Company, 1924 [The Vet 1: my wild and wonderful friends](#) Luke Gamble, 2011-04-28 Luke Gamble is a West Country treasure. Like Dr Doolittle but real. MARTIN CLUNES. Fresh out of university, vet Luke Gamble joined a mixed practice in Dorset run by the stern but benevolent Mr Spotswoode. He found himself quickly thrust into the real world of veterinary medicine: truculent farmers, out-of-hours surgery, nasty biting squirrels, operating on frog's eyeballs, and some of the harsher facts of farming life like dealing with a tragic outbreak of foot and mouth. Luke dreams of setting up his own practice and finding his place in the big wild world. These dreams, however, are never quite as straightforward as they may seem. In the first instalment of his memoir, the young vet not only learns much about his trade but also learns a lot about himself along the way, developing a group of close friends, both animal and human. The most important of these is Cordelia, the woman of his dreams, and his quest to win her heart is a marathon. Warm-hearted, witty, and full of weird and wonderful tales, *The Vet* is the perfect read for animal lovers.

Working with Spirit Jo Thobeka Wreford, Joanne Wreford, 2008 In the current model of health dispensation in South Africa, there are two major paradigms: the spirit-inspired tradition of izangoma, sinyanga, and biomedicine. These operate at best in parallel but more often than not are at odds with one another. This book, based on the author's personal experience as a practitioner of traditional African medicine, considers the effects of the absence of spirit in biomedicine on collaborative relationships. Given the unprecedented challenge of the HIV/AIDS epidemic in the country, the author suggests that more cooperation is vital. Taking a critical look at the role of anthropology in this endeavor, she proposes the development of a language of spirit by means of which the spirit-inspired aetiology of izangoma, sinyanga, may be made comprehensible to academic scientists and applicable to medical interventions. The author discusses white izangoma in the

context of current debates on healing and hybridity and insists that there exists a powerful role for izangoma in the realm of societal healing Above all the book constitutes a start in what the author hopes will develop into an ongoing intellectual conversation between traditional African healing academe and biomedicine in South Africa

Lenny, Lefty, and the Chancellor: the Len Bias Tragedy and the Search for Reform in Big-time College Basketball C. Fraser Smith, 1992-01-15

Where were you on June 19 1986 That s the day when Len Bias one of the greats of the college basketball game a player seemingly destined for NBA stardom died of a cocaine overdose For the next several months millions followed the continuing unfolding tragedy at the University of Maryland at College Park Six years later where is big time basketball the big money game whose vulnerabilities began to come to life with Bias s death How far has it come in reforming itself against the abuses that contributed to the Bias tragedy In Lenny Lefty and the Chancellor Baltimore Sun reporter C Fraser Smith answers those questions through the microcosm of the University of Maryland He demonstrates how despite numerous obstacles the University of Maryland has been reforming its program during the five years since Bias s death actually transforming it from sinkhole to national model In so doing Smith provides the first book to look at the problems of intercollegiate sports from the college president s perspective a point of view crucial to getting balance instilled in such programs From 1929 the year the Carnegie Commission issued its report on the subject through 1991 when the Knight Commission released its report every analyst has said that university presidents are the ones who must solve the problems of intercollegiate athletics says Smith My book more than any available carefully analyzes what presidents such as former UM Chancellor John Slaughter have to work with and what they are up against Reliance on the presidents Smith concludes is illusory and unrealistic In Lenny Lefty and the Chancellor Smith gets at the central issues through three main characterseach of them extraordinary and compelling Clearly Len Bias captured the imagination of the sporting world says Smith People still remember where they were when they heard the seemingly impossible news that Bias just drafted the day before by the Boston Celtics had died Lefty Driesell though now at James Madison University and thus somewhat out of the national spotlight is vividly remembered by college basketball followers nationwide as a uniquely charismatic and successful coach Chancellor John Slaughter a black college president is less well known but just as interesting His core experience as UM chancellor was built around a dead basketball superstar and a problem plagued college basketball program but his story is important well beyond that because it delves into such important areas as race relations in America today Fully textured and crisply written sober yet gripping Lenny Lefty and the Chancellor is a people and issue book that brings the problems of big time college basketball down to the understandable level of the individual That says Smith is something you can t get from a year s worth of reading dry texts and graduation statistics Though the book offers an insider s look at the University of Maryland and at Maryland politics it fits snugly into a larger and timely framework With the Knight Commission refocusing attention on big time basketball the NCAA enacting new reforms pioneered at UM and NCAA teams headed into another

GTO: 14 Days in Shonan 5 Toru Fujisawa,2022-02-01 In the fifth volume of 14 Days in Shonan Eikichi Onizuka the Great Teacher has a very unique assignment to take on Normally he spends most of his time teaching teens life lessons He uses the school of hard knocks technique to open people's hearts However in this situation the GTO must make an effort to reunite a child with his mother He must also teach the child that sometimes choosing family is not the right solution Everyone would like to have a happy household Being able to sit by the dinner table to discuss the day's highlights is an ideal that is not reality for millions across the globe And in the case of the teens at the White Swan such realities are generally fictitious because of a variety of reasons That does not excuse anyone involved from wishing for such a life but changing the hearts of adults often means changing their lives at their core Words or fisticuffs will not be enough So Seiya a young man who appears to be on the way to a pleasant self-reliant life turns to violence to try to get his mother and family life back But what happens when your very own mother is willing to take a knife at you Well this is Seiya's reality And this is one lesson Onizuka will hate to have taught Then

the spotlight turns to Onizuka's employer Great Vice Principal Uchiyamada. He's also in Shonan and on the hunt for Onizuka. But out of his element and turf, this educator is now caught up in a wild ride through the Tokyo suburbs.

Mack Bolan's directive comes straight from the Oval Office: find and recover two hostages kidnapped to blackmail the embattled head of a civil war-torn province. Bolan is facing powerfully backed terrorists whose campaign of death strikes fear into the heart of a struggling nation.
