

Slaves Of The Depression

James H. Sweet

Slaves Of The Depression:

Slaves of the Depression Gerald Markowitz, David Rosner, 1987 *Slaves of the Depression* Gerald E. Markowitz, 1987

America in the Twentieth Century Marshall Cavendish Corporation, 2002-10 A thirteen volume set that presents an overview of all aspects of twentieth century America and two volumes of primary sources **Cultural and Literary**

Critiques of the Concepts of "race" E. Nathaniel Gates, 1997 The Psychological Legacy of Slavery Benjamin P.

Bowser, Aimé Charles-Nicolas, 2021-04-09 This collection of essays surveys the practices behaviors and beliefs that developed during slavery in the Western Hemisphere and the lingering psychological consequences that continue to impact the descendants of enslaved Africans today The psychological legacies of slavery highlighted in this volume were found independently in Brazil the U S Belize Jamaica Colombia Haiti and Martinique They are color prejudice self and community disdain denial of trauma black on black violence survival crime child beating underlying African spirituality and use of music and dance as community psychotherapy The effects on descendants of slave owners include a belief in white supremacy dehumanization of self and others gun violence and more Essays also offer solutions for dealing with this vast psychological legacy Knowledge of the continuing effects of slavery has been used in psychotherapy family and group counseling of African slave descendants Progress in resolving these legacies has been made as well using psychohistory forensic psychiatry family social histories and community mental health This knowledge is crucial to eventual reconciliation and resolution of the continuing legacies of slavery and the slave trade *Slavery and Manumission* Jerzy Zdanowski, 2013 I am a free born woman and not a slave of anyone Manuy bint Khalfan Speaking to a British Agency in Sharjah on 24th October 1938 Manuy bint Khalfan was a female slave who was sold and mortgaged several times before she finally escaped from her master

How the Slaves Saw the Civil War Herbert C. Covey, Dwight E. Eisenach, 2014-01-27 Drawing from narratives of former slaves to provide accurate and poignant insights this book presents descriptions in the former slaves own words about their lives before during and following the Civil War Examining narratives allows us to better understand what life was truly like for slaves hearing history in their own words brings the human aspects of slavery and their interpersonal relationships to life providing insights and understanding not typically available via traditional history books *How the Slaves Saw the Civil War* Recollections of the War through the WPA Slave Narratives draws upon interviews collected largely during the 1930s 1940s as part of the Federal Writers Project of the Works Progress Administration WPA Because most slaves could not read or write their perspective on the unfolding history of the war has been relatively unknown until these narratives were collected in the 1930s and 1940s This book extracts the most cogent and compelling tales from the documentation of former slaves seldom heard voices on the events leading up to during and following the war The work s two introductory chapters focus on the WPA s narratives and living conditions under slavery The remaining chapters address key topics such as slave loyalties to either or both sides of the conflict key battles participation in the Union and or Confederate armies the day Union forces

came slave contact with key historical figures and emancipation and what came after **From Rebellion to Revolution** Eugene D. Genovese, 1992-01-01 In perhaps his most provocative book Eugene Genovese examines the slave revolts of the New World and places them in the context of modern world history By studying the conditions that favored these revolts and the history of slave guerrilla warfare throughout the western hemisphere he connects the ideology of the revolts to that of the great revolutionary movements of the late eighteenth century Genovese argues compellingly that the slave revolts of the New World shaped the democratic character of contemporary European struggles just as forcefully as European struggles influenced New World rebellion The revolts however had a different purpose before as well as after the era of the French Revolution Before their goals were restoration of African type village communities and local autonomy after they merged with larger national and international revolutionary movements and had profound effect on the shaping of modern world politics Toussaint L Overture's brilliant leadership of the successful slave revolt in Saint Dominique constitutes for Genovese a turning point in the history of slave revolts and indeed in the history of the human spirit By claiming for his enslaved brothers and sisters the same right to human dignity that the French bourgeoisie claimed for itself Toussaint began the process by which slave uprisings changed from secessionist rebellions to revolutionary demands for liberty equality and justice Those who have taken issue with Genovese before will find little in *From Rebellion to Revolution* to change their minds The book is sure to be widely read hotly debated and a major influence on the way future historians view slavery

