on puppet shows when they move out of villages. These and a thousand other scintillating facts come out of this exciting book for the reader's entertainment and elucidation. Puppets are by no means for only children as the puppeteers of Orissa sing and dance about the romantic love of Radha and Krishna and Kerala puppets narrate Kathakali stories in the same make-up and costumes. The book aims at giving a connected account of the Indian puppets: their variety, their multiple functions, their craft, their animation and their connections with other related arts. In five separate parts, the book also contains for the first time in any book on puppetry: four important appendices: museums in India containing puppets; directory of Indian puppeteers; global bibliography on puppets; and a relevant glossary. The world of Indian puppets is seen in vivid colours with scores of coloured photographs and many line drawings and half-tone pictures. In their many-sided splendour: variety of the glove, rod, string, shadow and human puppets; and a myriad background stories of the puppet masters and their imaginative landscape of free creativity.

Christian Skits & Puppet Shows Karen Jones, 2015-02-03. This book is composed of skits and puppet shows which use humor to teach the message of Christ.