Prison and Slavery - A Surprising Comparison John Dewar Gleissner, 2010-11-17 This historically accurate and thoroughly researched book compares the modern American prison system to antebellum slavery The surprising comparison proves that antebellum slavery was not as bad as many believe while modern mass incarceration is an unrealized social and financial disaster of mammoth proportions *What the Slaves Ate* Herbert C. Covey, Dwight E. Davis, 2009-05-20 Carefully documenting African American slave foods this book reveals that slaves actively developed their own foodways their customs involving family and food The authors connect African foods and food preparation to the development during slavery of Southern cuisines having African influences including Cajun Creole and what later became known as soul food drawing on the recollections of ex slaves recorded by Works Progress Administration interviewers Valuable for its fascinating look into the very core of slave life this book makes a unique contribution to our knowledge of slave culture and of the complex power relations encoded in both owners manipulation of food as a method of slave control and slaves efforts to evade and undermine that control While a number of scholars have discussed slaves and their foods slave foodways remains a relatively unexplored topic The authors findings also augment existing knowledge about slave nutrition while documenting new information about slave diets **The Odyssey of an African Slave** Sitiki, 2009-09-27 Recently discovered as a hand written document in the Buckingham Smith Collection at the New York Historical Society this remarkable first person narrative traces the life of Sitiki whose name was changed to Jack Smith after his enslavement in America Captured and sold into

slavery in Africa as a five year old Sitiki traveled to America as a cabin boy Eventually sold by the ship's captain to Josiah Smith of Savannah Georgia he lived there and in Connecticut with his new master Captured by the British during the War of 1812 he was returned to the Smiths to be freed only after the Civil War He went on to become the first black Methodist minister in St Augustine Florida where he established his own church Patricia Griffin does not leave the story at the conclusion of the slave narrative but explores Sitiki's experiences and places them in clear and valuable context She presents the narrative unencumbered allowing Sitiki's authority compassion and personality to speak for itself The Slave's Rebellion Adélékè Adéèkó,2005-07-21 Episodes of slave rebellions such as Nat Turner's are central to speculations on the trajectory of black history and the goal of black spiritual struggles Using fiction history and oral poetry drawn from the United States the Caribbean and Africa this book analyzes how writers reinterpret episodes of historical slave rebellion to conceptualize their understanding of an ideal masterless future The texts range from Frederick Douglass's *The Heroic Slave* and Alejo Carpentier's *The Kingdom of this World* to Yoruba praise poetry and novels by Nigerian writers Adebayo Faleti and Akinwumi Isola Each text reflects different national attitudes toward the historicity of slave rebellions that shape the ways the texts are read This is an absorbing book about the grip of slavery and rebellion on modern black thought *Domingos Álvares, African Healing, and the Intellectual History of the Atlantic World* James H. Sweet,2011-02-28 Between 1730 and 1750 powerful healer and vodun priest Domingos Álvares traversed the colonial Atlantic world like few Africans of his time from Africa to South America to Europe addressing the profound alienation of warfare capitalism and the African slave trade through the language of health and healing In *Domingos Álvares African Healing and the Intellectual History of the Atlantic World* James H Sweet finds dramatic means for unfolding a history of the eighteenth century Atlantic world in which healing religion kinship and political subversion were intimately connected *From ETC. - An Amazing Conversation Between the Descendant of Slave Owner and Slave - A Chance at Healing and Reconciliation* Christopher Desloge,Theresa Delsoin,2011-11-20 The book contains the correspondence between Christopher Desloge whose ancestors in early Missouri had been slaveholders and Theresa Delsoin whose ancestor Malindy Wilson was a slave in Franklin County Missouri Delsoin and her sister Mildred Johnson coauthored the 2005 book *Malindy's freedom* about their ancestor The etc of the title refers to the use of that word in wills at the end of property lists that included slaves along with other household items The year long correspondence lasted from Oct 2009 Sept 2010 **Slavery in America** Dorothy Schneider,Carl J. Schneider,2014-05-14 Presents the history of slavery in America from colonial times through the U S Civil War **Race in the American South** David Brown,2007-07-12 The issue of race has indelibly shaped the history of the United States Nowhere has the drama of race relations been more powerfully staged than in the American South This book charts the turbulent course of southern race relations from the colonial origins of the plantation system to the maturation of slavery in the nineteenth century through the rise of a new racial order during the Civil War and Reconstruction to the civil rights

revolution of the twentieth century While the history of race in the southern states has been shaped by a basic struggle between black and white the authors show how other forces such as class and gender have complicated the colour line They distinguish clearly between ideas about race mostly written and disseminated by intellectuals and politicians and their reception by ordinary southerners both black and white As a result readers are presented with a broad over arching view of race in the American South throughout its chequered history Key Features racial issues are the key area of interest for those who study the American South race is the driving engine of Southern history unique in its focus on race broad coverage origins of the plantation system to the situation in the South today

Evil Necessity: Slavery and Political Culture in Antebellum Kentucky Harold D. Tallant, John Fox Jr published this great romantic novel of the Cumberland Mountains of Kentucky and Virginia in 1908 and the book quickly became one of America s favorites It has all the elements of a good romance a superior but natural heroine a hero who is an agent of progress and enlightenment a group of supposedly benighted mountaineers to be drawn into the flow of mainstream American culture a generous dose of social and class struggle and a setting among the misty coves and cliffs of the blue Cumberlands Reprinted with a foreword by John Ed Pearce The Trail of the Lonesome Pine has all the excitement and poignance that caught and held readers interest when the book first appeared

The 100 Most Important American Financial Crises Quentin R. Skrabec Jr.,2014-12-09 Covering events such as banking crises economic bubbles natural disasters trade embargoes and depressions this single volume encyclopedia of major U S financial downturns provides readers with an event driven understanding of the evolution of the American economy The United States has fairly recently experienced the worst economic downturn since the Great Depression But crippling financial crises are hardly unusual economic emergencies have occurred throughout American history and can be seen as a cyclical and normal if undesirable aspect of an economic system This encyclopedia supplies objective accessible and interesting entries on 100 major U S financial crises from the Colonial era to today that have had tremendous domestic impact and in many cases global impact as well The entries explore the history and impact of major economic events including banking crises economic shortages recessions national strikes and labor upheavals natural resource shortages panics real estate bubbles social upheavals and the collapse of specific American industries such as rubber and steel production Students will find this book an essential ready reference on key events in American economic history that documents how and why these events led to significant financial and economic problems throughout the United States and around the globe

U.S. History as Women's History Linda K. Kerber,Alice Kessler-Harris,Kathryn Kish Sklar,1995 This outstanding collection of fifteen original essays represents innovative work by some of the most influential scholars in the field of women s history Covering a broad sweep of history from colonial to contemporary times and ranging over the fields o

Songs of Slavery and Emancipation Mat Callahan,2022-05-23 Throughout the history of slavery enslaved people organized resistance escape and rebellion Sustaining them in this struggle was their music some examples of which

are sung to this day While the existence of slave songs especially spirituals is well known their character is often misunderstood Slave songs were not only lamentations of suffering or distractions from a life of misery Some songs openly called for liberty and revolution celebrating such heroes as Gabriel Prosser and Nat Turner and especially celebrating the Haitian Revolution The fight for freedom also included fugitive slaves free Black people and their white allies who brought forth a set of songs that were once widely disseminated but are now largely forgotten the songs of the abolitionists Often composed by fugitive slaves and free Black people and first appearing in the eighteenth century these songs continued to be written and sung until the Civil War As the movement expanded abolitionists even published song books used at public meetings Mat Callahan presents recently discovered songs composed by enslaved people explicitly calling for resistance to slavery some originating as early as 1784 and others as late as the Civil War He also presents long lost songs of the abolitionist movement some written by fugitive slaves and free Black people challenging common misconceptions of abolitionism Songs of Slavery and Emancipation features the lyrics of fifteen slave songs and fifteen abolitionist songs placing them in proper historical context and making them available again to the general public These songs not only express outrage at slavery but call for militant resistance and destruction of the slave system There can be no doubt as to their purpose the abolition of slavery the emancipation of African American people and a clear and undeniable demand for equality and justice for all humanity
